Dear Christine, Letty & Becky (and the team)

23.11.12

We wanted to write as a new Mr & Mrs to say thank you for all your wonderful support & help over the past year culminating in our wedding day. We both felt that without the combination of your experience, calmness and just general loveliness our experiences would have been lessened. Whilst the day itself was wonderful, our feelings for South Farm were only confirmed and deepened on the day. All of your patience and efforts before had already paved the way, leaving us both happy, peaceful & satisfied....and married!

Wishing you all the best going forward and for a Happy & Prosperous Christmas and New Year.

With love

To Management & Staff,

17.11.12

As the mother of the bride I would like to thank you and staff at South Farm for the wedding reception of Claire & Shane on the 17th – 18th November 2012. The location and setting were amazing. Rooms and food were excellent. South Farm certainly made their wedding day dreams and wishes come true. Even the weather contributed to a fantastic weekend.

Hi Helen,

09.11.12

Well, what can we say..... if we had to use 1 word to describe our experience of South Farm it would have to be "perfection" ... the day ran so smoothly, the venue was amazing, the staff were amazing, the food was out of this world, we have had so many comments about how good the food was, people were saying, it's the best they have ever had at a wedding... we felt so well looked after by yourself, there was no stress, no issues, just a completely wonderful experience from start to finish.... We cant praise Phillip, yourself and all the staff at South Farm enough... You really do have Weddings down to a fine art and every little detail to make the most perfect day for your guests was catered for.... I feel so proud that we chose South Farm, we knew from the minute we saw it that it was something very special and it put both of us at ease, knowing how professional and competent you all were.

As soon as I have more time, I will go on facebook and upload some pics and also write a great review, which is thoroughly deserved.

Once again, thank you from the bottom of our hearts for making our Wedding Day one that we will cherish forever! (we wish we could have the day all over again!)

Kind Regards

Fiona Hall

The food was exceptional as was the way we were looked after.

Please extend our thanks to James and Philip for making this day, that we will not forget, so special & memorable and I am very happy to recommend South Farm to anyone who wants to hold an event there.

Thank you all once again.

Hi Helen,

26.10.12

Thanks for getting in touch. Just sending a quick reply to say thank you all so much for ensuring our special day went without a hitch. It truly was amazing and a lot of that was down to the smooth running on the day so big thanks to Victoria and those on site for that.

We only have good things to say about south farm which is a beautiful and relaxed venue. The bed was very comfy...much needed after such a busy day!

Thanks again, with love from the Stockings!

\*\*\*\*\*

Hi Letty,

14.10.12

Thank you for your email.

We had the most amazing, perfect day, thank you to all of the staff of south farm for their hard work. Our guests all commented on the wonderful venue and how relaxed it all was. We were thrilled that we managed to have the ceremony outside, I bet you haven't been able to have many in the summer house this year! Neil and I are thrilled that we found your venue it was exactly how we pictured our wedding to be.

The food was complimented on by all our guests, all the little things like that it was still hot despite the amount you were feeding and how delicious the vegetables were, they loved it and our gluten free etc. guests felt really well looked after. Breakfast was a well needed meal that brought us all to life again and was lovely and relaxed.

Victoria who looked after us was great, she was always around if we needed her but never too much and anything we did ask she sorted without a problem. Not that there was much as everything seemed to go so well. So a big thank you to her for her friendliness and for running to get my bouquet that I had forgotten to take with me when i headed out to the ceremony!

The bridal suite was lovely and great to have plenty of room for me to get ready and the bridesmaids too. My one comment would be that I found it quite cold in there when we went to bed after the celebrations and in the morning although the bathroom with the heated floor was lovely and warm.

We have left behind a rectangular wicker basket that our confetti cones had been handed out from. It belongs to a friend of mine so I do need to try and find it please. It was very helpful for your staff to bring as many bits as they could find to the barn for us to collect.

All in all we had a perfect day which we will always look back on with fantastic, happy memories.

A huge thanks to you all.

Sally & Neil

\*\*\*\*\*

South Farm,

We had an amazing wedding day and have lots of lovely memories. We have got some lovely photos that came out so well because of the back ground to the photos around the venue. Lots of our guests have said how lovely the venue was, and how lovely the food was. Those who stayed also said how nice their rooms were, as was the bridal suite. Becky was great on the day, as were the other staff. You definitely live up to your good reputation and I have already recommended you.

All in all it was a wonderful day and a wonderful venue. When we win the lottery, we will be back every year to renew our vows !!

Kind regards,  
Leanne & Chris Smith

Hi Letty,

Sorry I hadn't replied to your previous email. Just got back to NZ on tues night after lovely week in Thailand on way back.

We had a fabulous day and were absolutely thrilled with how smoothly things went on the day (at least from our point of view)! Please pass on our sincere thanks to Helen and the rest of the team for all their hard work. We also had numerous comments about how wonderful the venue was and lots of compliments about the quality of the food in particular.

Many thanks once again for all the effort that went into making our day so memorable.

Hi Letty,

We are back from our honeymoon which was really lovely and I still can't stop thinking about what a wonderful wedding day we had, i just wish we could do it all again! I still can't stop thinking about how lucky we were with the weather, it just made the day all the more perfect.

I really can't thank you and all the staff at the farm enough, you were all so wonderful and I felt so spoilt and well looked after throughout all the meetings, correspondence and on the day itself. Thank you for everything and the great recommendations too, Alison from Wildwood was brilliant and Stephanie from Safe and sound was amazing, I had such great peace of mind knowing she was looking after the girls for us so thank you of that tip.

Please also thank Phillip for us for the speedy tuk tuk rides, everyone is still talking about them and what fun we all had (he looked like he enjoyed them too!) Everyone had a fantastic time and raved about what a beautiful venue you have there, we are super chuffed to have been married there and to be able to share it with all our family and friends.

Thank you again Letty for everything, it was a truly magical day.

Georgie, Chris, Ruby and Alice x

To 'The Team' at South Farm

03.10.12

We are just writing to say a huge thank you for all your hard work for our wedding celebrations on Wednesday 3rd October 2012. We would like to say a special thank you in particular to Letty and Victoria for their personal attention in making our special day run as smoothly as possible, even in the unfortunate event of our linen supplier letting us down.

You really are a special team who went Above and beyond the call of duty to assist ourselves, our family and friends.

We would also like to mention a special thank you for our lovely breakfast table, laid for us on Thursday morning, without table centrepiece and roses from the barn decoration the previous day. It made us feel so special and welcome.

We shall highly recommend your venue and services which will leave us with memories to treasure for the rest of our lives.

Yours truly

Mr & Mrs Misseldine

Hi Helen,

20.09.12

Thank you so much.

I have posted on you facebook page. The whole day was amazing, I was so relaxed and that was mainly down to everybody there, especially you, making everything run so smoothly. I didn't have to worry about a thing.

Neither of us can think of anything that could improve the service we received. It really was fantastic.

Thank you for not charging us for whatever the amount was, we appreciate that.

Please pass on our gratitude to the owner for letting us use his beautiful grounds and the staff for working so hard to make our day flawless. I can't say enough good things...

I wish all the best in the future. I may even see you again if one of my friends decides to marry at South Farm as they were all very impressed!

Thanks again,

Andi and Stu

Hi Helen,

01.09.12

Please thank Becky for us. She was absolutely brilliant on the day and knowing how capable and calm she was totally allowed me to relax well before the ceremony. Best wishes,

Hi Helen,

Thanks for this, and thanks to you and the team for a fantastic day. Please pass on our appreciation to Victoria and Andy who were there managing the day from start to finish, and everyone in the office (especially Christine and Letty) for all their help, support and advice. Your team at South Farm really went 'above and beyond' the call of duty in every way and it made for what a great proportion of the guests told us was the best wedding they had ever been to. It was a truly great day and everything went according to plan! Even the sun was shining for us! Al and I did say that if our wedding day was an omen for our life to come then our marriage will be a very happy one.

Thanks once again for everything.

Very best wishes,

Thanks for everything we had a wonderful day, just got back from honeymoon ! I have found the cupcake stand in my car not sure how it got there??? I will contact Lottie's cupcake to see what they would like me to do next.

I would like to say a very big thank you for all your hard work and attention to detail, and that of your staff, which went to make it such a wonderful day.

Dear Helen,

\*\*\*\*\*

Dear Helen,

23.07.12

Thank you!

We loved every minute of our wedding day and it honestly couldn't have been any better. A huge part of that is down to you guys so please pass on our most heartfelt thanks to Victoria and everyone else who helped out on the day.

In terms of feedback - it's kind of embarrassing but we really don't have a bad word to say! Everything from the moment we arrived to look around has been handled professionally and calmly and with some of the best customer service I think I have ever seen (and I'm an ex-retailer with a passion for service so I don't say that lightly!).

When we first came to see South Farm (having seen a tiny picture of it in a wedding magazine before Mark even proposed) I think I already knew that it would be perfect for us and we hadn't planned to look anywhere else. The only thing we were worried about was the money but James could not have been more understanding and helped us save money on everything from recommending the Monday date to not having champagne for the toasts because - in his words - half of it goes down the drain. What I loved most about the farm was that I could see exactly how we could make it our own. It's a fantastically adaptable and very beautiful blank canvas! We didn't look anywhere else and booked on the spot.

While we were planning the wedding I lost count of how many stupid-question emails I sent to you and they were all answered quickly and provided me with all the answers we needed. I am so grateful for that because without it the whole process would have been vastly more stressful. The wedding planner document and table plan were really useful tools for us as well as for you and we relied on them a lot during the build up - especially when we had our last minute cancellation on the day before the wedding!

What I really appreciated about the planning process was how flexible you were. We didn't have the most conventional wedding in that the majority of our 'suppliers' were friends or family and as such were slightly less organised than I imagine proper people would be. My mum said that the kitchen staff were really lovely when she and her friends were decorating her bonkers cake and she was grateful that they didn't laugh at her attempts - apparently they thought it was brilliant! Nothing we asked for was too much trouble and you took everything we wanted and made it happen. I also would like to thank you for all your help with our guests with dietary requirements - particularly Freya who proved to be something of a challenge!

The menu tasting evening was really good fun - great food, lovely people and such a fantastic atmosphere. We had already decided that we wanted the hot buffet and I suppose the only real criticism I would have was that the tasting evening focussed almost entirely on the formal wedding breakfast so although the food was delicious it didn't really help us to make up our minds.

We also very much enjoyed the open day - it gave us a chance to bring Mark's parents round to see the place and again it gave us some great ideas for our day. It was lovely to be able to bring people to look round - I think we came a few more times with my parents, my sister and our maid of honour and we really appreciated being able to do that.

The day itself was honestly perfect - somehow you guys even made the sun shine! What we wanted was a chilled-out, relaxed, informal day and because of the professionalism and experience of your team that's exactly what we got. You guys gave us the wedding we wanted and we cannot thank you enough. Victoria

T: 01223 207581 E: info@south-farm.co.uk

South Farm, Shingay-cum-Wendy, Royston, Hertfordshire SG8 0HR

was so lovely - really calm and professional and very much in the background. I also really appreciated that you let us use the bridal suite for getting ready even though no-one stayed in it. Mark would like to thank the bar staff for refusing to let him pay for his beer. I would like to thank the absolute angel who managed to find a fan and some ice when I came down with mild heat exhaustion in the evening. It's so cheesy but our wedding day was the best day of our lives and a massive part of that is down to you.

Our guests loved the whole thing - people kept commenting on how beautiful the farm is and how lovely it was to be able to move around the place and not be confined to a couple of rooms. The kids we had there loved running around in the gardens and most of the photos on our disposable cameras are of small pigs. And the ice cream bike was an absolute hit! My mum said that the loveliest thing was that nothing felt rushed - there was a timetable that you were sticking to but no-one was really aware of it which was great. People keep telling us that they have never been to a more relaxed wedding. The food was excellent and the service was impeccable. I didn't know that people could have a bit of everything which was a really lovely surprise.

There's loads of wedding photos on Facebook and I'll go through them and tag you in the better ones and I'll go on your page and write a (much shorter) gushing review!

With our love and heartfelt thanks,

Dr and Mrs McDowall

Dear Helen,

22.07.12

We just wanted to take a moment to say a HUGE thank you to you and the team at South farm for making our wedding day absolutely perfect! We were blessed with the weather but south farm must do so much behind the scenes to ensure that the venue looks stunning. All our guests said that they were really impressed by how gorgeous the gardens are, so many thanks to your gardener, who must be an absolute gem!

Many thanks also to yourself for quietly ensuring the day ran smoothly and going the extra mile to make sure we had everything we needed. We choose South farm, not only for the stunning location but because everyone had raved about the fantastic service the staff provide. We weren't disappointed! We are aware obviously that you do weddings almost every day of the year but you treated us in such a personal and special way that we felt completely unique.

And finally, our thanks go to the people who do all the other, less obvious, jobs. The cleaners, who said congratulations to us as we were leaving and the amazing kitchen staff. oh, and the gentleman who showed the children the little chicks in the barnyard and answered all their pig-related questions!! (I think he was actually the bar manager!)

It's a shame our special day is over, but thanks to South farm, we will cherish it forever.

Kindest regards, Nicola and Alan Randall

Dear Helen,

08.07.12

Firstly apologies that we are only getting back to you now, almost 6 months later! Thank you for your card, and at Christmas also, it made us instantly nostalgic!

We wanted to say a huge thank you for all your help conducting our wedding on the day, and for Lottie's help leading up to 8th July. It ran like clockwork, we felt completely relaxed in your capable hands and we were utterly thrilled that the sun came out and allowed the guests to enjoy beautiful South Farm (despite a torrential morning)! I'm so glad you enjoyed the ceremony too, we have some talented friends and that burst of singing Les Miserables and Country Road was the icing on the cake for us!

South Farm is run so efficiently but with such an intimate feel, which we loved. The food was delicious, the animals adorable, the surroundings spotless and idyllic, we really couldn't have wished for a lovelier day. Even Breakfast the morning after was memorable with the animals in the yard and again, yummy food!

South Farm will always have a very special place in our hearts, we will sing it's praises from the rafters!

We would hope to return for another special event in the future sometime.

Thank you and the staff so much again.  
Jaimi and George Rainsford

Dear Lottie,

05.07.12

Thank you to you and the South Farm Team for helping to make our wedding day so special. Everyone commented on how lovely and relaxed the venue was. Becky who worked on the day was very efficient and professional which helped people who were feeling unorganised nerves on the day, including myself.

Working in PR and Marketing I come across many different places but was most impressed by your venue, food and atmosphere above others I have visited. Subsequently one of my relatives decided to book their own wedding at South Farm! I'm sure myself and my husband will visit South Farm again in the future to bring back memories of our special day.

Thanks again.

Regards, Amy

Dear Lottie

01.07.12

Thank you very much for your congratulations.

We all had a wonderful day, truly memorable and cannot praise South Farm enough. We had so many compliments on the day, and indeed they are now flooding in since, regarding the beautiful venue, the superb food and the delightful and professional staff. It was perfectly evident that you all worked so hard to give us truly a 'Day to Remember', which means everything to us. Thank you. It is a wonderful feeling for us all to have only positive thoughts about the whole day, we were in your hands, and no-one let us down. Also you and Christine made the planning so easy and it was much appreciated that you were so approachable, you couldn't have done more for us.

I know that you had such a long day – it didn't go unnoticed, and your manner and approach is first class.

I sincerely hope that South Farm gets some 'spin off' business from this Garrett/Rudling Wedding – it would be so well deserved.

We are now left with a lovely warm feeling, having had such a fabulous day and are eagerly anticipating the photos which I am sure will be superb, enhanced by the beautiful backdrop of South Farm.

Kind regards to you and all the South Farm Team. Clare and Mark Rudling

Hi Helen

28.06.12

Thanks for your email and congratulations (sorry for the delay and responding). Yes it was everything we'd ever hoped for and so much more besides – an absolutely perfect day. You'll be pleased to know are guests are still raving about it, South Farm certainly made an impression on them. A massive thank-you to everyone at South Farm who played a part in our day; and please do also pass on our thanks to Victoria (our event manager on the day) she was brilliant.

We will endeavour to add some feedback to your facebook page and post some photos shortly. The gardens looked amazing on the day (we were so lucky to have picked on of the few sunny and hot days of June) so sure your future couples would like to see them in the sunshine.

Also thanks for posting our wedding certificate (we received it the day after the wedding) – can't believe we misplaced it after less than 24hrs of marriage!!!

We can't say it enough but again THANK YOU to everyone at South Farm for hosting our amazing day!

Kind Regards, Kerry & Ian Willis

\*\*\*\*\*

Letty, Lottie, Victoria & all the team at South Farm,

A huge thank you to you all, for all your help in making our wedding day so fantastic on 28th June 2012! We had the most amazing day (as did our guests) & we couldn't think of anywhere else in the world we would have wanted to get married. Our first ever visit to South Farm was in the pouring rain & we were sold on having our wedding there even then, so to get married there on a beautiful summers day just made the venue even more special!

Best wishes, Kerry & Ian Willis x

Lottie,

27.06.12

Just a quick email to thank you and your team for your splendid support and assistance for the wedding. Everything seemed to go extremely well, making it generally a stress free day/evening, helped at all stages by your professionalism in ensuring we kept vaguely to time, with music and beer/wine appearing where ever we happened to park ourselves. The outdoor ceremony worked really well for Nicola and Richard, I am sure they will have those memories for many a year.

All the best, Martin & Pat Grigor  
[plus I'm sure, Michael and Ann Wassall]

Dear Helen,

22.06.12

Our wedding day at South Farm was truly wonderful and everything we hoped it to be. I cannot thank you and the staff at South Farm for ensuring such a smooth running of the day. We did not feel interrupted at any point and felt that the staff were very discreet leaving us to enjoy the closeness of the day with our loved ones. The food was excellent and we had many compliments from our guests.

A personal thank you to you for thinking of everything that we hadn't and making sure everything was as we wanted. Pete and I were able to enjoy the whole day from start to finish without a worry or a thought about anything.

South Farm is an amazing place to get married. You offer a beautiful venue complete with the flexibility to make it your own, along with a relaxed but efficient service. We could not have asked for anything more, thank you all.

Best wishes, Amy & Pete

Lottie,

21.06.12

We wanted to say a huge thank you to each and every one of you that has played a part in our special day. Since the 1st day we met you, you and your colleagues have made us very welcome and made South Farm feel like our venue and no one else's. This is a truly special feeling. You have always helped and suggested solutions to all our questions and, in our opinion, given us over and above our expectations.

So please accept the enclosed and the bottle as a heartfelt thank you. The only sad bit is we do not get to enjoy South Farm again!

Pass on our thanks and best wishes to the whole of the team.

A heartfelt thanks, Tom & Rachael xxx

Michael and I would like to thank all the staff at South Farm for helping to ensure our wedding day ran smoothly.

It was a wonderful occasion and all the guests without exception, complimented the venue, staff and food. Everybody had a wonderful time, including myself and Michael.

We had a fantastic, fantastic day, and everyone at South Farm was marvellous. I didn't have to worry or think about a thing. (Other than getting into and out of the tuktuk in a dress approximately the size of Worcester). The food was amazing and everyone was really pleased with the venue and impressed by the SF staff. So thank you. Back home again after the honeymoon, and we're still quite confused and putting off our to-do lists.

So thanks again. Best wishes and thanks, A

Dear Lottie and the rest of the South Farm team,

We have recently returned from our much needed honeymoon and although it's been over a month since our wedding day at South Farm, we could not go without giving you and the rest of the team a huge great big thank you for making our day just wonderful! We have so many wonderful memories of the day and felt so lucky that the weather held out for us, having heard how rainy it's been over June and early July! Our dreams really did come true having been able to marry out in the garden and family and friends said they felt so relaxed and made to feel welcome by you all.

We would particularly like to thank James for fixing Jakub's waistcoat button, which decided to pop off at the very last minute! and Lottie for taking great care of my lovely Nan who we were all worried about after she fainted during tea and coffee. By the way, she sincerely apologizes if she squashed your lavender beds!

The food was delicious (definitely keep the crackling with the pig roast as it went down very very well). All staff were friendly, approachable and more than helpful throughout the whole day.

Apparently, every day of our married lives should be special, not just our wedding day. But that particular day at South Farm will be cherished and stay with us as being an extra special day throughout the rest of our lives together. So thank you for your help in the organising.

Kindest Regards, Kelly & Jakub (Mr & Mrs W) x

Hi Helen,

I hope you had a good break. I just want to say thank you for all your help and please also pass on our thanks to the rest of the team at South Farm for making our day so special. We had a brilliant day and the feedback on the wedding has just been amazing. I thought you might be interested to know that we raised an amazing £454 for Marie Curie in total!! We were thrilled with this as were Marie Curie, such a simple gesture and such a huge amount.

Again, thank you so much to everyone at South Farm, from you running the day to the amazing food to the fab presentation and cleanliness of the venue. It was just perfect.

Speak soon, Mr & Mrs Young ;0)

Hi Letty

19.05.12

I just wanted to send you a note to thank you and all the staff at South Farm for making our wedding day perfect. From the minute myself and the bridesmaids turned up we were offered tea and coffee and made to feel so welcome.

The whole day we didn't have to worry about a thing, everything was taken care of so we could just enjoy ourselves. We couldn't have asked for a better day and so many of our guests have told us how much they enjoyed it. I will definitely be recommending South Farm to anyone and everyone who is getting married as I cannot fault one part of the day, it was amazing.

Thank you so so much, Scott and Susanne McGregor x

18.05.12

Thank you for all your support and being a part of our day! You missed a cracker at the end..... routine dance off between Joe and I and the exit arch with sparklers. It must of been a good wedding as we inspired one of our close friends to finally pop the question to his lady the next day (fingers crossed another south farm wedding).

It was with no doubt the best day of our lives! with all the detail and the overall feeling!

I think we shall be getting remarried so we can have another party like that, so many people commented on the fab venue and how did we find it (via google)? It was more than we imagined and everything flowed with the day feeling like it was about us and our guests! except I think I may have to have words to find you in my granddads bed room with a camera .....)

Lottie you were a star, with your support, enthusiasm and smiles ..... and thanks to Andy!

Thanks again, we shall send some pics.

Hi there Letty,

14.05.12

Thanks for your email it's lovely to hear there is a little bit of money coming back to us!

Can I ask you to thank all the staff who worked on Monday everybody was fantastic, but particularly Becky as she kept things going well without being intrusive which was perfect. We were surprised but very grateful that she kindly dropped our photographer back at the station too!!

We had the most amazing day and wouldn't hesitate to recommend south farm as a venue to anybody! All the guests loved the lemon posset and thought the food was fantastic.

Many thanks, Laura and Kevin Scarle x

Hi Lottie

13.05.12

Apologies for taking so long to get back to you. We had an amazing day and friends are still telling us how much they enjoyed the day. I wanted to let you know that everyone loved South Farm and please tell those in the kitchen that the food went down particularly well. Several people told me that the waiting staff were lovely and went out of their way to help the kids. When I have 5mins I'll write a review with some photos on your facebook page.

Thank you for helping us to have wonderful day both you and Elina made it all run without a hitch. Nic

Dear Letty

12.05.12

I just wanted to drop you a quick note to say a HUGE thank you for making our wedding day such a brilliant success. You were so calm and organised that it made it really easy for Paul and I to really enjoy ourselves.

We couldn't have asked for a more amazing venue and we will always remember our very special day at South Farm!

Our guests have all raved about the beautiful venue, and wonderful food. One thing in particular I would like to thank you for is your excellent attention to detail - moving flowers from the garden to the barns / setting up the cheese boards so brilliantly - all these little touches really made the day look perfect.

All the best, Jo and Paul

Dear South Farm,

07.05.12

I would just like to say a huge thank you from myself and my husband for our wonderful wedding and reception at South Farm on 7th April this year.

I felt so well looked after on the actual day, you made us feel really special, happy to accommodate every request we had.

Everything from our initial meeting to the big day went so well and you were always there at the end of the phone or at the end of an e mail throughout the whole process. We found the planning meeting incredibly helpful and all of our questions were answered.

The food tasting evening was also brilliant and it was a great way to really get a feel for what the barn would look like on the day as well, full of wonderful guests.

We made use of a couple of your recommended suppliers as well and they were all outstanding; Ria Mishaal Cooke, Gary Custerson and Wildwood Floral Events. We were so pleased with them all and grateful that you had picked them as recommendations as it made our life a lot easier picking through the thousands of wedding suppliers.

Anyway, I just wanted to say thank you so much for making our day (and all the planning before) so effortless and the day itself so extra special. We have so many wonderful memories from the day. Thank you.

All our best,

Caroline & Matt

\*\*\*\*\*

Hi Lottie,

05.05.12

We just wanted to say a huge thank you to you and all of the South Farm team for an absolutely wonderful wedding day on Saturday. Everyone thoroughly enjoyed themselves and many of our guests said that it was the best wedding that they had ever been to! South Farm played an enormous part in making this the case.

The food was fabulous and we got nothing but compliments for the Hog roast and the Assiette of desserts. We missed the canapes whilst we were having photographs taken, but our guests said that everything was delicious and that they were thoroughly well looked after during the drinks reception.

We also want to say a massive thank you to you personally for taking such wonderful care of us both, especially the groom who was a bit nervous before the ceremony. We really felt that you were there to help with anything that we needed and to make sure that the whole wedding went to plan. You were excellent with our bridesmaids (who had the best day ever by the way!) and it was great that our family and guests knew that they could come to you if they needed anything.

We are over the moon that we chose South Farm for our big day and we have nothing but happy memories of the whole day. We can't wait to see the photographs when we get back from our honeymoon, we are sure that they will be fantastic as the venue is so beautiful.

Thanks again to you and to all of the team who contributed to our wedding. Mr & Mrs Strachan! Xxxxx

Dear James and All Concerned,

02.05.12 – Red Cross Charity Event

What an amazing day you hosted for us – the Red Cross, Cambridgeshire Branch.

The feedback from everyone I talked to said, “we couldn’t have improved on anything”. We’ve never had such positive praise and such genuine thanks.

Tom Stuart – Smith was brilliant and as for your “nibbles” ! – what a meal you put in front of us, it went on and on and was so delicious. Thank you for everything on behalf on the Red Cross. You will no doubt hear from Rosie on how much we made, but it was in the region of £5500 – amazing. Hope you get some “feedback” and perhaps a booking or two as a result of the day. We have had a new recruit who has actually volunteered to join our committee which is wonderful – we need younger new blood.

I loved walking round your garden – Simon is so enthusiastic – I’ve come back with several ideas including using the grass mowing’s to mulch the potatoes. After nearly 25mm (1inch) of rain last night I haven’t been able to do anything today!

Thank you again. Yours, Eleanor

Dear South Farm,

29.04.12

Thank you all for helping to make our wedding day so special. Everything went so smoothly we didn't have to worry about a thing. I know that Letty spent some time with our younger guests which was sweet.

Thanks again, Adam & Julie

\*\*\*\*\*

Dear All at South Farm,

27.04.12

Many thanks for enabling my son Peter Lay to marry Kaye Redwood at your lovely venue. It really is a lovely setting to have a wedding. Everyone commented on a lovely place, lovely food and a lovely atmosphere. Even the lack of sun did not spoil it.

Thank you also for the help and support given at the end of the wedding when my husband was taken ill and an ambulance had to be called. He had a mild heart attack, so is undergoing treatment now in our local hospital. Am now looking forward to seeing the wedding photos. Please also give our thanks to your lovely toast master. He was so helpful and caring in helping my elderly (92 year old) mother to get about. He was such a lovely man.

There is nothing at all that I can fault about your lovely venue apart from the weather on the day but of course that is out of everyone's hands. I think Peter & Kaye would have loved to have their wedding on the island with the Summer House but not to be. It was lovely in the Old Dairy and much drier underfoot.

Thank you again for making it such a special day. From Liz & Ron

\*\*\*\*\*

Hi Lottie!

26.04.12

Thank you sooooo much for being so great on our wedding day! It was so nice to have you there just explaining all the little things that we should be doing as it is so easy to get chatting to the guests and forget about timing! And of course your experience is invaluable :) Also, when one of our evening guests turned up really early and you let him come in and join us for dinner, that was Really sweet and we really appreciated that a lot.

We had an Amazing day - it all went so smoothly, the guests were great and the weather turned around for us. It really was even better than I could have imagined. I think that every guest mentioned to me at some point that the venue and grounds of South Farm was absolutely stunning, and that the food was delicious. Also my parents said that you were lovely and most helpful!

We will definitely post something on your website - I personally cannot think of any suggestions to make that would have made our day more perfect than it was :)

Thanks so much for everything Lottie. I hope that maybe your own wedding may not be too far away???!  
:)

Sorry for the delayed reply.

We cannot thank all at South Farm enough. The day was perfect- everything that we had ever wished for!! Thank you Letty for keeping everything under control on the day.

Our guests were very complimentary, they all thought the venue was beautiful and the food amazing. One guest even said that it was the best food he had ever had at a wedding!! And we completely agree!

The whole process was stress free and enjoyable, from the moment we visited South Farm, all the way through the planning process and up to big day. All our needs were met and we found the website very helpful.

It was also a lovely surprise to meet Matthew Humber (chef), who turned out to be related to the Bride's family- such a small world.

Dear Mr Paxman,

I would like to express my thanks to the management & staff on 6th April – Carol & Tim's Wedding.

South Farm is an excellent venue with pleasurable surroundings & unusual features, ie the captivating farm animals.

Such an efficient organisation, carried out by pleasant & unobtrusive staff on the day. The delicious wedding feast & light supper all contributed to make Carol & Tim's wedding such a memorable occasion. The facility for a Ceilidh enhanced the evening enormously.

On behalf of Carol, Tim & their guests an enormous thank you.

Yours sincerely, Joan Moody (Carol's mother)

It was a bitter/sweet day with my husband being in hospital but thanks to all the hard work by the staff at South Farm, my daughter and her husband radiated happiness.

So please pass on our thanks to everyone at South Farm who worked so hard to make such a special day extra special.

Yours sincerely, Susan

Dear Lottie and the amazing team at South Farm,

25.02.12

Richard and I just wanted to write and say how thankful we are for making our wedding day truly amazing, it was everything we had dreamed of and more! We knew South Farm was a great Venue but honestly, you all made it perfect for us. Everyone loved the food and the service was impeccable!

Lottie, you are a LEGEND!! You went way above and beyond what we expected and your professionalism was noted by many many people (including my god father who is Director of Hospitality at the Institute of Directors in London who said you were outstanding and would snap you up in an instant and wished a lot of his current staff worked at your standard).

I can't thank you enough for lending Kelly your Cardigan after she threw red wine down herself (and then had white wine thrown over her by an over-zealous guest who was trying to be helpful) and for trying to get the stain out during the evening. Also for getting my usher/ MC Daniels jacket fixed after we realised the company had made a monumental cock up and had sent us a suit that had been badly patched up with a safety pin! As I say... way above and beyond!!

Kindest regards, Mrs Hannah McNeil (still can't get over the fact I'm a Mrs :) )

Hello Helen,

13.02.12

Thank you for your e-mail.

I wanted to write and thank you for a wonderful day. Everything went so smoothly and I couldn't have been happier. The South Farm staff were incredibly helpful and the whole process from the initial booking to the celebration on the 13th was so easy. Everyone kept telling me that I would start to get stressed but there was never any need as you were always very quick in your responses to my queries and hugely organised in your approach.

The food... oh the food! I think I would be happy to eat your fish pie every day for the rest of my life. Many of my guests have spoken to me since, praising the venue, staff, the food and the relaxed fell of the day.

Thank you for making my wedding day so very special and so calm. I was able to just relax and enjoy myself.

A beautiful venue, unspoilt by the rain!

Thank you, Emily Hardy

Hi Lottie

11.02.12

Just wanted to say a very big Thank you for doing such a fantastic job on Saturday!

Everybody loved the venue, the food, the canapés. Please say thank you to the lady who lent Marnie her straighteners, it stopped her stressing! Please thank all the kitchen, bar and waitressing staff, they did such a great job. Our friends survived one of the coldest nights of the winter in the caravans and even said it was cosy!! I know it was cold but our photo`s will be amazing!!

Thank you so much, you guys made our Wedding perfect! Will recommend you to anyone who will listen!

From Sarah and Stuart Tredgett

Thanks so much. It was incredible, and everyone had a great time.

We'll post some photos once we have the professional ones. I am sure they will look amazing, because my wife is lovely and the venue looked spectacular.

Hi James,

I hope this finds you well; this is just a quick note to say thanks again for everything that you and all at South Farm have done to make our wedding a truly amazing day. From start to finish, everything we needed was taken care of promptly and efficiently, and both me and David – and all of our guests – had a fantastic day. In particular, Lottie was a star; she took care of everything that we needed before we even needed to ask, and went out of her way to ensure that the transitions throughout the day were seamless. She was friendly, welcoming, and took care of our timings so that we had no need to worry about them at all. She's a real credit to your team, and we will certainly be recommending South Farm to our friends and family. Wishing you, Lottie, and all at South Farm a wonderful Christmas and New Year.

Best wishes, Rose & David
