Hi Helen,

22.12.13

Thank you for your email and Happy New Year!

We are now back from honeymoon and can reflect on our fantastic wedding at South Farm.

The day was absolutely perfect and Elina and all the staff couldn't have done more to help make it wonderful. The food was delicious which was one of the most important things for us so please pass our thanks on to the Chef and his team in particular.

Kind Regards,

Ian & Rachel

Dear Philip,

15.12.13

You may have already heard that "team South Farm" excelled themselves at our Celebration Party yesterday. We've had some very flattering e-mails, telephone calls and personal thanks for an amazing party. The food was truly delicious and Marius was so inventive (hope you get lots of enquiries as a result) Thank you for being the inspiration behind it all. The whole day was brilliant and we are all so grateful. It was just wonderful not to have to work out a seating plan!! Everyone thoroughly enjoyed the freedom of being able to wonder round. It was such a brilliant idea - our grandchildren had a wonderful time.

Have a very Happy Christmas and New Year

Love Guy and Eleanor

Hi Helen

Just to say thank you very much for helping make such a memorable wedding day yesterday for our daughter Katie Hatton and her new husband Chris Robinson.

The venue was fantastic as was the delicious food and the staff went about their duties quietly, professionally and efficiently and we all had a fabulous time and even the sun shone so very many thanks to you all.

With very best wishes

Hello All,

30.11.13

We would like to say a big thank you to the South Farm team for ensuring we had a fantastic wedding day. Helen helped us a lot in the lead up to the wedding answering all of our questions and Jane looked after us brilliantly on the day ensuring the day went smoothly. We got lots of compliments about the food and the venue from our guests, everyone had a great time.

Best wishes & Merry Christmas

Tania & Phil Beadling

Hi Becky,

24.11.13

Thank you for all your effort in making our wedding day truly unforgettable. I finally stopped worrying (about an hour ago....) - and everyone has such a terrific time. We definitely only have nice things to say about South Farm - stunning grounds, delicious food, and the most amazing, professional staff.

Thanks again for everything, and all the best wishes for your own upcoming wedding!

Hello there

Menu Tastings 14/15/11.13

Brian and I just wanted to say thank you for last night. The food was delicious and the whole evening very helpful. We did in fact choice dishes that we would have not done by just looking at a menu blindly. We have also picked up some details from a couple of your suppliers which is great in the wedding planning.

Thanks again

Kind regards

Sue Hyett

Dear Sophie and South Farm team,

David and I just wanted to say a huge thank you for a lovely evening last night. The staff were very friendly and the food delicious. We wanted to say thank you and goodbye to Phillip and James, but there were very busy and we had to leave. If you could pass on our thanks we would be very grateful.

Many thanks,

Emily

Dear Philip Paxman, your wife, son & all your staff,

Orchid Charitable Event 10.11.13

Your warmth, generosity and concern shown on the Sunday Lunch Orchid Charity Event was most remarkable. Thank you all for the care and effort you so generously gave.

South Farm is a remarkable venue, with so many details and arrangements carefully and lovingly attended to – and the welcome and service to an important cause was most amazing.

Thank you for making your wonderful South Farm available for this event and for a splendid reception and first class lunch.

Thank you all

With good wishes – Keith & Patricia

Hi Becky,

I hope you are well. I just wanted to let you know we have received your post with the cheques and everything in. Sorry you haven't heard sooner, I've been on a few days of annual leave. Thank you for sending this all in and WOW what a total! Well done for organising such a fantastic event, you should be very proud and we really are so grateful for your support. By the looks of it everyone had a fantastic time and the food sounds like it was delicious!! I have passed on the cheques to our accounts team to deal with and we will be in touch when they have all been processed.

It has been a real pleasure to work with you during my time at Orchid and very inspiring to see how successful your fundraising lunch has been and how hard you worked to achieve this. Thank you so much for all your hard work.

Very best wishes,

Alice

Dear Philip, Becky & all South Farm friends,

09.11.13

We wanted to say an enormous thank you to all for enabling us to use your beautiful venue for the wedding of Jamie & Nicky. Your help and guidance was sublime and without it, we are sure it would not have been as successful as it was.

We are sure you will agree that they and their friends put an enormous amount of effort into the décor and arrangements prior to the day, but this was made much easier by the fact South Farm and all of you there were so supportive and helpful.

Again, many thanks and we wish you continued success in the future.

With kindest regards,

Sue & Ian Thurgood

To all at South Farm,

Just wanted to say the biggest thank you for our wonderful day! We cannot thank you enough for how amazing everything was.

From the moment we came to South Farm to visit back in July last year we completely fell in love with it. From day one Phillip made us feel so welcome and we couldn't imagine having our wedding anywhere else. The setting is the most beautiful place. The care and attention to every detail is faultless, the gardens are stunning, the grounds are immaculate and each room has its own character. The organic small holdings attached to South Farm complete the picture for us knowing that the food has come from only a few metres away from where we were sat in the stunning barn. It was also so lovely to be able to stay on Friday and set up the day before meaning we could all relax with everything done. Phillip, it was lovely to have a chance to chat to you at the bar, your plans for South Farm sound incredible.

Our guests were completely blown away with South Farm, being the first of our friends to tie the knot they are now nervous about living up to how great our day was! The phone calls and messages haven't stopped to tell us how incredible the day and venue were. We felt so proud that we could share South Farm with them. The mothers have just about stopped crying (with happiness!)

Becky, you were just amazing on the day :) Despite the slight hiccup with the registrar you managed to keep us all calm and collected! We can only imagine how much work you had to put in, because to us it felt completely seamless. Everything was dealt with and we didn't have to worry about a single thing on the day, for which we are so grateful. THANK YOU! Beyond our immediate contact with the planners, the time we spent at the farm over the weekend, every member of staff we came across was a delight :) We really appreciated the constant flow of hot tea when decorating!! Every member of staff is a credit to South Farm.

We actually feel quite sad tha everything is done, we can just hope that some of our friends book South Farm for their weddings!

So a huge thank you to all for making our day so memorable, South Farm truly has a special place in our hearts.

Hi Becky,

02.11.13

Firstly, please excuse the lateness of this email, somehow we have seemed to be even busier after the wedding and honeymoon than before!

We simply had the most amazing day ever!! We had imagined the day so many times in the run up to the wedding and although it went far too quickly for our liking, it was better than we could have ever imagined. We could not possibly change a single thing about it as all the team at South Farm did such an amazing job! From the moment I first called South Farm, the service was nothing short of fantastic. I still remember our first visit when I fell in love with South Farm after being shown around by Letty - there was never a moment's doubt on our wedding venue after that :) Letty was brilliant and really listened to what was important to us and helped us to start shape our special day.

We found everyone always helpful, friendly and really enthusiastic. I also felt that I could contact with any query however big or small and everything was dealt with quickly and efficiently (especially Helen who dealt with my endless emails in the run up to the day so quickly!). The wine and food tasting evening made us so excited about the food and it lived up to the expectations - everyone has commented on the food and several people went up for thirds!

Becky, you were simply fantastic from our final planning meeting to the actual wedding day - you calmed me down when I was freaking out in the bridal suite and made sure the day was seamless - every time my sister and I thought of something we hadn't done - you had done it about 10 minutes before! I wish I could list everything you did for us during the day but you managed to blend in and do so much in the background I couldn't keep up! Your friendliness, professionalism and obvious love for your job shone through during the day - you made us feel so special and truly helped us to have the best days of our lives. Everyone has commented on your hard work and it really was appreciated by the both of us and our families and friends. All I have heard from our guests is what an amazing day they had - the venue, the food, the service, I could go on and on.....I have no hesitation in telling everyone they should get married at South Farm because it really is pure perfection.

Mr and Mrs Reid

Dear Helen,

26.10.13

Please accept my apologies for the delay in getting back to you.

We have been swamped by letters and cards thanking us for a super party. Everybody was impressed by your immaculate facilities; the raked gravel, the views from the Old Dairy the animals in the yard alongside the walkway to the Barn and the Barn itself.

Everybody enjoyed the quality of the food and those with dietary requirements enjoyed their options. The service was efficient and unobtrusive.

Those staying overnight reported that the accommodation was very comfortable.

Many of our guests who lived locally were amazed that such a delightful venue existed on their doorstep and everybody I'm sure made a mental note that South Farm would have to be on their list of places to celebrate their 'special occasion'.in style.

As far as Jane and I were concerned the whole South Farm experience was excellent. From the initial planning to the final arrangements everything went very smoothly and any problems which arose were quickly sorted.

We were particularly impressed when we had a problem with late arrivals. Elina said she could hold start of lunch for 1/4 hour to 1.00 pm. Fortunately the last two arrived at 1.00pm so we did not have to start without them. I hope we did not cause too much inconvenience in the kitchen!

Once lunch started with all our guests we were able to relax and, sensing from the atmosphere that everyone was enjoying themselves, we were able to enjoy ourselves too.

Thank you also for accommodating the MGB in the driveway.

I hope you have got the message that we had a wonderful party and a day to remember. Thank you!

Very best wishes,

David & Jane.

Hello Sophie!

25.10.13

Thank you so much for your email and all your help in the run up to and of course on our wedding day itself. We are really grateful for all the help both you and Becky and everyone at South Farm gave to us. I am sure that all couples tell you what an amazing venue you have and we are no exception. I know that our guests loved it and we have had lots of positive feedback about the food!

One thing I did want to thank you for was making my Mum a cup of coffee after it had all been put away. Little things like that make a massive difference!

Thanks again

Hi Becky,

11.10.13

Apologies for the delay in my reply, we're only just back from our Honeymoon. Firstly, thankyou so much for the wedding, we had the most amazing wonderful day and cannot find fault with anything, we had 86 very happy guests who all commented how excellent everything was, from the food to the wine to the truffles with coffee!!! I loved every minute and it was a complete success so thankyou very much for all your hard work.

Best wishes,

Maxine Leech

Hi Helen,

Firstly, both of us would like to say how grateful we are for all that you have done for us in the lead up to the wedding.

Charlotte was fantastic. As you know, the day can be stressful, but we were both made to feel clam and relaxed with the order of the day. Not once did we feel that things had slipped or that we or our guests were being mismanaged. Her professionalism was also balanced with her ability to deal with us on an individual level (after all, I think we may have been a bit of a weird wedding!). She made us feel welcome and cared for.

The rest of the staff were also brilliant, kind and professional. Please extended our thanks to everyone in the kitchen. All of our guests were so impressed with the food. Several people told us that the meal was the best that they had ever had at a wedding. I only wish that both of us could have eaten more!

We'd also like you to say a special thanks to Rob. He went above and beyond to help with the Tardis and we are more than grateful to him for the efforts he made.

We loved everything about the day and the setting of South Farm was perfect.

Also, we would like to recommend our photographer and DJ for your supplier list. They reflect the excellence that is South Farm.

Again, let me say thank you for all that you have done and for making our day so perfect.

Kindest regards,

Rebecca and Vahakn

Dear South Farm

09.10.13

We would just like to thank you all at south farm, our day went absolutely perfect. Everything was even better than what we imagined it would be. The food was excellent and all the staff were so helpfull. Special thanks to Sophie for always being on hand all day.

Again thanks to all

Mandy and Steve Moody

Hello,

06.10.13

Wow it was a perfect day from start to finish. Absolutely everyone was stunned by the beauty of the place. The food was incredible and our close family have said what a credit you were to south farm. You took care of us from start to finish and made the whole day run so smoothly and worry free. We will be leaving such high reviews and talking about the day for the rest of our lives. We cannot thank everyone involved for eloping making our day an absolute dream come true.

Thank you so much

Dear Sophie,

29.09.13

I am writing to say a belated thank you for all your hard work on Sunday 29 September at the wedding of our son Nick Elton and his new wife Naomi.

We received many compliments on how wonderful the wedding was. The venue looked beautiful, the food was great and the staff courteous, unobtrusive and diligent.

You worked very hard on the day to draw everything together so that it all ran smoothly and apparently effortlessly!

Many thanks again. We were all delighted with the way things went.

Best wishes,

Barbara Elton

Hi Helen

28.09.13

Thank you! We had an absolutely fantastic wedding day and it was far better than we imagined!

We had such an amazing wedding day and it couldn't of been possible without the help of South Farm. We were guided through every little detail and it really took the stress out of planning the wedding knowing you had everything organised. The food was superb and the location was perfect. The feedback from our guests (and us) is that it was the best wedding they have ever been to. It was just such a shame the day went so fast!

I just also wanted to pass on my personal thanks to you Helen as you were also superb on the day, always ensuring we had everything we needed. So thank you ever so much.

Best Wishes to South Farm for the future.

Regards

Dear Becky,

27.09.13

I know there'll be a bit of correspondence back and forth in the next few days about final account etc. but Chris and I just wanted to take the opportunity to quickly say what an utterly, utterly, amazing day we had on Friday and to thank you and all the staff for such a beautiful, seamless wedding - including the efforts that you all went to (quite over and above anything I would ever have expected!) to resolve the cheese stack crisis!

We're away until next weekend but we're hoping to try and contact the cheese supplier this week. I think I was copied in on most of the correspondence you've had with them, but if you could just forward on the info that would be great. Also please could you let us know the charge for the substitute stack and whether you will add that to our account or invoice them directly?

Best regards and I hope that your other two weddings this weekend had even half as much fun as we did!

Helene & Chris

Dear Becky

Now that the dust has settled after Chris & Helenes wedding on 27th September, we write to you to express our profound thanks to everybody at South Farm for making the celebrations such a spectacular success. The day could not have been better organised; the food was of the highest quality, the wine was obviously well kept and your attention to detail made the whole event run smoothly. (We only found out about the cheese supplier problem on the Saturday morning!)

South Farm was deserves continuing success, as you all work extremely hard to produce great results for your clients.

Best wishes to all the staff and once again thank you all very much – the day could not have been more successful.

Yours sincerely,

Heinz & Rowena Wehrmann

Dear Charlotte & the South Farm Team

26.09.13

- THANK YOU SO MUCH – Charlotte you attended to our every need with so much care. The team was brilliant and we had a brilliant wedding day – with our warmest wishes

Hi Sophie,

21.09.13

The feedback from the wedding has been amazing!! Hardly anyone at the wedding had heard of south farm so I'm sure they'll be a lot more bookings with the fantastic feedback we have had. It really was such a perfect day and exceeded expectations. South Farm was the first and only venue we viewed as we knew straight away it was exactly what we wanted. I would just like to do it all over again! :-)

Many Thanks,

Natasha

Dear Becky and the South Farm Team,

20.09.13

We would both like to thank you all for making our wedding day such a memorable and special occasion! Everything worked beautifully. The sun was shining which allowed us to get married in the beautiful summer house. To have our loved ones seated on white chairs on a crisp green lawn with the sun shining as we exchanged our vows in the intimate atmosphere of the summer house was perfect! The Tuk Tuk provided a great eccentric twist to proceedings and Steve Bean on guitar playing "Better Together" as we walked back up the aisle was spot on!

So many of our guests commented on the venue and the excellent service. Becky set a new bar for how good customer service can be as she saw to every need and provided complete assurance that everything was going to work out ok. She impressed us all no end.

Thank you South Farm for exceeding our already high expectations! Memories for a lifetime.

Becca and Chris

Dear Philip

17.09.13

We were part of the gardening club from Tadlow, who visited South Farm last evening.

What a delightful set-up, beautiful grounds and a very warm welcome from yourself and staff. "Distinctly Different" is such an apt description. You must be doing something very right as the team seem exceptional in their knowledge, positive attitude and all-round enthusiasm. Andy, Kate and Rob managed to stay very cheerful, and informative, despite the very wet evening.

Thanks to Andy for organising the visit and to the South Farm personnel for making it so enjoyable, and even entertaining.

Yours sincerely,
Gaynor and Brian Roberts (and their friends)

Just wanted to drop you a quick note to say thank you so much for all your help yesterday - you were awesome in just helping make sure everything ran perfectly - it was just such a perfect day for us and I only wish the party didn't have to stop (I've never actually seen crowd-surfing at a wedding before!).

To all at South Farm,

08.09.13

Thank you all so much for all that you have done to make our wedding so wonderful.

Dear Becky,

31.08.13

I would like to thank you and all your team for the fantastic service and venue that South farm created for my daughter's wedding last Saturday.

"PERFECT" is the only way to describe the day, from food to service and the weather that I am sure you also arranged!

Your organising skills that thought of every detail amazed all of our guests and has been mentioned so many times by them.

Kind regards,

(proud father)
Geoff Cash.

Dear Helen,

29.08.13

Thank you for your congratulations! We had a perfect day, it really could not have been better - so thank you all for making it run so smoothly.

It really was a fairy tale Wedding and we're all still on cloud nine!

To all the staff at South Farm,

24.08.13

We had such a wonderful day on Saturday, everyone was so helpful, cheerfully providing whatever was asked for, assisting in every way possible, creating a relaxed and happy atmosphere that added greatly to our feeling of confidence and enjoyment. Nothing was too much trouble and everything was done with such alacrity and willingness we never felt reluctant to ask or felt we were any trouble and that helped us relax and enjoy the day. We knew we had a beautiful venue, we felt assured that everything would be run effectively but it is the personal touch that matters and it was the lovely attitude of every one of the staff whom we encountered that made us feel welcome, cared for and supported throughout our staff.

Sophie was a particular support to Chris & Nicki, calmly responding to every need and orchestrating events efficiently. She did a great deal to enhance their enjoyment by being on hand whenever she was needed, giving reassurance with her quiet presence.

We were looking forward to our Thai Buffet as something different & it certainly lived up to expectations. It looked wonderful and was delicious as was all the food. Our guests were enthusiastic about the food too and loved the whole event, how well run it was yet relaxed, and they were very impressed by the beautiful setting.

Thank you very much to everyone who had a part in creating the whole picture that has made such a memorable impression on everyone who was there, but particularly, thank you for making it a joyful experience for Nicki & Chris and for us and their close family who enjoyed every moment.

With best wishes
Deborah Alexander

Good evening,

18.08.13

Thank you so much for your email.

We cannot begin to tell you what an amazing day we had at South Farm for our wedding. Everything went exactly as we wished and hope for which made the whole day so magical and memorable.

Right from when we got there on the morning of the wedding, we were made to feel so welcome and you accommodated our every need. Luckily the weather held out all day and we loved being married in the summer house. It captivates such beauty and even though the guests are gathered around you, the ceremony still feels really intimate. We also enjoyed having the speeches outdoors around the summer house too before the meal, a perfect way to bring together the ceremony with everyone's kind words.

We cannot fault you on the BBQ we had. Everyone I have spoken to since speaks extremely highly of the quality of the food and how wonderful the arrangement was outside.

Please can you pass on a very special and heartfelt thank you to Charlotte who looked after everyone and everything on the day. We have never felt so special and she included us in every decision there was to make on the day. I know this is something you all do almost on a daily basis but your efforts and kindness go above and beyond what we expected.

I know Ria does a lot of the photos for South Farm, but she really did an incredible job. Just in case you wanted to see, here is the link for our wedding with you.

Thank you so much for your e mail & your warm hearted congratulations!

Apologies for the delay in replying, we were away for a week & this week we've been trying to get back to normal, but to be honest we are still floating from our wonderful day at South Farm! We will be sending you through a more official 'thank you' but we just wanted to get in touch initially.

Thank you also for your patience, kindness & lovely smile on our day. It was a real pleasure to have you there!

Dear Sophie,

09.08.13

I wanted to thank you, as well as Charlotte and all the team who helped put together our special day - it was absolutely everything we could have dreamed for!

We had several comments from our guests remarking on the grounds, the buildings, the food, the staff and how fantastic it all was.

We're currently halfway through our honeymoon in Hawaii, and are still on a high from what an amazing wedding day we had.

Thank you again for a wonderful day, and all of your help leading up to it!!

Samia

Hi Sophie

31.07.13

Sorry for the late reply we had a extended honeymoon and only returned this week.

We would just like to say a huge thank you to everyone at South Farm from all your help from the point of booking right through to the day itself. Everyone was always willing to help no matter how many emails we sent or questions we had.

The day me and Steph agreed was the best of our lives and that wouldnt have been possible without the hard work of all the staff there. Our Event manager on the day (Elina I believe) was fantastic and made sure everything was how we wanted it and worked tirelessly in the background so a huge thank you to her.

All our guests commented on how it was such a lovely place and how good the food was. We will not hesitate to reccomend South Farm to anyone who is thinking about getting married and again just a huge thank you to everyone that helped us have a fantastic day.

Best wishes

Chris and Steph

Dear South Farm

27.07.13

My husband Robert and I would just like to thank everyone at South Farm who were involved in Nikki and George's wedding on Saturday. Everything was just perfect and all the staff were so helpful, attentive and keen to make sure that the young couple had a day to remember. We had numerous comments from guests that it was the best wedding they had ever been to.

We can't thank you enough for making it such a stress free and wonderful occasion.

Best Wishes

Hi Sophie

25.07.13

Thanks for everything you guys did for us on our wedding day; it was absolutely wonderful!

Kind regards,

Dear Becky

24.07.13

Thank you for your email. We had the most fantastic day ever. Everything went as planned and even the sun was out! Our wedding organiser on the day was absolutely brilliant and made sure everything was running smoothly. We are so glad we chose to get married at South Farm. Everything is organised so well and the day was everything we envisaged it to be and more.

It is very difficult to think of any suggestions we could make about the whole experience as it was spot on from the start. All the staff are very knowledgeable in all areas and made helpful suggestions along the way as to how the day would run best. We couldn't have asked for more.

Thank you once again for the most amazing wedding.

Best wishes

Kathryn and Sam

Hi Helen,

19.07.13

We are not long away from disappearing for our honeymoon so wanted to drop you a quick email.

You were absolutely amazing on Friday and we had the best day of our lives. We've had such lovely comments from all our guests about you, the venue, the food, the weather....so we wanted to say a huge thank you. I want to do it all over again! Thanks also for volunteering to babysit: I know that was above and beyond what you should have to do!

Thank you again for all your hard work.

Love, Rachel and Jules Endersby xx

Hi Sophie,

14.07.13

We had the most amazing day and are only just coming back down to earth! We can't thank you enough for your hard work and attention to detail - everything went really smoothly and lots of guests have said how impressed they were with the venue and staff. I will certainly give some more detailed feedback once the dust has settled, but in the meantime please thank all the staff who made our day so special.

Many thanks again.

With best wishes,

Rhona

I would like to re-iterate our thanks to the whole team at South Farm for an amazing day. The level of service you provided throughout was exemplary. What we really liked was that you listened to what we wanted and made helpful suggestions, but we never felt we were being offered a blueprint. We wanted the day to be special, yet informal and relaxed, and this exactly what we got.

Sophie was an absolute star on the day - totally professional and un-flappable. We barely noticed she was there (this is supposed to be a compliment!), but whenever we or our guests needed her, she was on hand and supremely helpful. The bar and kitchen staff were also excellent, as was Helen in the planning stages. Helen worked really closely with Steph from Safe and Sound Mobile crèches to ensure that the 30 (!) children at our wedding were really well looked after.

Keep up the good work and all the very best for the future.

All best,
Rhona and Mark Kendall

Hi Everyone,

07.07.13

We just wanted to say a very big thank you to all of you for helping to make our son Mark and his wife Emma's Wedding so wonderful.

Becky was so very helpful and provided calm professionalism along with friendliness. Unfortunately, I do not know the names of all of the staff who looked after us but they all did their jobs in a friendly professional way; knowing what was required even before anyone realised they wanted it. Glasses and jugs of water were placed around - very much needed on the day with such wonderful weather, we are very grateful to the lady who provided water for us when we arrived. The food was excellent. Children and adults alike loved seeing all the animals. Mark and Emma's guests remarked on how perfect the Wedding and the venue was.

It was a superb day and they are so happy. Thank you for making it even more memorable.

With thanks and kind regards to everyone

Norma and Allan Coates

Dear Becky,

07.07.13

Just a quick email to thank you so much for a fantastic day on Sunday.

Many of our guests said it was the most relaxed and seamless wedding they have attended. We really appreciated your low key prompts on the day and you helped us feel so confident that you had everything in hand.

We also really appreciated how well looked after all the children were.

We couldn't have asked for a better day!

With best wishes,

Thank you so so much for making our wedding day at South Farm (28 June) so incredibly special. From the moment we first visited we knew we were in safe hands. We joked that whatever we asked the South farm response would be 'of course.' WE wanted to thank you for your total professionalism. You were simply great & we'd recommend you in a heartbeat!

Best wishes,
Tiffany Kirlew & Bob Manion

Hi Sophie,

Tiff and Bob are currently honeymooning on a yacht in the British Virgin Islands (alright for some) so I thought I would reply on their behalf, as I know they will share what I'm about to say ...

We had a simply fantastic Wedding Day and a great deal of that was down to South Farm, not only as a wonderful physical venue but also to all the staff, who contributed so positively not only to the day itself but during the lead up to it. With Bob and Tiff being in Washington and me living in the north east of England, organising such a big and complex wedding remotely could easily have become a nightmare (how do you go into a strange town and find the right florist, DJ, caterers and so on?). However, South Farm made it easy, both in terms of your list of excellent 'preferred suppliers' and the expertise, experience and flexibility of your own planners and staff - you were simply great.

I want to make a special mention here of Helen, for her organisation and advice in the 'lead up' and especially to Becky for her liaison and calm management of 'the day itself' - she made us feel very special and unique, on a very special and unique day.

All I can say in summary is, that looking back, we would not have changed a thing (well, maybe the weather at the time of the ceremony itself - although not even South Farm had any control over that!) - the wedding was simply everything we hoped it would be.

Once again - many, many thanks to you all. As I said to Becky - it must be great creating so many wonderful and happy memories for people - memories which they will remember for the rest of their lives.

Kind regards
Tony Kirlew

Hi Philip

25.06.13

I cannot thank you enough for making yesterday such a magical experience. Everything was literally superb; the garden which is exquisite, the kune kune pigs which proved delicious, your welcome, your brilliant kitchen brigade & other staff, the charming house and the food. The lunch was quite outstanding & I shall long remember it. The trouble and skill shown by the chefs was quite brilliant & all matched by the delicious wines.

Your generosity has been really remarkable and I am just so grateful to you and the Napiers for arranging it.

Thank you a million times. I would certainly like to do something one day at South Farm.

With the warmest wishes

Penny

Dear Helen,

22.06.13

Hi Letty

02.06.13

Finally had chance to draw breath after the most amazing & memorable wedding on Sunday.

Please pass on our thanks to Becky & the team who throughout the day were both extremely professional & unobtrusive as well as friendly & approachable(on the rare occasion when we had any queries) Everyone commented on the quality of the venue & food along with the perfect ambiance which meant that the happy couple enjoyed a day which exceeded all of our already high expectations.

As we're also now receiving sight of the thousands of photos taken by both the professional photographer & guests, we've seen some absolutely stunning photos of both the grounds & buildings so please do let us know if you'd like to see any.

Thanks again to all of you who should be justifiably proud of both the beautiful venue but also the wonderful team who make the day so stress free & memorable. We'd certainly have no hesitation in recommending you to anyone considering a unique wedding venue.

Ellie, Guy & of course the new mr & mrs Hussey

To All the Staff,

31.05.13

We just wanted to thank you for making a dream wedding day come true. The venue, staff and glorious weather made it such a wonderful day. A special thanks to Jane for being the most wonderful co-ordinator, the day ran beautifully and Jane's organization and management was excellent. So many of our guests have commented on how beautiful the venue was and also how friendly and efficient the staffs were. Also a huge thank you to Sophie, Letty, Helen and Christine for all your help and support in our planning, your advice was invaluable.

Best wishes

Hello,

25.05.13

I just wanted to take a moment to say what a fantastic experience my self and friends had yesterday. We attend a wedding at south farm on Saturday for Laura and Graham.

We were all in agreement that the venue was outstanding but it was made even better by the friendly, helpful and polite staff, not to mention the beautiful food.

Please pass this on to your staff as I know you made Laura and Graham's day unforgettable.

Claire

Hi Letty,

24.05.13

Thank you so much for your email and apologies for the late reply - we've not long been back from our honeymoon. A much needed and relaxing break :)

Pete and I would just like to say a HUGE thank you to you and to Jane who looked after us on the day and to everybody at South Farm who made our wedding day and the build up to it so amazing and so stress-free. We couldn't have asked for a more fantastic day and even though the weather wasn't on our side, the day was absolutely perfect we loved every minute and only wish we could go back and do it all over again. We have had no end of comments from our guests about what a beautiful venue South Farm is and that the food was amazing and we can only agree with them - it was superb! We will definitely be recommending South Farm to anyone getting married. We also have some fantastic pictures from the day so I'd be happy to post some on your facebook page when we get the electronic versions sent through.

Thank you once again for giving us the best wedding day we could ever have imagined and hopefully we'll be back one day when we re-new our vows!!

Love and best wishes

Hi Helen,

17.05.13

Sorry for the delay replying - we've only just got back from our honeymoon.

We'd like to say a huge thank you for the wonderful day that we had at South Farm. In particular we'd like to thank Becky who was so professional and friendly and looked after us so well - we knew we were in very safe hands and she was a really reassuring presence when I was at my most nervous! I'd be very grateful if you could let her know how much we appreciated her help. Also, the food was amazing and loads of the guests commented on how lovely the location was. We were really delighted that we were able to have the ceremony outdoors. The day itself was fantastic, so thank you to everyone who made it happen so smoothly.

Amy

Dear Becky,

I just wanted to say THANK YOU!! For all you did to make Jack & Amys wedding at South Farm so wonderful.

Jack especially found that you were a very re-assuring presence; and even though you are, of course, involved in a business, it felt as if you cared. Your personal kindness towards us was appreciated.

Please pass on our thanks to all the other people involved in Saturday (May 18th)'s event, especially the woman who chatted to us about the animals and organized Sunday mornings breakfast .

Best wishes,
Emily (Jacks Mum!)

Hi Helen,

17.05.13

Thank you and to all of your staff (especially Jane) for making the day so perfect. It exceeded our expectations and we will never forget how magical the venue was.... We were just so disappointed when we had to leave!! :)

Once again, thank you all for the perfect day. All of our guests were amazed with the venue and I am sure that some will be making a visit to South Farm when they decide to get married!

Best wishes,
Kevin & Nadine

Hi Sophie,

11.05.13

Thankyou for such a wonderful day. The South Farm team are amazing, and I heard later that you'd had to completely re-do 2 of the tables minutes before guests were seated due to my friends having accidents with the oil dishes. Thankyou for making the tables perfect again.

We had so many wonderful comments from friends and family as to what an amazing venue it was. The whole day went like clock-work and your staff went about their business without fuss. I feel very guilty as I can't say I even noticed my plates being changed, nor my glass topped up. Brilliant!

Your flexibility with the weather was great, and I was oblivious to the rain & thunder! Martin and I had a perfect wedding day and are so relieved we chose South Farm. We just wish we could do it all again.

Thankyou again for all your support and attention to detail.

Ali & Martin

Hello there loves

10.05.13

(I know I said I had sent all my emails, but here is one last sneaky one...)

I am in such an emotional blur today I can barely concentrate...

THANK YOU ALL SO MUCH FOR EVERYTHING YOU HAVE DONE TO GIVE US THE GREATEST MOST FABULOUS DAY EVER...

- The guy who drove our guests round and round your grounds in the tuk tuk... which actually ended up being most of our "Big Kid" guests :-)
- The poor kitchen staff who looked completely fed up when I boomed into the kitchen at around midnight, asking for some food because I missed the buffet... I thoroughly enjoyed eating my cheese and biscuits in my pjammies.
- 'Tony'... who I must have introduced myself to about 10 times
- We had put flowers in jars on shepherds crooks down the aisle outside... these were then moved (without instruction) to line the pond, and then when our meal begun, they were put down the walkway into the barn... thank you for whoever moved these, they looked beautiful in both places, and was lovely to have the splash of colour introduced.
- Whoever helped to show our film again in the evening... it was a really lovely touch for the evening guests to see this.
- The delightful waitress at the morning breakfast who found our panne cotta that we had been unable to eat at our meal. We DEVoured these that afternoon. DELICIOUS.

Having our wedding at South Farm was the most incredible experience. We felt completely calm and relaxed the whole day, and this was mainly due to all the communication in the lead up to the wedding, and all the staff actually on the day just mooching about doing their thing, completely professionally, and "in the background".

IT WAS PERFECT!

I seriously do not know what I am going to do with myself now!! I wore my veil all weekend, and I will be wearing my tiara to work all week... It's quite the come down.

Thank you so much for everything Helen. Right from that first meeting with you, I knew this was just going to be spectacular, you are all such an incredible team. So calm, and organised and delightful. You made our day epic.

Thank you,

Dear Letty,

06.05.13

Thank you. And thank you to the South Farm team for making our day so special. Your venue is just so amazing we really were so lucky to find you guys! We've had so many comments on how gorgeous the farm is and people have absolutely loved walking around exploring the place. The gardens looked stunning and our wedding flowers were even in full bloom in your garden (tulips). The weather was amazing and we really could not have asked for more!

I will send some photos once we get them there's a lot of gorgeous photos of the venue which I can tag you in on Facebook!

Thanks again for everything!

Best wishes,

Sarah

A massive thank you to everyone involved in making our wedding such an amazing day! We have received so many comments about the venue, food, service, staff etc & just wanted to pass that onto you.

All you hard work made our wedding day the best we could ever imagine it and everyone else agreed.

So many special memories were made that day & many of which wouldn't be possible without all your staff. Thank you from the bottom of our hearts.

Hi Letty

I have to say the day went unimaginably well. It was fantastic. Lucie and Scott put immense effort to planning the day and your venue and the service of your staff was superb. We knew it would be good but when the sun shone all day also the pleasure meter went off the scale.

Thanks once again.

Best wishes to all at South Farm.

29.04.13

Thank you - we had an absolutely wonderful day and that was in no small part to the great job done by the team there in helping plan our wedding.

We thought the event organizer on the day was fantastic - Becky. She knew absolutely everything that was going on all day and all the little things that we had asked south farm to do for us throughout the day. She and all the staff were amazing with the kids taking time to take them on TukTuk rides and taking them to see the animals. The piglets in the barn were the favorite.

Also the bar man in the evening (we think called Andy) was incredibly helpful when the best man realized he had locked his keys in his caravan.

Thanks again & we will definitely recommend South Farm as a great venue

Regards

Mandy & Simon

Dear the team at South Farm

27.04.13

Thank you for making our wedding day so fantastic! From helping us plan all the details, to ensuring the smooth running on the day, you helped us have the most amazing wedding day! Special thanks goes to a member of the kitchen team who drove our 2 year old nephew to a&e after he tripped and dislocated his elbow – his parents and us are very grateful!

South Farm was such a beautiful venue to celebrate our marriage at, thanks for all your hard work in making it such a special day!

Love from Laura & Ryan Sweeney

Dear Helen,

26.04.13

Thank you so much for all your help and everybody else at South Farm. We had an amazing day, everything was perfect. All the guests loved the venue and commented on what a great day they had - also on how delicious the food was. Just wish I could have managed to eat some of the evening food but I was completely full from dinner.

We are now encouraging our friends to get married at South Farm as we want to come back! We really want to stay in one of the gypsy caravans :-)

Regards

Georgina and Darren

Dear Philip, Gail, Christine, James, Stuart. And all the A Team –

23.04.13

Particularly the Brilliant Chef – for the wonderful day you gave us yesterday. Everything was PERFECTION, and the whole South Farm Experience was simply awesome!

You are all winners in your own way, but the food and ambience was truly on another level – forget the Ritz – you are in a league of your own! Thank you all SO much, with great appreciation – yours truly

Miles & Mary

Dear Helen and all at South Farm,

21.04.13

On behalf of myself and my new husband we want to thank you all very much for the fabulous wedding that we had with you on 21st April this year. From the planning leading up to the event itself every member of staff that we had the pleasure of speaking to made us feel very special and looked after our needs brilliantly. On the day everything went as well, and at some points better, than we could have wished for. The sun was shining which was perfect for our guests to be able to stroll around your beautiful gardens and the grounds looked wonderful so thank you for that. Everyone adored the animals and people keep asking us if the sow has given birth yet! The food served at our wedding breakfast was absolutely delicious and got a host of compliments with the Crème Brule being voted the best people had ever tasted!

The bridal suite is a lovely room and we enjoyed our stay. I got ready in there too and must say it is laid out beautifully with everything one might need to assist a morning of beautifying. Lunch was lovely even if we didn't eat as much as I thought we would! (I'm putting that down to last minute nerves). Everyone loved their rooms and the gypsy caravans went down a treat!

One person was remarkable on the day and made everything run smoothly and that was Becky who ran around sorting out everything in such a calm and professional way. Many people have said how brilliant she was just staying close enough to monitor everything but far enough away to not be intrusive. Any queries were dealt with in a swift and no-fuss manor and often Becky had foreseen where there might be an issue in advance and by the time we asked her about it she had already solved the problem. She was never far away and always had a solution for any moment that we might not have thought about such as the throwing of the bouquet. I hadn't planned where or when to do this and Becky gently advised what she thought would be best and took away any stress that might have arisen. Her manor was spot on as she always listened, smiled and never looked even remotely fazed by any question we might have put to her. Her driving of the tuk-tuk was fantastic and we enjoyed our short drives very much. Becky really was the glue that held the day together and without her I know things wouldn't have been as good so to Becky we thank you from the bottom of our hearts for making our day so special and leaving us with the happiest of memories choosing South Farm as our wedding venue.

We will definitely be recommending South Farm and you have impressed many of our friends so we may even be attending a wedding with you in the near future! Thank you for your efficiency throughout and for giving us the most perfect day!

Best wishes,

Mr and Mrs Stanton xx

Please thank Sophie (our event manager on the day) for us as she was great. Everyone that we dealt with before the day were also very helpful and friendly. The wedding planner document was brilliant and really helped us to plan the day and we knew that if we had any questions we could just drop you an email and we would get a prompt response.

Thank you again!

Hello Helen,

18.04.13

Sorry for the delay in getting back to you, we only got back from honeymoon on Monday morning and then it was back to work on Tuesday!!! bit of a shock to the system.

The day was amazing and we cant Thank you all enough, Becky and Charlotte were amazing all day long and everyone so professional and helpful. I don't think i ever saw a empty wine bottle or anyone who needed anything. Everyone has commented on how amazing the day was and also the venue. The pig also went down a storm , although it was a bit odd eating a pig and wishing the pregnant one would have her babies!

Once again Thank you so much to everyone - it was the best days of our lives! i wish we could do it all again.

Thanks again

Sophie

Hi Helen,

08.04.13

Thankyou so much for everything on the day. We cannot fault a thing. Danni and I have discussed everything and we both felt the entire day was seamless. We felt you met everyone of our needs without being overbearing at all. We felt like we were at home and having you popping in and out ment we could relax and enjoy the day. Nothing could have been better. From the moment we came for a look around, to the planning meeting, to all the little changes to our package. Then the day itself and being made to feel like princesses on our special day. The venue was beautiful, nothing was too much trouble for any of the south farm team. The food was so amazing and our guests raved about it! The children had amazing fun in the grounds. And the finishing touch was being able to go back to our bridal suite after and not have to worry about clearing anything up the next morning...all we had to do was load up the cars and enjoy our breakfast. I hope you continue to touch peoples lives in the way you have ours...our wedding was such a special day because of the amazing venue, staff and food. I could go on and on all day long...please feel free to quote my email in any publicity or we would be more than happy to write a review for you all.

Thankyou so much...you do a wonderful job and from the bottom of our hearts the most sincerest thankyou for making our dream wedding come true.

Dear all at South Farm,

I just wanted to write to say what a wonderful evening we both had on Friday.

It was incredibly helpful even though now we are terribly confused! But it was great to try the food and drink & help us eventually decide!

It was also lovely to see it full of people & has given us a real feel of how our wedding will be.

We are both very excited!

Many thanks again,

Kate & Phil

Hi Christine

I just wanted to say thank you to you and your team for a fabulous evening on Friday. Such wonderful food! I don't know how we're ever going to be able to choose!

I was very impressed with the food and more so with the service and kindness of the staff. It was especially lovely for me to have everyone so welcoming and helpful as I was monstrously jet lagged and feeling rather rubbish!

We are so excited about our wedding at South Farm, it's such a beautiful venue.

Thanks again, see you soon for our planning meeting

Kristy

Good afternoon,

We thoroughly enjoyed all the food presented and left with very full stomachs, it is a real testament to your entire catering team.

Thank you once again.

Hi Sophie,

01.02.13

Thanks for your email. Everything went brilliantly on the day, many thanks to Helen and all for ensuring things ran smoothly.

Thanks

James

Hi Sophie,

20.01.13

We really had such a wonderful day and you all did a fantastic job. Everything ran like clockwork and I felt that Nick and I could just relax and enjoy our wedding without any worries. It is clear that the staff are all very experienced with weddings and I can see why you are so popular. It is such an incredible venue, and looks magical at any time of year. I will certainly be recommending it if anyone asks!

What I especially liked was how quickly you turned the Old Diary around while we were having a group photo taken outside. Also, the barn was very very cosy! I was worried that I might be a bit cold which is why I was wearing my fur but in the end I took it off as I was so lovely and warm. My mother and mother in law get very cold easily so I was so pleased that they were also comfortable.

The food was delicious and exactly how I expected it to be; well presented without being pretentious and very homely.

We can't recommend South Farm highly enough and it was just a brilliant day that we will never forget. Thank you so much for all your help on the day, and I will be sure to post some pictures on your facebook page!

Best Wishes,

We would like to thank you very much for exceeding our already high expectations and for your wonderful work yesterday. Our day was perfect and the attention shown by all staff was just the right level. We'd like to specifically mention Elina, who coordinated and ensured everything went smoothly.

We would unhesitatingly recommend South Farm to any couple looking for a venue and would also like to thank Philip for opening his home to us.

Many many thanks

A belated thank you for everything you did to help give us the best wedding day on January 12th. We had the most fabulous time – the food was excellent and Helen you really ensured everything was calm and flawless on the day. We have had so many lovely comments about how amazing the venue was and how helpful the staff were, so thank you so much for making such a special day so perfect!

Hi Helen

Thank you for your lovely email. We are now in Bath having a rest for a couple of days after SUCH an amazing day and an excellent time at South Farm. A lot of this was down to your calm and organised influence on the day and nothing seemed too much trouble. So many people remarked to us how organised SF was and specifically, and you in particular. We will thank you all formally, but please let the chefs know the food was AMAZING!

Thank you for making our day so magical. You couldn't have done more to help when we have to bring it all forward due to Mums illness! We wish we could do it all again!

Lots of love Caroline & Naomi Ingarfield xxx
