Thanks so much. It was incredible, and everyone had a great time.

We'll post some photos once we have the professional ones. I am sure they will look amazing, because my wife is lovely and the venue looked spectacular.

To Lottie & all at South Farm,

21.12.11

Thank you so much for all your help with our big day, from the initial stages and planning right through to our wedding itself. We're incredibly lucky to have found such a perfect venue with such lovely, talented staff and we really appreciate all you've done to ensure everything runs smoothly for us and our guests.

Wishing you all the best for Christmas and the New Year, Rose & David xx

Hi James,

I hope this finds you well; this is just a quick note to say thanks again for everything that you and all at South Farm have done to make our wedding a truly amazing day. From start to finish, everything we needed was taken care of promptly and efficiently, and both me and David – and all of our guests – had a fantastic day. In particular, Lottie was a star; she took care of everything that we needed before we even needed to ask, and went out of her way to ensure that the transitions throughout the day were seamless. She was friendly, welcoming, and took care of our timings so that we had no need to worry about them at all. She's a real credit to your team, and we will certainly be recommending South Farm to our friends and family. Wishing you, Lottie, and all at South Farm a wonderful Christmas and New Year.

Best wishes, Rose & David

To South Farm,

18.12.11

We had a fantastic day and that had a lot to do with the seamless running of the day. Becky was fantastic, as we're all of the other staff. All of our guests commented on the amazing food and that it was 'the best wedding food we've ever had'. Thank you do much for the making the day what it was.

Gemma and Simon

Hi,

16.12.11

I just wanted to send you a message to say thank you for helping make Scott and Emma's Wedding go perfectly on the 16th December. Everything went smoothly without any problems, thanks to your teams organisational skills and friendliness.

I would like to single out Christine for all her help and professionalness in dealing with me over the phone with me being in Canada. The other person I want to praise is Helen who kept control of the day and made sure that any problems there may have been were dealt with using here organisational skills.

Merry Christmas and a Happy New Year to you all.

Regards, Sheila and Paul Standen

Dear Letty, James & all at South Farm,

10.12.11

Thank you all so much for making our wedding reception so perfect – we had such a wonderful day, due in no small part to your hard work and dedication. We have had so many compliments from our guests about so many aspects of the day – from the food, which lots of people have told us was the best food they had tasted at a wedding for many years, to the friendly and welcoming staff. Everything ran like clockwork, for which we have Letty to thank – again, so many people have remarked on how efficient, professional and friendly you were, for which we cannot thank you enough.

The food was absolutely delicious especially the roast beef. Thanks also to the chef for accommodating all of our guests dietary requirements, and for suggesting an entirely new vegetarian option (which was gorgeous – you should put it on your menu!).

Letty, thank you for dealing with all of our queries and questions, and thank you for all your suggestions as to how to make the day run smoothly – we did not have to worry about a thing, and had full confidence in you and your team. We were so impressed with everyone on the day, and South Farm itself looked beautiful – what a sunset! We have lots of lovely photos – do let us know if you would like to use any and I will speak to our photographer.

We really cannot thank you enough and with our very best wishes,

Christopher & Charlotte Stevenson x

Dear All,

We would like to thank you very much indeed for all your hard work last Saturday to make the occasion run smoothly and efficiently.

Everyone was most complimentary about the quality of food, the efficient service and the venue in general.

Charlotte and Chris are currently on honeymoon, but I know they would like to join us in our appreciation.

With best wishes for Christmas and the New Year, Jennifer & Dennis

Hi Helen (and Letty),

26.11.11

Thanks so much for your email.

Also just to say a massive and very heart-felt thank you for helping us have such a completely amazing and wonderful wedding day; we had an absolutely fantastic day from start to finish and can't overstate how much you, and all the staff at South Farm, helped to make it this way.

Your efficiency with making everything run to plan was just fantastic! So many of our guests commented on both what a wonderful venue it was and also how good the food and service was, so thank you so much! We really do feel that everything was organised and handled so efficiently and professionally, all whilst being done in a really discreet and unobtrusive way, so things were just done and ready when they needed to be without any fuss - or hassle/stress on our part! It really did mean we were free to just sit back and enjoy a completely fantastic day with all our friends and family without having to worry about the logistics, so thank you very much and we will be recommending South Farm as highly as possible to anyone that will listen!

I gather this was also one of (if not the?) first wedding that you looked after at South Farm, Helen, and all we can say is what an excellent job you did! You really would not have been able to tell, you were brilliant!

Thanks again for all your help, both in the run-up and on the day itself, it really was the most perfect and wonderful day for us, and we are incredibly grateful.

Best wishes, from the new Mr & Mrs Challis!

Hello Helen,

17.11.11

Thank you to you and all the South Farm staff for making our day so perfect, everything was wonderful and everybody commented on what a stunning venue we had chosen.

Again many thanks for all your help and we look forward to coming back next July for our friends wedding who booked you on our recommendation!!

Best wishes, Ed and Stacey Bonnett.

To South Farm,

11.11.11

Just a note to thank you for making our wedding day so amazing.

Kenny was a superb organiser & everyone we dealt with in the planning process helped make the day go smoothly. Wishing you all a very Merry Christmas too!

Thanks, John & Wendy

Lottie, Helen, Christine, Letty and the Team,

10.11.11

Both Rachel and I would like to thank you for your help in making our wedding as perfect as it was. We picked South Farm because it was beautiful, different and the staff were great. It all lived up to our expectations.

The food was amazing, getting food of that quality to so many people is a mark of a great kitchen - you had foodies and Greeks attending and everyone was both full and full of praise!

Thanks again for helping in what was a wonderful day.

Scott & Rachel

To all the staff at South Farm,

We would just like to say that the wedding of our daughter Rachel Aggeli to Scott Tillbrook was absolutely FANTASTIC!!! We would like to thank all the staff, especially Lottie who could not do enough for us and made us feel so welcome, and her assistant Helen, who made the day go so smoothly. However, all the staff were exceptional and made all our guests feel that they had a wonderful day.

Once again, thank you to all of you. We would have no hesitation in recommending this venue to anyone who asks. It really is something special!

Kind regards, Mr Andy and Mrs Chris Aggeli

Hi Lottie,

30.10.11

We had a fantastic day, thank you all very much, it was perfect. All our guests loved it as well.

Kind regards, Fabiola Wright

Hi Christine & Lottie,

29.10.11

I hope you are both well. Married life is good and has been very busy so far :)

This is a little overdue but firstly, I just wanted to say what a fantastic day we had. All staff working on the day were amazing - especially Lottie who ran around endlessly ensuring everything went smoothly - and also ensured I always had a glass in hand! Thanks Lottie :)

For feedback the things we particularly loved were the food and the homely feel of the place. Considering you have weddings most days, we certainly did not feel like a number, and felt like the place was our own for the day. We keep recommending to people we know who are getting married - although it turns out 3 lots of them are actually already booked in with you! :)

Many thanks, Nicki :)

Hi South Farm team,

Just a quick message to say that you have an amazing team, and you helped create a wonderful wedding for my sister and everyone there on Saturday 29th Oct 2011. They are currently enjoying their Honeymoon, though I'm sure they will feedback properly on their return.

I must personally thank Lottie though who was amazing! She was calm, kind and always willing to help me regardless of the requests I put upon her. It made my job as MC (Master of Ceremonies)/Usher all that more pleasurable and fun.

Despite a tight(ish) schedule, we ran pretty much according to time and had the best day whilst doing so. I never felt uninformed of any issues to work around or slight schedule adjustments. Likewise Lottie was only too happy to help in last minute requests or adjustments, and did so with a genuine smile

A true pleasure to work with, what a shame it was for just one day!

Many thanks and keep up the good work! Matt

Hi Letty,

28.10.11

Thank you all so much for everything leading up to and including our wedding day! You've all been great and Becky was brilliant on the day, so organised and very calming! South Farm really is a very different sort of venue and one that we will definitely be recommending to friends (in fact we already may have got you a customer in the girl at the Travel Agents today when we were booking our honeymoon! She's definitely going to be coming to one of your open days!) All of our guests commented on the farm from how stunning and welcoming it looked (everyone loved the little wagons!) to the food being the best anyone has ever had at a wedding. The buffet style is actually a lovely, more informal way to enjoy a wedding breakfast! Thomas Baker is a credit to South Farm, what a wonderful photographer and lovely guy and crazy Daisy provided a lot of good advice and beautiful flowers!

All in all we had a wonderful day and you've all be very accommodating, friendly and professional to deal with over the past months!

Our everlasting gratitude and best wishes, Tara and John Hood xx

Dear South Farm

26.10.11

Thank you so much for everything that was done for us on the day. Kenny was amazing and very obliging and calm, please could you pass on our thanks.

Thank you for all of the time and effort that you all put in, Steph and Mark

Hello Letty,

22.10.11

We had the most wonderful day Letty, and made even more perfect with the impeccable organisation of you and your team and the flexibility you gave us in the run up. I was incredibly impressed by you and being in events I'm incredibly picky (!) but you did the most wonderful job and are a huge asset to SF. We have had so many compliments on the venue, the food and the service! We just simply could not have asked for anything more!

Kim has taken some wonderful shots – a particularly good one by the steam engine! If you want to have a look the photos are on line on her website. Let me know if you would like access.

Once again a huge thank you to everyone at South Farm!

Pia and Ian x

To all at South Farm,

15.10.11

We've just returned from our honeymoon and would like to send a big thank you to everyone who helped make our wedding on 15th October such an enjoyable day!

We were incredibly lucky with the weather and it was great that we were able to use the grounds and gardens more than we could have hoped for this late in the year. There have been lots of comments on the lovely venue, delicious food and, of course, the animals!

The relaxed, friendly atmosphere of South Farm combined with great organisation behind the scenes was exactly what we wanted. Thanks especially to Lottie for all the pre wedding organisation and to Kenny for the smooth running of the day itself.

Many thanks, Jo & Mike Bednarek

To all the Staff at South Farm,

07.10.11

Thank you to all the staff that contributed to our wedding day. We had an amazing time & we are sure that the fact it ran so smoothly was down to the professionalism & friendliness of the staff.

The communication throughout the planning process was fantastic & our planner on the day was so helpful & professional.

South Farm is a beautiful venue & we will be recommending it to others.

Thank you once again, Darren & Laura Mitchell x

To all the Staff at South Farm (especially Kenny, Lottie & Letty),

02.10.11

We got married on 2nd October 2011 and we just wanted to say that it was just the perfect day. We have had so many people say that it was "the best wedding they had ever been to" and similar compliments about the stunning venue & gardens, the amazing food and superb staff.

The whole day ran like clock-work, your events team are a real credit to you. There was always someone to answer any calls or emails. We wanted to thank Lottie & Letty especially for their prompt and friendly feedback with any queries leading up to the wedding.

Thanks also to Kenny who was our events manager on the day. He was always in the background making things run smoothly without us feeling things were being managed if that makes sense? Everything just effortlessly fell into place.

The food was out of this world. Even better than the taster-day! Everyone loved the wine and Elderlinis!! We appreciated being able to have the ceremony outside at such short notice. We couldn't have wished for better weather - 28°C in October – WOW! The reception was fabulous as well, great bar staff and fabulous buffet.

All the little touches like the night team clearing everything up... the guy who raked the gravel before everyone arrived, the ladies moving our flower arrangements from outside for the ceremony to along the walk-way for the evening. The day was PERFECT and we felt so lucky to be able to celebrate our day at South Farm.

Thank you so so much! Laura & Robin

Hi Lottie

25.09.11

Thanks for the email and for the good wishes too - we had a wonderful day and we couldn't have asked for more. All of our guests had a great time; they loved the food, location and farm animals.

Of course we are more than happy to post photos and good feedback on your Facebook page.

Finally, we would like to thank you for the smooth running of the day and your strict timings / chasing up, meant that we only over ran by 10 minutes at the point of the first dance.

Best wishes to you and all at South Farm.

Kindest regards, Angela & Philip

Hi Letty,

24.09.11

Thanks so much! I was actually about to email you when I saw you'd beaten me to it. We had the best day of our lives on Sat. We've had so many great compliments saying it was the best wedding people had been to. But most of all we had a ball, Spence and me. We felt relaxed and able to enjoy it rather than worrying about proceedings. You were a legend at keeping everything running smoothly and dealing with my rowdy mob of a family and we couldn't have done it without you.

Thanks again Letty, Caroline

Dear Letty,

What can we say to do justice for how thoroughly amazing you and all of the South Farm team were? From the moment we mentioned the duck – herding and cake competition and you didn't even flinch I knew we had found the woman for the job of our perfect planner! You really helped bring our crazy ideas to life and we could never have dreamt that the day would go so smoothly!

The whole process with South Farm was a huge adventure – from the food tasting, the many visits with various family members, to the day itself. So many memories that I will look back on with kindness and emotion. The dragonflies around the garden on the morning of the wedding, the running around after ducks in the field in my wedding dress, the cakes all laid out in the Barn ready for judging, the beautiful Summer House where we said our vows, the photos in the fields at sunset, the amazingly yummy venison, the perfect hangover cure breakfast in the Barn, the balmy evening sitting on a picnic table chatting to the band between sets...

You have been so flexible, so friendly and we felt so at home at South Farm. We couldn't have asked for more. I remember when we looked around the first time some of the guests stumbling into the Barn bleary – eyed from the night before came up and told us how brilliant the venue was. And strangely, when we came to collect our lost property some guests from that weekend's wedding said exactly the same to us. A true sign that everyone falls in love with South Farm!

Thank you so much for everything Letty! Caroline & Spencer xx

Dear Letty and all the Team at South Farm

12.09.11

Thank you, thank you, thank you so much to you all for making our special day so amazing on the 12th September!! Myself and Glyn had the most incredible day and we are so overjoyed that we chose South Farm for our wedding venue. Everybody had a fabulous day and all of our guests commented on how wonderful and special the venue was. They loved it! And they also said how lovely the food was and how friendly the staff were. Despite the blustery wind the day was fantastic!!

We were very happy with the staff and have said so many times this week that we will definitely hold another event there in the future (perhaps a big anniversary!!).

On behalf of my husband and I (eek that sounds great!!) thank you again so much it truly was wonderful.

Best wishes, Kelly and Glyn (Mr and Mrs Doggett)

Hello Letty

11.09.11

It was the most fantastically well organised wedding--everyone was so happy--well done South Farm!

Regards--John Leech

Dear Mr Paxman,

09.09.11

I am writing to say a big thank you for making this day (the marriage of our eldest granddaughter) so very extra special.

Your staff were all superb, nothing too much trouble, they were friendly, ultra efficient and paid great attention to every detail. The food was totally delicious, I am sure to hard working staff we didn't actually see. It was all much appreciated. The venue is truly delightful, with the freedom to roam inside and out. I know the pigs and chickens had lots of visits from the smaller guests. It was a most memorable day for me, even in there were several tear-jerking moments – I am sure you are well used to that effect on these occasions.

Well done to you all. Sheila Thompson

Dear South Farm,

04.09.11

We would like to say a very big thank you to all the team at South Farm. We had a fantastic day! We both loved every minute of our wedding day. Everyone was so helpful, all our guests loved the venue and they have said everything – the food and service – everything was amazing and they enjoyed every second!! Thank you so so much for our magical day, we recommend South Farm for everything: the food all day was flowing and was so yummy – we had some very fussy eaters and they ate the lot! Wishing South Farm a long future.

Mr and Mrs Osmond

Dear Lottie

01.09.11

Thank you all so much! We had the most wonderful day at South Farm yesterday. It was a small event, fun, intimate and just exactly what we wanted! We had the most beautiful sunny day for it, everything went like clockwork but felt perfectly relaxed and easy. We enjoyed every minute of it and would recommend you to everyone I know who wants to get married in a special place.

Please thank Kenny too - he was lovely as our organiser.

With all best wishes, Rachel & Brian Guinee

Hi Lottie,

28.08.11

We just wanted to thank you so much for your help on our wedding day. We had an amazing day – it was everything we had wished for and more. Everything went really well, as planned and all our guests had a great day.

Thanks Lottie,

22.08.11

We had such a smashing time :) Everyone commented on what a lovely place South Farm is, and how brilliant all the staff were in making people feel right at home!

Please pass on our heartfelt thanks to everyone for a truly wonderful, magical and memorable day.

All our Love, Vicki and Chris

Hi Lottie,

09.08.11

As promised, here is some detailed feedback on our wedding at South Farm.

Firstly, I must say that we had a fantastic day and are both really pleased that we chose South Farm for our venue. We were so lucky with the weather which meant we were able to have the outdoor ceremony and everyone could experience the beauty of the venue. It looked spectacular with all of the flowers in the garden in bloom. All of the little details such as the tractor making a circular pattern on the gravel before the guests arrived added a really nice touch. I had forgotten we were exiting on the tuk tuk and this was a wonderful surprise for all of our guests which added to the uniqueness of the day. Many of our guests commented it was the best wedding they have ever been to!

I thought the waiters and waitresses did a brilliant job - the service was really good whilst being very unobtrusive and everyone who served us drinks and food congratulated us as they greeted us which was really lovely. There was such a relaxed feel about the day and we and our guests were really given the impression that the venue was exclusively ours for the day to enjoy as we wished - I very much doubt we would have felt like this at any of the other venues we'd viewed...

...Regarding suppliers, I am sure it will come as no surprise that I highly recommend Alison from Wildwood, Ria Mishaal Cooke, photography and Denise Lilley from D&D make up. These three alone made my day successful and delightful. They were true professionals and so calm throughout. They all did an amazing job and I would encourage any other brides to book them as early as possible! Scott was also impressed with the service he received from Myalls coaches.

We both had a truly wonderful day and are so happy that we got married at South Farm. Our photos look amazing and we only have lovely memories of the day. I will definitely recommend South Farm to anyone who is interested!

Thank you so much for all of your help in the planning stages and also to the rest of the team for always being so friendly and helpful. South Farm is a very special place. Keep up the good work!

Best wishes, Nicola

Hi Letty

13.08.11

Thanks for your email - we had an amazing day. It even surpassed my expectations and we were so happy the weather held off to be able to have the ceremony outside.

All our feedback is good. Becky was brilliant on the day - she made the day feel very smooth and straight forward. Also, in the evening, the guy who helped us set up the Silent disco headsets etc was our complete saviour so a big thankyou to him aswell (sorry, didn't get his name). Everyone thought the venue was lovely.

Kindest Regards, Anna

To all at South Farm,

12.08.11

We are still grinning from our day with you on 12th August 2011. South Farm, the venue and staff were truly wonderful. We had a perfect day and are reliving it through our photos and the comments from our friends and family.

So many of them spoke of the special feel South Farm has and how friendly, welcoming and great the staff were at ensuring they had everything they needed throughout the day. The food was absolutely delicious. We had, of course, had a sneak preview at our tasting evening in March but it was even better than we remembered! How the kitchen and waiting staff got everything cooked perfectly and out so slickly and unobtrusively was so impressive....many guests said it was the best food they had ever had at a wedding.

The suppliers recommended by you... Crazy Daisy , Titan DJ Simon and Steve Bean were also fabulous and each added a special extra to our day.

The children (and some of the adults!) also loved the chance to get to know the pigs, peacocks and chickens.

Our photographers loved the setting and all the amazing landscaping they had to chose from as backgrounds...you have been so busy over the last 18 months since our initial visit to you and the gardens looked wonderful. We were so glad that the weather was kind to us and we able to have our ceremony in the summerhouse which was very special.

The accommodation, especially the Romany caravans, were a real bonus and enjoyed by all and we loved the bridal suite!

We were so looking forward to our day and South Farm actually exceeded our expectations!

Many thanks and very best wishes for the future, Liz and Wend

Hi Letty,

11.08.11

Thanks for your email and kind wishes. We had a wonderful time on Thursday and EVERYONE at the wedding said how wonderful the venue was and how yummy the food was.

We certainly enjoyed ourselves and spent the whole of Friday recovering. Even though the weather wasn't perfect for the ceremony, it was equally nice and very intimate in the old dairy and we got to spend plenty of time outside for the drinks reception.

Thank you for making our day very special and the hard work that all the South Farm staff put into the event.

Kind regards, Jane

Dear Letty,

06.08.11

Thank you so much for your kind words! We are now back from honeymoon no.1 and enjoying looking through photographs and catching up with everyone post wedding. We had a wonderful time at South Farm and the day was everything we could have hoped for! People havent stopped telling us what a wonderful wedding venue it is and we felt so at home and relaxed all through the day. The barn in particular is beautiful and having an inside space to seat so many people (AND with no grim hotel carpet in sight), is a true luxury and we all enjoyed its atmosphere-- and as a drama teacher I loved the great effect the barn lighting has on photographs!

To top off a perfect day we had a perfect breakfast the next morning where we didn't feel rushed or pushed out (despite the huge amount of work your staff were clearly doing all around us setting up for the next wedding) and now even better you have sent us a very unexpected cheque!! We are delighted (and astounded) to be getting money back- it turns out our guests drank less than expected but given that we had done the estimation it is incredibly kind of you to refund us!

Thanks again- I'm so sad that my visiting of south farm has now come to an end, I will be pestering ALL of my single/engaged friends to a)book south farm and b) invite us to the wedding, as I really must come again!

Anna and John Murphy

Hi Letty

Many thanks again, Vicky and Del

Hi Lottie

31.07.11

Thank you so so much for such a fabulous day on Sunday! We had the most perfect day and couldn't have hoped for better. Our guests loved your venue and some said the food was the best they have ever had at a wedding venue. We did not want the evening to end as we were all having such a good time!

Thanks again to everybody that made our wedding day so special. Kelly and Chris

To the Team at South Farm

24.07.11

Thank you all so much for helping to make our wedding on 24 July the perfect day!

Everything on the day was brilliant and we really appreciate everyone's hard work!

Dear Mr Paxman

21.07.11

The Reed 'T' Club thoroughly enjoyed their visit to South Farm last Tuesday. Our guide was Stuart Bennett and he was super, so knowledgeable and sociable. It's always so interesting to visit the farm and I must say there has been so much progress since I last came two years ago.

Thank you for being so hospitable. Margaret

Hi Letty,

30.06.11

Thanks so much to all of you at South Farm who helped make our wedding one to remember.... you were all really professional, helpful & incredibly nice - it really made the short space of time I had to organise it so much easier for me (being pregnant with twins isn't easy in the first place, never mind having the combined pressure of a wedding to organise!!) So a BIG thank you to yourself, Lisa & Kenny!!

Kindest regards, Gemma

Dear Letty, Lottie & Kenny and all Staff at South Farm,

We want to thank you for your help & support with the planning & running of our beautiful wedding at South Farm. Especially with it being so last minute! We had a fantastic day & everyone commented on how lovely the venue was & the professionalism of the staff. You really helped make our day!

Many kind regards, Gemma & Matt

Dear Lisa,

26.06.11

I just wanted to re-iterate our thanks for making our wedding on Sunday 26th June such a wonderful and memorable day. Please give our thanks to everyone at South Farm for providing such an amazing venue and doing such a great job of making it such a special day. We felt at every step of the way, from our first visit to South Farm to the wedding day itself, that our wedding was treated as unique and that everything was done to make our day just as we wanted it to be. Not least through all your extra efforts on the day itself, when you worked tirelessly to keep everything running smoothly and again, make our day feel so unique.

Please keep doing everything as well as you do. The venue was amazing, the food and drink excellent, the accommodation and camping facilities wonderful as well. We really appreciated the attitude and integrity of the South Farm team and found everyone to be incredibly helpful and polite throughout.

All of our guests had a wonderful day and it really was the wedding that we dreamed of having. We will definitely recommend South Farm as a fantastic and unique venue.

Daniel Edward & Katy MacDonald

Dear Lisa, James & all at South Farm

Just a personal THANK YOU for all you did to make Dan & Katy's wedding day PERFECT. You even got the weather right!

Many guests praised the quality of the service and food, as well as the beauty and setting for the wedding. We could not have asked for anything more. We want to do it all over again!

With all good wishes, Sue

Hi Letty,

24.06.11

Thank you and everybody at South Farm for what was the most beautiful and idyllic wedding we could ever have wished for.

Big, big thanks to Becky, she was absolutely brilliant. All of our guests complimented the food and they loved the venue.

Thanks once again to you all! Steve and Fiona Whitney

Hi Lottie,

19.06.11

We had the most fantastic day, truly special and full of fun and laughter! Thank you so much for making sure it ran smoothly! A lot of the guests have said it was the best wedding they've ever been too, so we were thrilled with those comments.

We loved every moment of the wedding and can't wait for big anniversary so we can come back and enjoy it all again. Everyone kept saying how beautiful South Farm is, how amazing the food was and that the overall atmosphere was fun, spontaneous (not sure I agree with this as we did plan it all...!) and full of laughter. I'm glad we got the vibe right and the weather too, they were the only things I was worried about and even bought a nice new umbrella and wellies just in case.

Thank you again to you and everyone at South Farm for a truly wonderful day it will be forever in our memories and it set us up for an amazing marriage.

All the best, Hannah & James aka the Merriman's :)

Hi Letty,

15.06.11

Hope you are well.

We are finally back in the country after a fantastic honeymoon in Tuscany....

We would both like to thank you and all the team at South Farm for an amazing day, we had such a great day and everything was absolutely perfect. Some of our guests even had umbrellas in the garden during the ceremony because it was too sunny, we couldn't believe it, we were so lucky with the weather and the garden looked beautiful, it was so much fun getting married in the garden and it was the perfect place for the drinks reception.

Everything ran very smoothly in the barn and the food was really lovely and a lot of guests commented how lovely the pork tasted (complements to the chef). All the staff were fantastic throughout the day, from first thing in the morning right through to when the last coach left, they even brought in the PA we left in the garden and it rained overnight so thank you for that. Please can you especially thank Kenny for us, he was really helpful from start to finish and nothing was too much trouble for him.

The entire day was fantastic we thoroughly enjoyed every minute and lots of people commented how relaxed the whole day felt and we feel a lot of that was down to the relaxed style of venue you operate and of course the staff. We also really appreciate the fact that you allowed us access to the venue the day before to set up the tables in the barn, this helped us a lot.

Thank you so much again for what was the loveliest day, we would not change a thing and we would do it all again tomorrow. Please pass on our thanks to all the team at South Farm. Kind regards, Stephan

Hi Lottie

11.06.11,

We had a fantastic day - and everyone really enjoyed it. The venue is absolutely beautiful and kept really well - it has everything to offer and caters for every eventuality which is just what we needed! We also loved that we had the run of the whole farm and I know our guests loved it too. We also felt the service from yourself and the team was really accommodating, friendly and helpful and felt well looked after on the day.

Thank you for helping to make the day so special for us both.

Many thanks, Clare

To all the staff at South Farm

10.06.11

Thank you for making our day so very special.

Thank you! Jon and Abie

Dear Letty,

03.06.11

We had an amazing wedding day and can't stop thinking and talking about it! We would like to thank yourself and everyone at South Farm for making our day special. The food was wonderful and all of our guests have said how lovely it was and that they had never been to a wedding where the food was so good! South Farm as a venue is beautiful and ticked every box for us and the fact we had the best weather really helped!

Letty, on the day you were brilliant! You helped the day run smoothly and without any hitches! Thank you for turning the lights on in the jam jars and accommodating the vegetarian! I am so grateful to you and I would really appreciate you passing this onto James because I think it is important for others to know how brilliant you were.

Once again thank you to everyone at South Farm we had an amazing day and are very grateful for all the hard work people put in to making our wedding day incredibly special.

We will be recommending South Farm to everyone!

Thank you, Claire

Thanks so much Letty,

We had a great day! South Farm is brilliant and our guests haven't stopped raving about what a great venue it was. Our parents have also commented (as well as we noticed) on how fantastic you were also – always dashing around doing so much for us!

We really appreciated your help and support on the day and also Oliver was very grateful to have you to install his batteries on his walkie talkies! Xx

To Everyone (for there are so many to thank!) at South Farm

Lisa,

A huge thank you to all the staff at South Farm, especially to you for making the day so enjoyable and to Lottie for helping me plan the day – it's been a wonderful experience from beginning to end!

Hi Letty (and the rest of the South Farm team)

06.05.11

We had a lovely day and found all you guys incredibly easy, flexible and relaxed to work with. We couldn't have had a better day. Everything from the organisation and the food to the gate crashing Tuk Tuk ride was amazing! Every guest commented on how lovely the venue was!

Thanks again, Dolly

Lottie,

Our sincere thanks for all you did to ensure the day and pre-planning ran smoothly. We had a wonderful day and all our guests seemed to love the South Farm experience! When there were small things that needed sorting, whether moving music, setting up the cake or sorting last minute menu change requests I noticed you dealing with it all in a very professional, unobtrusive, supportive way. Thank you. I wouldn't hesitate in recommending South Farm to friends or colleagues as an event venue. It is the personal touches all the team made that helped make the day super for all of us.

We are off now on honeymoon but I just wanted to let you know that I thought you did a fantastic job and we felt we were in safe hands. Please pass on my thanks to all involved – it was just the day we hoped for. Thank you!

All best, Laura

Hi Letty,

01.05.11

Thanks for all your help in the run up to the wedding, I know it is your job, but you were very helpful, as was Lisa and your other colleagues and we really appreciate it.

We have the most amazing pictures at dusk and you should let your other clients know about the lovely sunsets you get outside the conservatory!
Thanks once again, Juliet and Dan

Thank you for a lovely day it's hard to remember it all as the day went quite quickly there was good feedback from our guests about South Farm which is good. The day went very well so thank you all at South Farm for our lovely day and there was good feedback from the food every-one loved the food. A very well run team you have.

Hi Letty,

23.04.11

We would like to say a huge thank you to you, Darren the head chef and the entire bar staff, waiting staff, chefs and all the other helpers who contributed towards our special day. You all worked so hard and the day ran seamlessly! The venue is absolutely beautiful and we had so many comments about how lovely South Farm is, how delicious the food was and how nice all the staff were.

You really did make our day wonderful!

Best wishes, Helen and Robert

Hi Lottie,

20.04.11

We had the most amazing day. Everything was just perfect, the food, the weather, and the people. We have had nothing but compliments from everyone we've spoken to and that is largely due to yourself, your colleagues and your venue. The only down side was that it went too quickly and I didn't get a chance to speak to all my friends.

Thank you so much, Elissa and Craig

Hi Lottie,

16.04.11

We had an absolutely perfect day at South Farm, and we are so grateful to all you for making everything run so smoothly. The guests were so enthusiastic about it and loved the laid back atmosphere you managed to create. The food also got universally good reviews! It was exactly what we wanted, and the two of us have spent the last few weeks on Cloud 9 as a result.

Thank you so much for everything, Simon

Hi Lisa,

14.04.11

Thank you for looking after us so well! All comments are very positive. The day was managed excellently, so much so that Simon and myself didn't really notice it happening around us. Everyone enjoyed themselves and many said the food was the best wedding food they'd ever had (and that's from the Indian cohort so an accolade indeed), obviously everyone loved the venue with the caravans and animals and general prettiness. Another thing I'd like to mention is that South Farm were incredibly supportive on the run up to the event – letting us know what we needed to be thinking about and what needed to be done...you don't get married many times do you so how are you supposed to know what needs to be on the 'to do' list!

So thank you again! Vikki

Hi Letty,

25.03.11

Once again we would like to thank you all for helping so much to make the day so wonderful. The weather was just perfect, the staff were excellent and Kenny did a fantastic job and made everything seem so effortless, even down to finding a spare pair of cufflinks for a flustered father of the bride. The venue is beautiful and we were all so well looked after – all our guests were really impressed and could not praise the day enough.

Nicole and Matthew

Hi Letty

12.03.11

Phil and I just wanted to say thank you so much for everything you did on Saturday.

We had a magical day and couldn't believe how perfect everything was.

The South Farm staff were faultless and you did a brilliant job co-ordinating everything. It was all so professional and smooth, but also warm and welcoming.

Kind Regards, Coral and Phil

Hey Letty,

18.02.11

We had such an amazing time and can't thank you enough for everything. You were absolutely fantastic and I've had so many people comment on how great you were. We had the best time and it was everything we had imagined. Sorry if I was rambling towards the end, I should probably have kept a closer eye on how much I was drinking! Seriously though, it was perfect and I just can't wait to see the pictures! I'll let you know as soon as we hear from Ria and I'll send some in for you.

Talk soon.
