

THANK YOU'S FROM WEDDINGS & EVENTS IN 2014

Hi South Farm,

31.12.14

I just wanted to say a massive thank you from both David and I to you and everyone at South Farm.

From the very beginning the whole team at South Farm have just been amazing and I cannot thank you enough. This was, of course, our first time planning a wedding but the team at South Farm made everything so easy. The planning did get quite stressful at times, but I can honestly say that at no point were South Farm anything but helpful and accommodating.

Everything on the day was perfect and it was fantastic not having to think or worry about anything as we knew we were in safe hands. The team were amazing and we just had so many compliments from family and friends about the venue, I can't even begin to count them all! Best of all was the food. Every single person we've spoken to said it was the best wedding food they've ever had – and we have to agree with them. All the team worked so hard to make our wedding day perfect, and we really couldn't have asked for any better.

I'd also like to say a special thank you to Letty, who was incredibly helpful all day and really went all out to make our day absolutely magical.

Thank you all so much

Sarah and David Dundas

Hi there Becky,

30.12.14

Thank you for your lovely email, our day was magical, everything we ever imagined it would be and more. Myself and Craig cannot thank you enough for everything you done for us, you completely took the weight of everyone's shoulders and went that extra mile to make our day perfect.

The master of ceremony hasn't stopped telling me how fantastic you were and how on the ball you were with everything, the 3 ladies who helped set up the barn for the wedding breakfast have also been singing your praises.

Thank you for the bottle of champagne that was left in our room and for our own little cheese board and wine, that really was the most amazing touch, we hadn't got to eat much of the evening food so that really was heavenly.

There was a young girl working the day of the wedding, she was brunette and she also served us breakfast the morning after - could you please thank her for us? She was there from when we arrived at 10am that morning and was just so helpful throughout the whole day! We really appreciated everything she done to help.

Thank you again Becky

With well wishes

Mr and Mrs Turner

Dear Becky,

29.12.14

Thank you so much! We had the most wonderful day! I enjoyed every second. All of the guests were amazed by the beautiful venue, it really was as perfect as it could have been. South Farm was the only wedding venue we looked at. After going to some other weddings and seeing yours, I knew it couldn't get better than South Farm.

One of the other reasons we chose South Farm is not just because of the good reviews and the stunning grounds but also the sustainable approach you have to food. My partner and I are both veggie and your menu options were miles ahead of any other venue I looked at when catering for vegetarians. The food was excellent.

Our wedding planner on the day was so helpful, she was utterly brilliant! And everything when perfectly to plan (and it if didn't I wasn't aware of it at all)! Thank you for letting us be flexible about the order of our day, our guests absolutely loved the flow of the day because our photos were taken in the morning before the drinks reception and we were with everyone all day!

Anyways, as I said, it was a truly exceptional day and I'll be sure to give you 100% positive comments on the internet. I don't usually review things but I was/am still completely overwhelmed by how organised and fantastic your truly unique venue is. And all of the service from everyone was just incredible!

Thank you once again for a wonderful day and all of your help!

Best wishes,
Charlotte and Matthew

Hi,

28.12.14

Thank you so much. Our day was absolutely magical and your staff were amazing. The food was the best we ever had and had countless conversations about the high quality of the food, venue and how well everything had been organised.

Thank you for everything once again.

Mr and Mrs Lightfoot ☺"

To All at South Farm (particularly Becky and Elina),

12.12.14

Thank you all so much for such a wonderful day on Friday 12th December when Eve and Cei were married at South Farm. It was truly magical day made all the more special by the unobtrusive but expert management and smooth running of the whole event.

Our guests were so complimentary about everything; they loved the setting, the food and the whole ambience of South Farm. I cannot find the words to express how grateful we are to you all.

With our kindest regards,

Richard and Pen (Eve's Parents)"

To the whole South Farm team,

06.12.14

We would just like to say a huge thank you for helping us to have the wedding we dreamed of at South Farm on 6/12/14. From our very first appointment to have a look round we were completely sold on the charm and beauty of your unique venue and we were never disappointed. The individual and tailored service that we found on that very first appointment where we were not made to feel like 'just another couple getting married' continued through the whole planning process and day itself. We felt very special!

All of our friends commented on how calm we both were in planning our wedding and I put that mainly down to the professional, efficient and understanding wedding planners at South Farm. I think during the process I had email contact with nearly all of the different planners and the quick and helpful responses from each and every person made the whole process so much more manageable. I also found all of the wedding planners extremely patient with any tiny query and was never made to feel like 'bridezilla' even if I was acting that way!!

On the day of our wedding I can honestly say we did not worry about a thing. Jane was incredible. She was discreet but kept the day running like clockwork. The day was perfect in every way for us and I could not have asked for anything more from the team at South Farm. All of our guests commented on the truly beautiful food and the stunning venue...so much so that one of our guests sons is now getting married with you in April 2016 and we could not recommend you highly enough. It was also the small things like the bridal suite being so perfectly turned out for us at the end of the day and wonderful bottle of champagne left for us. No stone was left unturned and it was also so very gratefully appreciated.

I know it always good to try and give any constructive feedback for ways to improve but we literally do not have any. I can honestly say we could not have asked for more from the whole team and you truly allowed us to have the day that we both dreamed of.

So once again, thank you all so very much,

'The Spongs!'

Dear Alli and all at South Farm,

29.11.14

Thank you so much for making our wedding on Saturday so utterly perfect!

Alli, you were absolutely fantastic all day. Thank you for all your help and advice.

We loved every single minute of the day!

Many, many thanks once again.

Anna & Adam Xx"

Hello Sophie,

21.11.14

Our wedding was absolutely amazing and we can't thank you all enough in particular Jane our event manager. She was a tremendous help on the day and was there when we needed her and discreet when we didn't which was what we needed. Please do pass our thanks onto her.

We are so pleased that we chose you to host our wedding and we would happily recommended you to other couples.

Many thanks again for your help

Kind regards
Mr and Mrs Watling!"

Hi Sophie,

15.11.14

We had a lovely day and wanted to thank all of your staff for making it so special. In particular Becky did an amazing job to ensure the day ran so smoothly and was a massive help to both of us. That said all of the serving and bar staff were brilliant and we heard a number of very good comments from our guests. Also a quick mention for all of the kitchen staff as we thought the food was exceptional. A large number of our guests spoke to us and told us how amazing they also thought the food was, many saying it was the best they'd ever tasted at a wedding.

All in all we felt the day couldn't have gone any better and we have loads of wonderful memories.

Many thanks for all of your help in the lead up to and on our wedding day. All the best for the future.

David and Lizzie

Hi Sophie

14.11.14

Everything was absolutely perfect, the venue, the food, the staff. It was all awesome.

So many of our guests commented that it was the best wedding they had ever been to.

The only down side is we can't do it again!

Thanks

Tom

Dear Alli

Dear All

31.10.14

Could you please pass our thanks on to everybody that was involved in making our day so amazing, especially Jane as I know she did so much running around, the kitchen staff as everybody has commented on how spectacular the food was and couldn't believe the amount available, the bar staff, cleaners and anybody else involved. Not forgetting the young gentleman that brought the pig to show us that had been born on the night of our wedding. We felt everybody goes out of their way and that extra mile to make it so special.

We can't thank you all enough our day was far more than we ever imagined it could ever be and we will always be grateful for all the invaluable advice and support that you all gave to us from our very first visit to the end of our wedding day.

Dear Sophie,

25.10.14

Thank you for your email and for a brilliant day, we had a fantastic time. All of our guests commented on how beautiful the venue was and they were particularly impressed with the hog roast, as were we, it was delicious! We would like to thank you for your flexibility regarding the ceremony; being able to get married outside in the brilliant autumnal sunshine really made the day.

Kind regards,
Lewis and Julie

To absolutely everyone at South Farm for making the marriage of Julie Southall and Lewis Collins such a wonderful occasion. Everyone was so pleasant, kind, helpful and efficient – and so unobtrusive it seemed things happened by magic! Congratulations to you all, and thankyou.

Dale and Janet (parents of the bride)

Hi

We were incredibly lucky to have such a beautiful day for the wedding and Becky went above and beyond to ensure that our day ran more than smoothly.

We had the most amazing day at South Farm and would do it all again (minus the planning!).

Thanks
Deborah & Hernan

Hello Philip and Becky,

19.10.1

Thank you again for creating for our daughter Deborah and Hernan and our family and all our guests a most wonderful day which we will always cherish particularly with the photos ,videos and memories.

As you said in your email the atmosphere created by everyone was happy, vibrant and extremely positive.

The venue is so unique which in itself creates this amazing atmosphere blended with the delicious food that was enjoyed by all the guests, topping it with the banqueting hall that had all the qualities that the group needed to give everyone the enjoyment of best quality music for the dancing.

So from the moment we arrived at South Farm the families and the guests were treated to a special atmosphere which we believe could only be had at SOUTH FARM.

Thanks once again and we are very glad we choose your venue.

Regards, Janet & Peter

Dear Sophie, Becky, Philip and all the rest of you Amazing guys at South Farm... 16.10.14

Well, what can we say... other than THANK YOU all so so so much for making our big day so special. We couldn't have been happier with how it went. Not a hitch, apart from the cake subsiding a little, we absolutely loved it. We had so many positive compliments and we feel sure everyone had as much fun as we did!

We cant thank you enough for all you did. South farm is not only an amazing venue it is also so professionally run. Sophie, you absolutely smashed it! Thank you for being there and keeping everything running so well. The food was delicious, drinks kept flowing and all was kept to time!

We got back from our honeymoon yesterday and the whole two weeks has just been an amazing, amazing time.

Thank you so much again! We shall be recommending South Farm very highly to anyone who asks.

Steve and Char :) xx

Hi Sophie & the rest of the South Farm team! 12.10.14

We're just on our way back from our "mini moon" in Devon. We still can't get over what an amazing day we had at your beautiful venue.

Thank you Sophie for supporting us in the build up to the big day. And please pass our thanks to Jane who was an absolute godsend on the day. She was so helpful and clear about everything, she told me exactly what to do and when, it was like I was already married :D. Joking aside, she really made the day flow so easy, thank you.

The food was absolutely top notch, our thanks to the kitchen, and also the bar staff who were incredibly helpful.

What else can I say other than it was perfect, I still can't stop smiling, not just because I have a beautiful wife, but just because it was an amazing day. Our guests were so impressed with everything and we're so proud to have been able to share the day with them. There was a wonderful atmosphere, the rain held off, and I think Steve the guitarist and Dean our DJ had a great time too!

Once again, thank you so much! I look forward to the day one of my friends get married so I can come back!

Lots of love,

Mr & Mrs Clare

Thank you the wedding was an amazing day and we really found everything ran so perfectly we couldn't have asked for more.

Much appreciated, Kelly

Hi Sophie!

26.09.14

We really can't thank you enough - the whole team did such an incredible job and we just glided through the day with massive smiles on our faces!

In particular I really would like to thank Ally - she was a step ahead at every stage and I think the reason the day ran so perfectly was because she was at the helm. She was very calm, ridiculously organised and really helped make our day perfect.

Please thank everyone at south farm for us - including the chef- every single plate was clear! We had a lot of comments on how good the food was. It was the best day of our lives and everyone there helped to play some part of it.

We will absolutely be recommending south farm to friends.

Thank you all so very much,

Jo and Jasper Mann xxx

Dear South Farm,

Dan and Tash Moran

We had a perfect day; thank you so much to all the staff.

22.09.14

The food was amazing, and everyone commented on how lovely the venue is! Especially sitting outside by the back of the old dairy with coffees & macarons and just a couple of close friends at sunset - so relaxing... A moment of calm and to let the ceremony sink in, before the "party" started.

All the best,

Mr & Mrs Jackson

Hi Sophie

21.09.14

I just wanted to thank you for such a fabulous day. I loved it. Everyone commented on what an amazing venue SF is and how good the food was. It all went so smoothly. And thank you for answering ALL my questions so quickly on the lead up.

Sad it's all over.

To Elina and everyone at South Farm,

14.09.14

Thank you so much for the most fantastic day of our lives! Your venue is truly beautiful, but it is the quality of your service that made our day so perfect and special. I cannot believe the high level of quality and service you provided for our wedding breakfast. Having great food at our wedding was a priority and you certainly didn't let us down. The comments we received from all our guests was that the food was amazing and 'the best food they've ever had at a wedding!' The day ran seamlessly thanks to Elina who was so calm and lovely in organising our day. We honestly cannot fault any aspect of the day. From our arrival, our drinks reception, the canapés, the Pimms, the beauty and cleanliness of the entire venue, the ice cream, the service, the staff, the evening bar staff and evening buffet. We even appreciated having all our presents and gifts put in our room. It's these simple things that make all the difference. Your service is fantastic and really should be commended.

We will certainly recommend you to all our friends, colleagues and customers.

Warmest thanks to you all, Sam and Chris Xxx

Dear Sophie

Firstly let me say how fantastic the wedding was on Sunday. You did a fabulous job. There were so many comments like, "this is the best venue I've been to" and even "this is a really posh wedding"! Every one commented on the food and I echo that, it was fabulous. I cannot fault your service and the friendliness of the staff.

Kind Regards

We had the most amazing day, it went so smoothly and I can only put that down to the efficient staff running it on the day. The planner Becky, was so prepared and did so well to ensure we had nothing to worry about. Many of my guests absolutely raved about the venue and especially about the food, some saying it was the best food they'd had and the best wedding they had been to!

Once again I am very grateful for your team ensuring I had the best day of my life and for giving my guests an amazing experience.

Hi Sophie

23.08.14

Thank you for the most incredible wedding day, it was the best day of our lives! It was all the more special for the wonderful people at South Farm who made it run without a hitch, served spectacular food (guests quoted that it was the best wedding meal they'd ever tasted), and allowed us the freedom to make it the awesome party we were hoping for. Thank you so much.

Many thanks again for giving us a day to treasure forever.

Hi Helen,

13.08.14

Thank you very much to you, Becky, Christine, Alli and all the South Farm staff. (Particularly Alli on the day; she was always there to let me know what was happening next but she never interrupted me talking to my guests.) And thank you to whoever took all the decorations down from the barn and left everything neatly packed up on the bar. The day ran so smoothly and we had the best day imaginable! All the guests were bowled over with our choice of venue and we were so happy that we chose South Farm.

Hi Sophie,

09.08.14

We're just drinking tea in Bolivia!

Our day was truly perfect, we loved every second and our guests kept commenting on how amazing a venue South Farm is. A huge thank you for all of your hard work in the lead up to the day and thank you to all of the staff who ensured everything ran smoothly on Saturday.

We'll definitely give more detailed feedback when we return from our honeymoon but, just too briefly say, we were completely overwhelmed by everything and really appreciate the hard work that went into making it so special and personal.

Thanks again, very best wishes,

Gabby & Pete

Hi Sophie,

08.08.14

Thank you, we both had an amazing day at South Farm and have had so many compliments from our guests regarding the place.

The only feedback I have is that it truly was an amazing day and everyone was well looked after. In the lead up to the wedding all the South Farm team were very helpful with any of my *many* queries and we enjoyed the Tasting Evening, open days and being able to pop to the venue in mornings for showing some of our family around. On the day itself everything was well organised and Becky was very helpful showing us what we all needed to do, particularly during the ceremony. The food was all amazing. The only critique we have was nothing to do with South Farm - we didn't get chance to taste all the canapés, the ice cream from the cart or the truffles and macaroons and the day went way too quickly :-)

Best regards,
Zarah and Glenn

Dear Sophie,

04.08.14

Please thank all at South Farm for a wonderful day - we are still on cloud 9!

Couldn't have asked for a better day and we are recommending your venue and team to everyone we meet and all our guests were so impressed!

Thank you for all your hard work to make our day so special.

Thank you again!!!! Laura and Dan

Hi Sophie,

01.08.14

I know my husband (!) has been in touch briefly but I wanted to say thank you again to you personally and everyone at South Farm for an unforgettable day. You were such a calming influence and everything ran like clockwork, a credit you and your wonderful team. We fell in love with South Farm on a cold Easter Day and it exceeded all expectations for the actual wedding. A special, special place!!!! Amazing food and service in such a beautiful setting.

Thank you so much,

Kind regards

28.07.14

Just wanted to say a big thank you for your (and the team's) help with our wedding. It was an absolutely perfect day. Alli was brilliant, everybody had a great time and the set up for Safe and Sound was spot on. The kids loved the activities on offer and the parents enjoyed not having to look after the children! :-)

I've had lots of positive comments and everybody was amazed with the venue.

Thank you for making the whole thing painless and an absolute joy.

Regards

Teresa

Dear Sophie and all staff,

27.07.14

Thank you for giving us a spectacular wedding day for our daughter Laura to Chris. Your attention to detail, warmth and friendliness throughout the day and night was amazing. Everyone absolutely loved every aspect of the day and your wonderful venue is so delightfully diverse whichever path you choose to wander. Arriving in the tuk tuk was so romantic followed by the glorious setting of the summerhouse ceremony with ducks dabbling and dragonflies swirling will remain in their and our memories for a long time to come. The food was scrumptious and each course brought wows of delight from all...so yummy. The children were so happy too and embraced the gingerbread men the moment they sat down, definitely a 'child pleaser'. Staying in a luxury gypsy caravan was so awesome too!! Waking to the pigeon chorus and mingling with the campers and hammock sleepers the next morning completed a very memorable and magical wedding day for all.

Thank you all once again
Liz and Chris Hewett

Hi Sophie

24.07.14

Thank you for your email. We had such a fantastic day at South Farm, we knew it was going to be amazing but it even exceeded our high expectations!

Everything ran so smoothly, we felt very relaxed and so well looked after. All of the staff throughout the process of booking, planning and on the day were absolutely brilliant - so helpful, friendly and professional. Alli on the day was great. She even had to be a first aider!

Thanks for everything

To all at South Farm,

23.07.14

I wanted to let you know that we had the loveliest day at South Farm for Tom and Nikki's wedding. The location and planning were impeccable and your staff were so helpful and jolly but unobtrusive.

Many members of the family and friends were knocked out by the whole occasion and we'd like to extend our wholehearted thanks.

Yours sincerely

Sally McGrath (Tom's Mum)

Dear everyone at South Farm,

21.07.14

We just wanted to email you with the biggest thank you possible- we had the most perfect wedding day at the most perfect wedding venue. Everything went off without a hitch and we both felt everything was under control at every point during the day and night- so no stress for us, only sheer joy. The garden ceremony was exactly what we dreamed of, since we first visited South Farm last summer, and the food and drink truly second to none (Rory is desperately trying to recreate your focaccia bread!)- So many people have commented on the quality of everything. Part of me is a little sad that we won't be returning to South Farm now... but here's hoping we get to attend another wedding with you at this very special place.

Our photographer was also blown away by the venue and took some stunning pics of the day.

Thanks again for everything and all the best for the Autumnal wedding season!

With love from, Jenny and Rory xxx

Dear Alli,

20.07.14

Thank you so much to all the people (and animals) of South Farm for their amazing support and professionalism throughout the entire process of planning our wedding and on the day. All the staff we came into contact with worked tirelessly to reassure us, take things off our hands and ensure everything ran smoothly - including the things we had forgotten to think about. A special thanks to Alli who is not only the most fantastic event manager but clearly an expert in tact and diplomacy.

We had such a wonderful day and could not have picked a more idyllic venue for our wedding; from a beautiful ceremony in the lush garden with ducks playing in the pond on a hot July day, to the colourful summer meadows surrounding the farm and a wonderfully charming romantic barn for the party in the evening. We feel so lucky to have been able to have our wedding at South Farm, our guests kept saying it was like something out of a movie and quite a few said it was the best wedding they had ever been to, I've no doubt the location had a big part to play in this.

Thanks again for all your fantastic help on the day ☺

Kind regards,
Jo

19.07.14

Thank you so much to all your staff for making our wedding such an amazing a wonderful experience on Saturday.

Everything about the day was fantastic, and Jane (it was all so great I hope I didn't get her name wrong!) our host was absolutely amazing.

We had an amazing day and everyone commented on how beautiful the venue was so thank you so much for helping make our most special day even better.

Hi,

27.06.14

My husband Nik and I wanted to drop you an email to say a massive 'THANK YOU' in regard to our wedding which took place on Friday at South Farm.

Absolutely everything about the day was perfect and that can in the most part be attributed to your role in the day. Everything from the beautiful setting, venue and the care from all the staff made our wedding spot on, even the weather was on our side right up until we needed to go in for dinner. The rain however worked perfectly to get everyone inside quickly! :)

I also wanted to say a special thank you to Sophie whose calm exterior and lovely manner made the day an easy pleasure for everybody involved!

All of our guests were as impressed as we were when we first looked around and were sold on the venue. You have a very beautiful, special place which made our day PERFECT.

Today it feels like a dream, everything just went by so fast. Thankfully we have a lot of pictures to prove it happened!

Anyway, thank you again for everything.

Lots of love

Anna & Nik xx

Hi Alli,

We had a fantastic day, everything was so perfect and we are so grateful to you all for giving us the most perfect day! Sophie in particular was a STAR!!

I really cannot speak more highly about the venue, all our guests agreed how magical it was and as soon as I have internet I promise to visit your Facebook and share some photos and thoughts. I quite want to get married again just to be able to experience the whole day at yours again. We might have to renew vows in 10 years' time! Lol.

To all the staff at South Farm,

21.06.14

Thank you so much for making our special day run so smoothly, allowing us to concentrate on enjoying the celebrations fully.

Everything about our wedding exceeded expectations and that was in no small part due to you. We couldn't have asked for a more perfect venues and your service throughout the whole experience – planning right up to on the day was amazing.

20.06.14

Just wanted to say a quick thank you as 'mother of the bride' for Jess and Dom's wedding in June.

What a fabulous day- the one word on all the guests lips was perfect- perfect venue, perfect organisation perfect food, perfect gardens and a perfect day. Your events organisation was second to none and I speak as one experienced in events management. I think it was Sophie who supported our party and she was professional, calm and unobtrusive- perfect in fact! I have raved about South Farm and the amazing day we had to anyone who will listen.

With warmest thanks,

Ann Crago

Hi Becky,

18.06.14

Firstly we both want to say what an absolutely fantastic job you and the team have done for us, every single member of staff has been incredible from the planning stages right through to the end. Simon and I are blown away by your level of professionalism and the energy you put in to make our day so wonderful. We really didn't feel one of many weddings, you all made our day feel very special. A massive thank you to everyone from us!

Our guests were also blown away by South Farm and how beautiful it is and how delicious the food is. People were commenting all day what a wonderful venue it is and how perfectly suited to Simon and I it is.

We will most defiantly upload some photos on the Facebook page when we get chance, of course with a glowing report. The only thing we are sad about is the fact that we won't get to spend any time at South Farm from now on! Although I think maybe next year we will come and visit the gardens.

Thanks again and take care

Love from

To the lovely people at South Farm,

Thank you so much for making our wedding day such a perfect event! The venue was beautiful, the staff wonderful (particularly our lovely planner Letty) and the day was literally, for us at least, the best one ever! Our guests had a wonderful time and couldn't be more complimentary about the whole experience.

Choosing South Farm was definitely the best thing we could have done – we recommend the whole experience to anyone.

Lots of love

Hi Sophie,

Thank you so so much for all the help with the wedding, and thank you to all of South Farm for hosting the wedding. It was quite possibly the best day ever. Everyone said how nice everything was, and Phil and I just couldn't stop smiling. Everything was perfect and we don't think it could have gone any better if we'd tried, so thank you for that.

We're over the moon with everything and very grateful to South Farm for making our day so perfect.

Kind regards and best wishes to you all.

Hi Helen,

29.05.14

It was like a dream, just amazing and perfect, everyone just loved South Farm and haven't stopped talking about the venue and the piggies!! I think most people wanted to take the little one home!

We had an amazing time and we would like to thank you from the bottom of our hearts for all the hard work you and the team on the day put in. Becky was so helpful and professional, she really put us at ease that everything was running perfectly. I really cannot put in to word how happy we are and that we have started our future with such amazing memories! I feel emotional just thinking about how great the day was.

I really hope you open the gardens again next year so we can come and celebrate with afternoon tea with you for our anniversary.

THANK YOU FROM THE BOTTOM OF OUR HEARTS!

Mr and Mrs Pollock... (lol) xx

Lucy Pollock

Hi All at South Farm

My Daughter, Lucy Pollock (nee Tricker) had her wedding at your lovely venue last Thursday (29 May). Obviously, it was a very special day for us, but made much more so by holding it at South Farm. While I am aware you are a very professional business set in an ideal setting, the friendly and efficient way you went about making sure we all had a fabulous experience was really appreciated.

Becky (forgive me if that is incorrect) the events Manager was brilliant, discreet, but always available and organised. She is one of those gifted people who have an infectious confidence, helping to keep everyone calm in moments of emotional, nervous, and excited situations. (Such as weddings)

The food was superb, my compliments to the chef and staff. The service to the tables was spot on and most noticeable, was the lack of visible staff, but who were always there when required and obviously working hard in the background and behind the scenes to make it all happen.

The venue itself, has I presume had loads of compliments, and rightly so, it is a beautiful place. But again it is obvious, it is not by accident, it is immaculate. Everywhere is clean and tidy but still retaining a natural look.

I know we paid a fee for a professional service, but we were all made to feel special on our special day. You cannot put a financial value on the warmth you and all the staff at South Farm provided.

Thank you all so much, and I wish you all continued good fortune for the future, you have certainly helped to leave a memorable mark on lives.

Kind regards

Clive Tricker

(Farther of the Bride)

Hi Becky and Philip,

25.05.14

Alice and I are just about to board the flight for our honeymoon, but we couldn't leave without saying a massive thank you for hosting us for the best day of our lives so far. I know you must hear this all the time, and it is a credit to your wonderful staff and organisation that you do, but our wedding on Sunday was just perfect. Every little detail was taken care of to perfection and the day ran so smoothly. All our guests have been saying how wonderful they found South Farm too.

Thank you for allowing the Apache fly past (still can't get over that!!!) and for being so accommodating with the band and The Magnets.

I really hope we can see you again someday to say thank you in person.

Once again, thank you so very much.
All the best, Nic & Alice Xxx

Dear Becky

I know it is all in a day's work for you but I want to say a personal thank you to the whole team at South Farm for our magical day on Sunday

The entire experience - from a church service full of sacred music including a choir of Alice and Nic's friends, to the reception with an unexpected experience from the Apache, to a superb dinner and then entertainment - was a complete joy. It was great to see Philip on the dance floor for most of the evening and that added to Alice and Nic's pleasure!

The team at South Farm are professional, expert and unobtrusive. All our guests pronounced the whole day a perfect wedding. True, we were blessed with the one fine day of the week (what luck) and the most fabulous venue. But much of the atmosphere was down to the relaxed approach of Nic and Alice themselves for whom it was the day and their guests who were important not the little things that might go wrong. This meant of course that no hiccup could spoil the event.

May I also thank you for taking such care of Linda who is now safely back in Lancashire although still not well.

My huge gratitude. Please pass our thanks to all the staff and to Philip himself. We hope he enjoyed The Magnets too!

Celia

22.05.14

Thank you so much for helping to make our day so special on Thursday! It was amazing and everyone at SF was brilliant- from the Tuk Tuk driver giving wet rides round the garden, the Bar manager who averted a music meltdown and the catering team that cooked up some amazing food and the tastiest hog roast I've ever had!

Thank you for running around after us all day and trying to keep everything on schedule despite the brides best efforts to sabotage this!

Everyone there had a wonderful time by the sounds of it and were blown away with the setting and team there.

Thank you once again,

Kind Regards,
Louis

Hi Helen,

28.04.14

We both just wanted to say a MASSIVE thank you to everyone for their efforts on our big day! We had the best, most amazing day and our guests are still talking about what a great time they had :) So many compliments on the venue, food (especially the white chocolate brownie, which was to die for!) lovely staff and of course the piglets and peacocks who I think might have stolen the show a little ;)

Please could you pass on our thanks to Jane, she really was so amazing to have around on the day and ensured everything ran smoothly. Absolute star!

Thanks again for all of your help. We would do it all over again if we could and would absolutely recommend South Farm to everyone we know :)

Best Wishes,

Mr and Mrs Webb x

Sophie,

27.04.14

We would like to thank you and your staff for everything you did on the day as everything went perfectly and both ourselves and the guests had an amazing time so thank you all for helping make it such a great day for all of us.

I have no negative feedback as everything went perfectly so have nothing but praise for all of the staff throughout the day as nothing was too much for anyone, from allowing the tuk tuk to be put in the courtyard for the fancy dress, to adding an extra table for the evening guests and allowing the money owed through vacant guests and not getting married outside to be used for our bar tab, everything went brilliantly.

One final thing, we would like to thank you personally for handling everything on the day as we think you did a brilliant job and ensured we didn't have to worry about anything all day so many thanks for being very good at your job.

Lots of thanks

Steven and Deborah

Hi Becky,

19.04.14

Thank you for your well wishes. We are still basking in the post-wedding glow, despite having both gone back to work on Tuesday!

We were completely thrilled with how the wedding turned out and we cannot praise your staff enough. Our guests all commented on how fantastic the venue was, particularly the gorgeous gardens and the wonderful food. Sophie, our planner on the day, was also fantastic! At one point in the day, my cake lady hadn't arrived (she was at this point a couple of hours later than she'd said she'd be) but Sophie didn't alert me to this but made a call to her herself and checked on her arrival. It was so lovely that she had the initiative to do this without worrying me with any potential problems- I really appreciated that!!

Thank you so much for helping to make it such a special day for us. If we could do it all again we would and we wouldn't change a thing. We will certainly be recommending South Farm to any other couples we know as we would love to come back and experience a wedding with you as a guest!

Many thanks again!
Abby & Craig

Dear Owners,

The wedding went seamlessly and it was a delight to be there.

Wishing you the best of luck with all the future events this year.

Yours,

To all the staff at South Farm

17.04.14

To the wedding planners, the wait staff, the chefs, the cleaners, the management, the farmers, and all had input for our amazing day.

4 years ago I was looking through a wedding magazine for venues for my best friend's wedding; I saw the advert or south farm, the picture of the couple standing in the summer house. I clocked it there and then and said I am going to get married there.

18 months later my lovely partner proposed but as we were about to leave to live in Australia I didn't get a chance to go a have a look at any venues. I spent some time on the internet when he said, "why are you looking at venues when you know you want to get married at south farm". I had never seen it and knew it was a big risk to book something we hadn't seen so I sent my lovely 4 bridesmaids and my mum who met with who they referred to as "the lovely Becky" they raved about it and all gave me very thorough feedback individually about the farm. That was it we were set, in hindsight it was excellent not having to look any further, it's hard enough to fit all the family visits in when you pop back for a couple of weeks.

When we came back in Dec 2012 we came to see the farm for ourselves with my parents in laws to be, this time meeting the lovely Letty, although we had many correspondence with all the planners and office staff through the process who were all lovely to be honest, always bending over backwards. My in laws to be loved it and that was confirmed again when they came to the tasting and were looked after especially well, I knew we had chosen the right place for us and that was shown every time we had any contact with the farm.

The farm was beautiful, the build-up was a pleasure and we were happy with our choice but nothing really could predict how things would go on the day. I was blown away with how Jane our planner that day had everything handled, she saved us, with helping us print some readings and nothing was too much trouble. The way she was with kids was also amazing and a lovely surprise. Our guests commented all day and again the next in regards to just how good the staff at south farm had been. Jane was there for everything that needed her attention and Adam (oh I hope I got his name right) on the bar was a pleasure and for me a delightful man to deal with. There were a few wait staff on that day who should have gone unnoticed but instead were noticed by all the guests as helpful and somewhat physic when it came to knowing if the guests needed a new drink. Sam's name was mentioned to me by my guests but I know that there were others who were also excellent on the day.

Our wedding was amazing and I do think that weddings are deigned that way, a lot by the guests and the fun that's to be had but ours had the extra touch on the venue being set out how it was but also by the way you do things there, the turnaround you go through, yet the way you made me feel like my wedding is the only wedding you have ever and will ever do.

I am truly thankful to you south farm. You excel in what you do and the pictures speak for the venue but I shall speak for the service.

Thank you to everyone for truly wonderful experience.

The new Mrs Penny.. and Mr Penny of course

To everyone at South Farm,

Good morning,

18.03.14

Firstly, we would like to say a huge "THANK YOU" to everyone at South Farm who helped make our wedding day so incredibly special. It was magical from start to finish and we wouldn't change a single thing.

Every guest has remarked that South Farm is absolutely stunning and people were overwhelmed by the delicious food served, not to mention the extremely efficient staff who were never intrusive yet enabled the day to seem effortless. We really struggle to convey in words how grateful we both are to everyone involved.

We were both incredibly impressed at the organisation behind planning the wedding, even from our initial viewing of the venue. Being able to amend and share the 'Wedding Planner' document worked exceptionally well and proved a very useful tool. Everything seemed possible and nothing seemed like too much trouble. Everyone involved appeared so patient and accommodating to our needs.

We have already recommended South Farm as the perfect wedding venue to a couple of friends and I believe a colleague from work has already been to look at the venue.

We simply cannot thank you enough, we had a truly amazing and absolutely perfect day :)

Many many thanks

Rachel & Darren
