

THANK YOU'S FROM WEDDINGS & EVENTS IN 2015

It is always lovely to receive positive feedback – it makes our jobs so very rewarding!

What can we say...our wedding on Wednesday at your lovely venue just Surpassed all of our expectations in every way! Helen and the team were nothing but lovely, helpful and encouraging every step of the way and we could not have been happier with the service we received. The food was out of this world and we have received so many comments complementing our menu choices...even from our Italian guests who were very impressed with the Mediterranean theme! Please pass on our thanks and gratitude to the chef and the kitchen staff. It really was a highlight of the day :)

Thanks again

Thank you we had a great time. The food was fantastic, especially the bean salad and the pecan pie. The staff were smiley and friendly and looked after us really well and coped with our occasionally raucous behaviour admirably. Everything went like clockwork. I can't think of anything you could do better.

Kind regards,

Julia

Good evening

On behalf of my wife and myself I would like to thank you all very much for your services for Fiona & Dale's wedding on 13 November.

The venue was excellent as was the food, accommodation and the staff who helped to make their day a truly memorable one. All the guests thoroughly enjoyed themselves. We were fortunate with the weather which meant virtually all the photographs could be taken outdoors in the picturesque surroundings.

Well done to all concerned.

Graham & Lynne Stark

To all at South Farm,

Just to say thank you so much for our wedding at South Farm on 6 November.

We all had an amazing day, everything ran perfectly, it stopped raining so we could get some photos outside and all our guests are still saying what a beautiful venue it is and how delicious the food was!

We chose one of your preferred suppliers – Helen Warner for our photographs and she is amazing, we are so happy with our photos, she captured our day perfectly.

We can't thank all of you enough for all the hard work you put into making our special day so perfect.

Best wishes,

Jennie & Paul Connor

Phil and I would just like to say a massive thank you for our wedding we had at South Farm on 31st October.

First off, the organisation leading up to the big day was brilliant, the planning meetings and food tastings were brilliant and put our minds to rest on such a daunting task as prepping a wedding! Its also great that you had your preferred suppliers, we chose Julie Cambridge as our florist and Thomas Baker as our photographer, who were both brilliant, its great having people who knew the venue, it was all so effortless. Thomas was brilliant, he knew exactly where to go to get the best photos. Again the organisation of South Farm was amazing, all our annoying little ad-hoc requests well after the planning deadline were responded to promptly and none were missed on the day!

The day itself was seamless, we cant thank you all enough. Letty was a fantastic co-ordinator on the day, she was there whenever we needed her and working tirelessly in the background I'm sure! The food was incredible, full marks to the chefs, it was all cooked beautifully and all our guests with dietary needs were catered for amazingly! Later on, the hog roast came out and wowed everyone, it was great. Again, well done to the chefs! Finally, it was great at the end of the night to flop into our room and find a bottle of chilled prosecco from Letty, really thoughtful touch.

So once again (we can't say it enough) a massive thank you, it was a perfect day and a lot of our guests said it's the best wedding venue they've been too! We couldn't have chosen better.

Thanks for the perfect wedding,

Tom and Phil

We had a truly magical day, thank you so much. Sophie was a star throughout and we really valued her help and support on the day. We do feel sad that we've had to say goodbye to South Farm after more than 18 months of excitement and anticipation!!

Many thanks and all the best,
Nick and George

Thank you so much for your well wishes and for all the help from the staff there at the farm on the day. Everything ran perfectly, we have had nothing but positive feedback from everyone, ranging from the fantastic quality of the food to the effortless smooth running of the day.

Mike and I would like to give our personal thanks to Jane who was absolutely brilliant throughout the day and made us feel so at ease.

Thank you again for making our day so perfect.

On Sunday last our daughter's wedding took place at your venue South Farm and I felt I must drop you a line about our experience.

The location and grounds are superb and in immaculate condition and are clearly well tended and cared for, top marks here.

All the guests that stayed onsite including the Caravans and campers were all delighted with the standard of the rooms and facilities.

The food was first class with virtually everyone commenting on the quality of the food prepared, we were particularly impressed with your waiting staff they were always on hand with perfect timings yet were virtually invisible clearly a sign of great training and excellent standards.

We were most impressed with the service that Jane provided during the course of the day from arrival to conclusion, she clearly has great experience and it was great not to have to worry about anything. As you are aware your daughter's wedding can be stressful and worrying never mind emotional well thanks to your staff we did not have to worry or fret about a single thing. You even managed to provide excellent weather.

In conclusion I would like you to pass on our grateful thanks to all your wonderful staff and especially Jane, it is indeed rare to find such excellent all round service.

On behalf of Kirsty and Mike, Thank you very much.

Kind regards,
Eugene and Pam

Dear Helen,

We cannot describe just how special everything was on the day. Both Crista and myself are extremely grateful to yourself and the team, for making our special day so enjoyable. The professionalism of all at South Farm is absolutely outstanding, every single one of our guests commented on this, in addition how amazing and beautiful the venue is and how nothing seemed to be too much trouble!

We loved absolutely everything about our day at South Farm! It was lovely that we were greeted as we arrived and it was so relaxed and calm all day, but at the same time, everything just ran so smoothly and perfectly!!

The food was spectacular and you could really taste that it all was fresh produce and it was beautifully cooked. Crista and I loved the Beef Wellington with seasonal vegetables and the banoffee pie in the chocolate cup was truly magnificent!!

"The best venue I have ever been to and loved the staff that worked so hard. The accommodation was beautifully furnished and Philip was an absolute gentleman" said Lewis' mum. Marks out of 10 - 10!!! Everybody loved it.

Thank you for giving us the perfect day!! It truly was the best day of our lives and it was an honor to have our wedding at South Farm with such lovely surroundings and such lovely warm welcoming staff!

Warm regards and best wishes,

Mr and Mrs Lewis Moody

Hi Alli,

We just wanted to say a huge THANK YOU for making our wedding day (27th Sep) so bloody brilliant! We absolutely loved it and from the feedback we've had so far all our friends and family had a great day too and have complimented the awesome venue so much. Please can you extend our sincere thanks to all who were involved in the day too - they were all brilliant. We had heard so many good things about South Farm in the run up to our wedding and you certainly lived up to the hype! Everything was just perfect - including the weather! We got so lucky there :)

Anyway, thank you so much again - we really loved dealing with you right from the beginning and we were so happy to have you there overseeing things on the day.

Our very best wishes,
Jo & Andy Spence xx

We wanted to thank you and your teams for making our daughter Freya's wedding last Saturday such a truly memorable occasion. The garden looked just as lovely as when we had first visited South Farm the previous June and I noted what care was taken in the morning to ensure that the gravel was clean and raked and the lawn spotless.

Letty managed the day with superb professionalism. She always seemed to be there when we needed to ask something but was never intrusive. The whole day ran smoothly and you even organised the sun to shine on us.

The meal was superb but I failed to go into the kitchen to thank the chef and staff – please do this for me. All the guests commented on the food as well as admiring our choice of venue enviously.

Please pass on our thanks to all the staff including the groundsmen but especially to Letty. Several members of staff told me how much they like working at South Farm and it really showed in their dedication the making the day special. It was a very happy start to what we hope will be a very happy marriage.

With our best wishes,

Jane and Tim

What can we say? We're so pleased we chose South Farm as the venue for our Wedding. Every single moment of the day was perfect. Our guests have all commented on how beautiful the venue is, how wonderful the staff were and how amazing the food was (we could eat the Beef Wellington EVERY SINGLE DAY!). Hugo and the bar team were brilliant during the evening and we'd like to thank them personally.

We'd also like to extend a MASSIVE thank you to Alli who was just a dream. Alli, you made us feel like we were the only Wedding that has ever happened and your calm and control throughout the day was nothing short of amazing. Thank you, thank you, thank you.

We'll miss emailing you all 14 times a day and aren't sure what we'll do with ourselves. Shall we do it all again next year? :)

Sophie, you were amazing on the day – so relaxed yet professional, I truly don't know what I would have done without your help. The food (Thai Buffet) was delicious. All of our guest loved it! Thank you for the brilliant idea of having our speeches out in the summerhouse – it was so unique and informal which is exactly what we were looking for in a venue.

I would like to express thanks from William and Rose Day, Catherine's parents, for the most wonderful wedding which we had at South farm on Monday 27th July.

From the moment of arrival of the bridal party at 10 am, to the arrival of guests and right through the whole day we enjoyed a professional service in the most unobtrusive manner, and relished in the beautifully presented surroundings of South farm.

All of our guests were bowled over by the space, the gardens and by how all the buildings were used to great effect. All the staff were working hard behind the scenes to create a relaxed atmosphere for us and our guests.

I would particularly wish to thank Becky Duncan for her outstanding management on the day. Becky was so calm and efficient with a lovely gentle manner and it was clear that we had no worries with Becky in charge.

The food was delicious and the ceremony, drinks reception and wedding meal all flowed effortlessly and compliments to all for how the serving of each table was organised at the buffet.

We had a memorable happy day and Catherine said it was everything that she wished for on her wedding day.

Thank you

Yours sincerely,
Rose and William Day.

Thanks for the kind wishes, we had an amazing day and definitely would recommend South Farm to anyone we know! I think our only feedback would be positive: it's a lovely venue but the thing we appreciated most was the excellent organisation which made the whole day run so smoothly. It was so professional, but still warm and friendly and unobtrusive. Many of our friends and family commented on how special the venue was and what a fantastic day they had, and we're very impressed with your team.

Best regards,

Chris and Catherine

Hi Becky,

Lizzie and I would like to thank you from the bottom of our hearts for everything that you did for us on July 16th.

We couldn't have asked for a more polite, professional and effortlessly flawless service from you and your team at South Farm and we will cherish the memories forever.

The way in which you personally directed the day made it completely stress-free. And the way you removed the beer from my hand just before I walked in to see the registrars was particularly well-handled!!

-

Hi Becky!

THANK YOU so incredibly much for everything you did to make our wedding day special. I can't believe we are coming up on a month since July 5th and I wish we could freeze time and relive it every day!

Honestly, you were the absolute best. Everyone raved about the beauty of South Farm, the flow of the day, the "best wedding food" they've ever had, and YOU! You spent so much time planning with our crazy type-A selves from across the world and the day went better than we could have ever imagined. It felt like a dream and that was all because of your magnificent orchestration, so thank you, from the bottom of our hearts.

We felt so privileged to work with you (and of course Alli!). I hope our pranks and silliness weren't too overwhelming;

I also wanted to give a special thank you for the piglet opportunity. That was a massive highlight and an absolutely precious moment.

Sorry to ramble on, but I really did have the best day of my life and South Farm has carved a very special place in my heart forever. I feel like I have a snow globe of memories inside that I can't stop shaking them up! Now that we are back from our honeymoon, all I want to do is soak in the memories (and not the reality of work!!).

Big hugs and lots of love,
Katie and Mike
(Aka, Mr. and Mrs. Hallam!)

Dear Mr Paxman

I enjoyed the pleasure of meeting you briefly after the wedding that took place at South Farm on 5th July.

In the views of the roles that my wife and I were performing, we became very closely involve with preparation for the big day, and were in an exceedingly good position to assess how well you did. We were mightily impressed.

Apart from the beauty of the setting and the variety of unique features that South Farm offers. What struck us most of all was the attitude of the staff we met. It was clear that their absolute priority was to ensure that this great occasion should be as close to perfection as could possibly be achieved. Nothing was too much trouble.

In this context, I should particularly like to mention Becky, our prime contact person, whose friendly professionalism, tireless work ethic and eye for detail could not be faulted. With apparent effortless, she took ownership of every potential problem before it actually developed into a problem.

Having visit South Farm before the wedding, met Becky at that stage and recommended the venue to the bridal couple, I had a big stake in the successful outcome of the occaision. I must therefore thank you and your staff for a genuinely outstanding performance that exceeded the highest expectation of all participants.

Your Sincerely

Michael

The day was absolutely perfect for us. We wouldn't have changed a thing. Ali was incredible on the day, I don't know how she puts up with all the questions and last minute stresses, but she did it all with a lovely smile on her face and was perfectly available/invisible at all the right times. In addition, leading up to the wedding, Becky was so very very helpful handling all our questions and going the extra mile to help us feel calm and confident leading up to the day. All of the staff that we had contact with were superb, and those that we didn't see (kitchen staff etc) all delivered to the highest expectations. THANK YOU all.

Good luck with the rest of the weddings this summer/autumn,

All the best,

Richard

We would like to thank you all for what was a truly amazing and magical day for us. We could not have dreamed of a more perfect and beautiful venue and everything was beyond all our expectations.

The whole process has been extremely smooth and efficient – from the initial consultation – to the menu tasting – to the big day itself. An extra big thank you to Jane who coordinated the day for us and kept me calm when I was that it was raining outside! She did a wonderful job and was always available when we needed her.

So many of our guests commented on the beautiful grounds and the quirky little touches – homemade ice cream cart and tuk tuk rides were a favourite! The food was delicious and we all left feeling very full.

We have no hesitation in recommending you.

Our heartfelt thanks,

Kinsanna & Sawvay

28.06.15

Words cannot express how much we want to thank you all for making our wedding day so amazing. A special thanks to Letty, our Wedding Planner on the day, and Sophie who we had a lot of communication with in the lead up. All our guests agree how fantastic the team was, how tasty the food was and how beautiful the venue is.

We would also like to thank you for your recommendation of photographer Thomas Baker, who took the lovely photo on this card. We would recommend your venue to anyone!

Please pass on our thanks to the whole team from the events team to the owners to the kitchen and the maintenance staff.

With all our thanks,

20.06.15

Thank you to every member of staff at South Farm who contributed to making Sarah and Nick's wedding such an amazing event. What a great team you are. The Bride and Groom loved every moment of it.

A special thanks to Becky for her unobtrusive, sensitive, warm, efficient management of the whole day. No small detail was too much trouble for her and the whole day went beautifully-even if it had not, the surroundings would go some way to making up for it!

Behind this wonderful day were many others at South Farm who brought it together:

- Sophie in particular (as well as others who answered on her behalf whenever we had questions) who brought the ideas together offering useful advice when asked for. Despite our many questions and occasional changes of plan even a few days before the wedding, everything was happily and calmly readjusted until we arrived at our ideal plan. This was the implemented effortlessly (apparently!) by SF staff.
- The chefs produced a really delicious afternoon tea. I loved the quiches, smoked salmon sandwiches, sausages rolls and fruit tarts and the sandwiches were freshly made. The stands were quickly refilled with sandwiches and the service was excellent.
- The hog roast and evening food was perfect as was the breakfast for the family in the morning.
- The gardens were beautifully tended and stocked creating perfect surroundings to relax in or even explore – not to mention the fresh food they contributed to the tea.
- We appreciated all the work done by the night crew who collected all our decorations together for us to just pick up and take the next day.

South Farm has clearly earned its excellent reputation.

Many thanks again to everyone,
Yvonne

Thanks for that. We had an absolutely brilliant day and so did everyone else. Have had lots of people telling me it was the best wedding they'd ever been to!

Can't praise South Farm enough for the completely smooth operation of the whole day. Everything just happened around us and we were able to completely relax and enjoy it. The food was AMAZING, even better than I remembered it from the tasting evening. And all the staff were so friendly and helpful.

Unfortunately we did have rain so couldn't have the ceremony outside as planned. But we really appreciated you setting up both options so we could make the call right at the last minute.

All the best,
Jo and Sean

Me and Ben are just about getting back to normality again after our amazing wedding and honeymoon! We both wanted to say a massive thank you to everyone at south farm who helped make our day run like clockwork. The rain stopped for just the right amount of time for us to get married outside and it was just beautiful! The way we were moved around the venue was so smooth and seem less- we really didn't have to worry about anything on the day which meant we could relax enjoy everything even more.

When we booked south farm almost 2 and a half years ago we knew it was a really special place and we will always remember how amazing it is- the sunset that we got at the end of the day after the showers passed was the icing on the cake and was one of the big selling points for us- it was like it was planned!!!

Once again thanks for everything- we had a truly perfect day.

Best wishes

Craig and I had an absolutely lovely wedding day and want to relive it! As warned by family and friends, it does go past so quickly but we have some wonderful memories to cherish. Our guests, of course loved the venue and in particular the food is very much a talking point. Those with special dietary requirements commented that they were very impressed as usually the alternatives they are given are nothing in comparison to what they experienced at South Farm - so please send special thanks to the Chef!

Thank you to you and all at South Farm!

Kind regards,
Mr and Mrs Smith!

The day was absolutely perfect! Everyone had a wonderful time and some of our friends declared they were never getting married because they didn't think they could hold a reception as good as ours! The others said they were get married there once they find a potential husband! My aunt was so in love with your venue that she was wondering if people can come and stay without getting married, also all our guests loved the food, so please thank the kitchen for us they did an amazing job, our guests were also very impressed with the timings of the food coming out of the kitchen.

Thank you again for such a wonderful day and will be sure to visit your FB page!

All the best,
Claire

Sophie,

Firstly let me say thank you, to you personally, for being so in control of the whole day - it was of great reassurance to me having you around during the run-up to the ceremony. I have also exchanged remarks with the Father of the Bride about the way that you managed to appear at all the right moments throughout the day/evening, without your presence otherwise being apparent! Great job.

My wife and I literally had the best day of our lives, thanks in no small part to the amazing weather we enjoyed, but also thanks to all the staff at South Farm. The day went like clockwork from our perspective, and the catering was excellent.

Best regards and warmest thanks,

Mr and Mrs Brooks!

All our guests were blown away with how stunning the venue looked. We have had so many comments about the food too, our guests couldn't believe the quality of it compared to other wedding food they have usually been served over the years.

Dear Sophie,

We had THE most spectacular day. Please thank all your staff for us. The ambience of South Farm is so special. The food was, as most people said, the best wedding food they had ever tasted. That crackling and tortellini starter were divine.

The seamless way it was run, was amazing, reassuring and very calming for us. Many wishes to everyone involved and all your prompt replies to the smallest of queries, it was very much appreciated :)

Best wishes to you all,
Nicky and Matt xxxx

Hello Sophie,

Well what can we say? We truly had the most amazing and perfect day we could not have wished for anything more. The weather was perfect, the day went to plan and more importantly we had the best day and our guests haven't stopped commenting on how it was the best wedding they have been too. Both John and myself were so relaxed and even though the day went quickly we felt we spent most of it together which was extremely important for us.

We would like to mention how fantastic you are at your job and how professional and calm you were. We felt you went above and beyond and even catered for the small unexpected things. So a huge huge thank you, this honestly makes all the difference between a good wedding co-ordinator and a great one. We would also like to thank all of the staff because without them doing what they do so extremely well it wouldn't have been so perfect.

All the best
John and Jackie

We had a great day, everyone I've spoken to has said how nice the venue was and how much they enjoyed the food, especially my most awkward vegan guest who was very impressed with everything, as were our many vegetarian guests. Our coeliac guest was positively shocked that she got a lovely trio of desserts as apparently she's normally presented with a fruit salad at weddings. Please thank the kitchen staff for us for doing a really great job with the food.

Also I would like to thank our event manager James. I honestly do appreciate why he advised us to have the ceremony indoors (having seen the 70mph wind and hail on the previous day as we were setting up) but I'm glad we got away with the outdoor ceremony and without the swift organisation and whoever it was that ran past with all the chairs it wouldn't have happened (please also thank whoever runs out with all the chairs).

Many thanks to South Farm for hosting our wedding.

Kind regards,

Jennie

Hello Sophie,

Thank you... yes Sheila and myself had a wonderful day that we will remember for the rest of our lives. When we first visited South Farm from the moment we turned into the driveway we knew this was the venue we wanted to celebrate our marriage and having now had that experience we have not been disappointed. We would have no hesitation in recommending South Farm for a wedding to other couples. All our guests have commented on how lovely the venue is, how delicious the food was and how well the whole day was organised.

From the moment we decided to book South Farm until the last moment when we drove away on Tuesday morning all of our correspondence has been dealt with the utmost professionalism and attention to detail is second to none and this has always given us complete faith that our wedding day would be nothing less than our perfect day.

On a personal note from Sheila and myself it was lovely having you as our wedding coordinator for the day, you were just there when we needed you as though you knew before we did which gave us such peace of mind throughout the day and everything ran so smoothly.

Thankyou all again and best regards,

Nigel & Sheila

Dear Sophie,

Firstly, we wanted to say once again how grateful we are for yours and the rest of the South Farm teams help from start to finish, we truly felt looked after and the day would not have run as smoothly without your efforts. From our point of view we were both made to feel so comfortable and nothing was a problem, I can honestly say that on the morning of the wedding I have never felt so relaxed, so to you Sophie I thank you, knowing you had everything under control meant I could just enjoy the day!

Our guests also complimented how attentive, helpful, friendly and knowledgeable the staff were, this great service was the reason we booked our wedding at SF and we were really pleased that our guest's experience was as we had hoped!

Many thanks once again,

Best wishes,

We would just like to say a massive thank you to everyone at South Farm who worked so hard to make Sarah and Olivers wedding day so special.

From the moment we arrived to the moment we left everything was perfect. Everything looked so lovely and ran so smoothly. There was never a moment that anybody had any anxieties which in turn made for a very relaxing day.

We stayed in the Tack Room which was so cosy and had everything that we could possibly have needed. We are sorry that the amazing day has come and gone but again thank you for making it so special and for leaving us with so many wonderful memories
