

## THANK YOU'S FROM WEDDINGS & EVENTS IN 2016

**It is always lovely to receive positive feedback – it makes our jobs so very rewarding!**

Becky,

Just a quick note to say thank you so much for making our wedding day so special, and a total triumph! We had an absolutely fantastic day, it really couldn't have gone any better, and you were great at smoothing out all the little niggles that popped up during the day.

Please thank all the staff for us- from those that showed us round, the people that helped us at the planning meetings, the staff there on the morning and all those working during the event, everyone was so well informed, polite and nice! It really made everything run so smoothly on the day, and added to how calm and relaxed we felt through the whole day.

Thanks also to the chef and all his team, the food was absolutely superb, and our guests certainly thought so too.

We couldn't recommend you guys highly enough, and will certainly be spreading the word about what an amazing venue South Farm is, with a fabulous team.

Thanks again, all the very best to everyone at South Farm for a great 2017!

I was a guest at Hayley & Will's wedding reception at South Farm and I just wanted to say what a wonderful venue you have there.

The place itself, the food, the facilities, the great staff all made our celebrations really amazing. Thank you so much.

I am writing to pass on our thanks for all the hard work that South Farm did to make our day as a family a very special occasion. Many would say that this is no more than should be expected when you pay for a service, but it is often the case that the 'sell' isn't matched by the 'delivery'. Whilst we said our thanks and goodbyes when we left, we wanted to tell you that we think that you have an excellent team.

From the outset we felt very comfortable with the people that we met, starting with Philip. The conversation about our wedding which was booked at quite short notice was warm and relaxed. Despite having seen a couple of other venues, we were drawn to South Farm from the outset; I don't think that there was any doubt for either of us that yours was going to be the venue - apart from us trusting people that clearly do this everyday to help us make it happen.

We hadn't really thought too much about the day itself until the tasting evening hosted by James and other members of the team. My goodness, I don't think either of us have ever eaten so much! It was all so good, and our guests would have been happy with anything that you had served. Our expectations were surpassed, and having had people who weren't at the wedding telling us about the food from people who were - well, it must be more than Wedding Day politeness!

We have had small dealings with many of your team, all of which do you an enormous credit. Special thanks must however go to Alli. We could not have done it without her, she did a wonderful job in supporting the planning - I am not sure that she got anything off us right first time, or even on time, but she was exceptionally patient and accommodating of us! On the day itself her presence and support were invaluable. Having not wanted the big wedding party she was a calm steadying hand throughout the day for us which was very reassuring. It is quite a skill to be able to blend into the background and be on hand when needed, she certainly struck the right balance for us. I still don't know what she said to our daughter Violet before Vicki came down the aisle. Violet had been looking forward to the wedding as if it was her own, but lost a bit of her confidence at her crucial moment! Whatever was said, she bounced down the aisle with an uncontainable smile!

It was a thoroughly enjoyable day. Regardless of your beautiful venue and location, it wouldn't have been a success without your very attentive team - the big reason we chose you in the first place.

Thanks from both of us.

Mike and Vicki

To Helen and all of the team at South Farm,

First of all, let us just say a massive thank you for everything you did, both in the run up to the wedding, and on the day itself to help us feel relaxed, comfortable, and immensely happy. You all did such an incredible job with absolutely everything that it's pretty much impossible to list all the reasons we're so thrilled we picked your incredible venue and amazing staff.

From the moment we saw South Farm, we knew we'd found the venue for us, from the location, to the beautiful buildings, to the layout, the decoration, everything was perfect and we were made to feel like our wedding was the biggest event of the year, even though you have such a high volume of couples coming through your doors every month. We really appreciate how special you made us feel, and we can't thank you enough for it.

All of your staff were amazingly charming and helpful, nothing was too much trouble, and Helen was spectacular in being right where we needed her, when we needed to be there (even if we didn't know we needed her then and there!) - we keep telling anyone that will listen that it was like being celebrities for the day and we really mean it - you all made us both feel incredibly special and important and we'll never forget all the wonderful team at South Farm that helped us along the way.

Thank you so much, keep doing what you do, and don't change a thing!

We absolutely couldn't have wished for a better wedding reception than South Farm. All our family and friends are still commenting on how amazing the venue was and how little they noticed the staff – which is a great thing. The staff on the night were truly amazing and I would love to personally thank every single one of them. We really can't think of a bad thing to feedback on, it was so special.

Thank you again for being so accommodating and personable to us as a couple. We will be recommending your venue to any newlyweds!

Thank you for your lovely email. We had an absolutely perfect wedding day, completely faultless from start to finish. South farm is a very special place and we were privileged to get married there, it is worth every penny. You and the rest of the team have been a pleasure to deal with since our first visit, you all work so hard and have made us feel like the only ones getting married there this year! Please pass our thanks to Helen who helped the day to run so smoothly! We have also had some lovely comments from our guests, particularly on the food and service.

To James and all the staff at South Farm,

Words cannot begin to describe our gratitude for the way in which our wedding has been handled from start to finish by all at South Farm; from the always polite and friendly replies to my never ending emails, the guys who helped us to set up and the amazing food and service our guests received on the day.

We have had so many compliments from friends and family on what a great day our wedding was - this was made possible by James and his team, their professionalism ensured that the vision for our day was executed perfectly (better than I ever imagined).

We found a few of our suppliers through your recommendations and this in itself is a testament to how well you "do weddings", as they were just as fantastic as yourselves.

It really was our best day ever and we cannot Thankyou enough.

We picked South Farm as Busters sister Tuesday got married here also, I am now a "Dean" and Buster has a very large family, so we will definitely be recommending to the rest of them :)

Thank You again for making our dream wedding a reality!

I cannot fault South Farm one bit - pure professionalism end to end. On the wedding day our wedding organiser (Helen) was so on the ball that she was always one step ahead and followed our plans to the letter. We were expecting great things from South Farm given feedback we had heard from other people, however they actually exceeded our expectations and we genuinely believe our day would not have been the same had we gone elsewhere. Venue and people that work here are truly excellent

Dear South Farm,

Wow, what can we say? THANK YOU to the whole team for making our wedding such an incredible day that has created memories to last a lifetime.

South Farm was actually the first venue we viewed after getting engaged and we fell in love with it - we went on to view a number of other venues but after each one we would say 'it wasn't South Farm'. We knew that we had to secure a day with you and it seemed fate that this year the 5th November fell on a Saturday giving us a perfect theme and meant both our birthday's were celebrated the following week during our honeymoon - and that date was available with you!

There are a number of people we would like to thank from James who we met at our first viewing all the way through to Becky who was our point of contact on the day and everyone in-between. I am sure you hear this a lot but the level of service you offer makes you stand out - some venues we contacted took days  
T: 01223 207581 E: info@south-farm.co.uk

South Farm, Shingav-cum-Wendy, Royston, Hertfordshire SG8 0HR

to get back to us and one even ignored us altogether! Nothing is too much for the staff, attention to detail was superb and you went to a lot of trouble just to make things happen. There were no problems at all and we were both able to be guests and enjoy our day rather than worry about anything at all.

You really do have a 10 out of 10 venue, 10 out of 10 staff and customer service/experience, 10 out of 10 food/drink....I could go on but I think you get the idea!

It's a shame I won't be able to re-live the wedding at South Farm again but I will sing your praises and wish you all the very best for your future growth which I believe is going to last a very long time and give you all great success.

Love Tim and Julie

Martyn and I were married a week ago today and it honestly was the best day of our lives. Everyone at South Farm couldn't have been more helpful, happy and go out of their way to perfect the little things you wouldn't think of doing and they do it amazingly!! Alli was our planner for the day and she was amazing! Your venue is truly stunning and the people who work there make it outstanding.

We definitely chose the best venue and will never forget it! Thank you!

Dear Becky and all of the amazing staff at South Farm,

We just want to tell you how thankful we are to you all for looking after us on our wedding day.

It was absolutely perfect!

From the moment we arrived all of the staff went out of their way to be helpful and this went on until the moment we left after breakfast the next day.

We both felt completely in safe hands with Ally and Rebecca throughout the whole day, as soon as they introduced themselves I knew they had it all under control. We were so pleased that you opened the outside bar and encouraged guests to be outside as the weather was so amazing (this is something that we had not expected). All of our guests were so impressed by the grounds, food and organisation of the day. We just want to now be a guest at a South Farm wedding it experience it all again (we are encouraging my cousin to get it booked)! I even got to go in with the piglets which was my absolute dream! DJ Gary absolutely nailed it with his evening entertainment.

We cannot thank the South Farm team enough.

We had a mind-blowingly amazing experience - everything was magical and incredible and I can't thank you all enough. Many people commented to us that it was the best wedding they had ever been to. The service was impeccable and we felt like royalty for a day, which was great fun. We were all extremely impressed with the level of service from your staff, the amazing food & drinks, the seamless running of the day and the beautiful rooms. We really thought Chris Jennings was fantastic too and the guests loved him. I wish we could do it all again and be guests at our own wedding to see it from that point of view! :)

Helen was fantastic and an absolute super star - it was so nice to have a straight talking level headed person there when required - again I can't say thank you enough. It all feels like a dream now!

Thank you for making it our best day ever and for making the whole wedding planning experience such a pleasure. I still think the menu tasting day is a close second best day ever - I have never eaten so much amazing food in my life!

Best regards

We recently got married at South Farm in October and we're so unbelievably happy with our day. To say South farm is a well-oiled machine is an understatement-everyone there is exceedingly supportive in ensuring the bride and groom have the day they want. No request was too much for them, whether it was in the form of answering the many emails prior to the big day to accommodating to last minute changes on the day.

Every guest we had said how polite each member of staff was and how they were very impressed with the food (a few quoted it to be the best food they have eaten at a wedding!) The accommodation was stunning, clean, spacious and had little touches which just made you feel even more special!

I personally would like to pass on the biggest Thank you to all at South Farm who helped tidy up at the end of the evening...it was a wonderful surprise to be able to enjoy breakfast without having to pack and faff around with decorations. I understand that would have taken a while to do so again, thank you.

We would like to pass on a huge personal thanks to Helen who was there for us throughout the day-She ensured we were taken care of throughout-which meant a lot to us.

We wish we could do our day again and we do have South Farm to thank for making our day magical. Hopefully we can come back soon during your open garden season to relive being in such a wonderful place.

Keep up the amazing work everyone.

As Sarah's parents we wanted to thank you all once again for such a wonderful wedding day last Saturday. Happily the weather was very kind and we were able to utilise the spectacular gardens at South Farm. Our guests have been so complimentary about your venue and it could not have been bettered. Thanks to Jane and her team the wedding ran smoothly, guests being seamlessly guided from one area to another as the day progressed.

The food was wonderful and the evening buffet was the best I have ever experienced, different, tasty and interesting and as much effort put into this as the main wedding breakfast.

We congratulate you all on running such a lovely venue.

The food was exceptional, the catering and bar staff were superb and the special attention you paid to Lucie when she became over-whelmed by the whole day was outstanding.

To all at South Farm

The weather was nearly as good as the service my son and daughter in law received from each and every one of your staff. It amazed me that you never saw any one of them and then 'magically' one would materialize at your elbow to help with whatever. Obviously, and rightfully, they have confidence in their own ability and the product they represent

What a stunning day. The following day everything was cleared and packaged up for us leaving us to enjoy a breakfast that was every bit as good as the meal the night before.

I would not hesitate to recommend your venue and service in the strongest terms possible. We trusted you and you delivered beautifully. Thank you so much

To all at South Farm, from the new Mr and Mrs Gannon, we wholeheartedly thank you for giving us a day to remember and cherish. From the moment we came for a site visit, to the minute we packed up the final box and said our goodbyes the morning after our big day - we received nothing but amazing, attentive service, support and advice and we could not have asked for more from a wedding venue. Your staff, your food, your grounds, your venue - all are first class and all our guests commented on how lovely it was. I would not hesitate to recommend you to anyone, and I only hope that all future couples are blessed with the same when they marry at South Farm. We will not hesitate to recommend South Farm to anyone who is planning a wedding in the foreseeable future and very much look forward to revisiting you again as guest (and possibly hosts again) sometime soon.

Dear all at South Farm, especially our lovely event organiser Sophie!

We want to say a humongous THANK YOU from both of us!

The day was everything we had imagined and much, much more. The venue is a dream and we have had so many lovely comments about South Farm.

As the old saying goes about those who serve "Servants are not meant to be seen or heard, just to be there when needed and only leave the results of their serving". Your staff were brilliant, they helped set up the day without being seen or heard, it was just done. My interaction with some of the staff was that of compliments about how amazing our wedding was - this reassurance really helped the day be stress free.

Sophie, as mentioned in my speech, we can not thank you enough for everything you have done. You were with us from the very beginning to the end, was so friendly and made the organising of our Wedding so seamless.

Good Morning Sophie

You were the most perfect wedding planner for us - calm, organised and so friendly. It felt like every detail you'd thought about and checked to ensure all our guests were well looked after. We truly believe that without you it would've been different. Our guests commented on how incredibly lucky we were to have had such lovely staff from South Farm looking after us - and we agree. Thank you to you Sophie.

We would also like to say our appreciation for every member of the staffing team at South Farm. We had the wedding of our dreams and we wouldn't change a single thing. The food was amazing...I'm convinced our guests will be talking about it for a long time (and using it for comparison in other places haha!).

Hi Sophie,

We had a great day. Thank you so much for your organisation skills and ensuring everyone was in the right place at the right time and eating the right food.

Please pass on our thanks to all of the staff. The venue, the food and the accommodation was excellent and you even had the weather to perfection!

We will certainly recommend South Farm.

I just wanted to say a huge, tremendous thank you to South Farm for making my wedding day on 10th August such an amazing day.

Everything went to plan, the sun was shining and the vegan food was fantastic. Thank you to your chef and staff for arranging it. It was lovely to show our friends and family that it's not all about lentils and carrot sticks!

South Farm really does have a magical aura about it, I can't quite put my finger on what it is, but I just love the place. My only regret is that I can't do whole day all over again!

David and I had a lovely honeymoon touring around Bali for 2 weeks and are now back to earth with a bump.

Hopefully there will be forthcoming events at South Farm so we can see the place again.

Thanks again and hope to see you again sometime in the future.

Kindest regards

Kathryn

Hi Becky

Thank you so much for making Sarah and Paul's wedding so fantastic. Sarah said part way through the day that she would not change anything and repeated this the following day. High praise.

Please pass in our thanks to James and all your other staff.

You gave us all amazing support and confidence in all going perfectly.

Best wishes

Hello Sophie,

Thank you for your email and thank you for helping us organise such an incredible day. The entire team at South Farm were so helpful in the lead up to and on the wedding day, particularly Becky, our events manager who was amazing on the day.

Thank you very much,

Our wedding was AMAZING!!!

However, it did go way too quickly so we'd be happy to come back and do it all over again :) Everyone commented on how wonderful South Farm is and a lot of our friends said they'd wished they'd had it as their wedding venue too. They also absolutely loved the wedding breakfast, especially how nice the feathered beef and pavolva were.

Thank you again for our perfect day.

We may be back to see you on one of your open evenings...just for nostalgic reasons :)

I felt I had to contact you and offer our sincere thanks to all staff for the truly wonderful service you gave at our daughter's wedding on Thursday. Everything was perfect, all the staff so attentive, friendly, helpful and efficient. We were all so impressed and truly grateful. South Farm will be highly recommended by all our family to any other couples looking for that perfect venue. The setting is idyllic, the accommodation beautiful and comfortable, the animals adorable and in particular, Pickle was gorgeous !!! Thankyou each and every one of you for helping to make the day fabulous.

Kindest regards,

Linda & Phil Campbell Allen.

Hi Becky and thank you,

The day itself was amazing, exceeding our already lofty expectation.

The run up to the day with communications and meetings with Sophie and Letty was always a pleasure and incredibly helpful, accommodating and firm when we got carried away. They certainly know their stuff.

We hadn't met Helen before the day so we're a little unsure. We had no need to be, she was on it all day, made everything run smoothly and kept her calm throughout. She was just great. The lady on work experience was also wonderful, helping out and giving compliments at just the right times.

The venue was perfect. Kitchen staff extremely helpful and daring with our slightly troublesome cake. The food was declared by all as hands down the best they had ever had at a wedding (some actually left it at ever)!

External Suppliers - some recommended by you

Micky - really good and reassuringly knows the venue and how things run. We just let him get on with it (singing and DJ'ing).

Bella and the Beats - again really good. Filled the dance floor and we're no trouble at all. Thoroughly recommend.

James Rouse Photographer - his second time at SF. He was beyond brilliant, everyone loved him and stayed way beyond what's a reasonable time.

Time Bus - did all we asked. Again no problem, accommodating in doing an additional run to take me to the pub.

Thanks so much again.

Helena & Scott Rutherford

Dear Becky,

We really don't know where to begin to thank you for such a wonderful wedding day for Charlotte and Dan.

From when we first visited South Farm, and fell in love with the unique and beautiful setting, you made us feel so special.

In fact, as I have mentioned numerous times, we felt as if we were the only family about to celebrate at South Farm. Every email and phone call was dealt with such professionalism, warmth and truly inspiring guidance.

On the day, we were so worried about the weather but you took all the uncertainty away from us and made the right decision that the ceremony should be in the barn rather than outside. How right you were and it was absolutely beautiful. As for the food and service, I can't even begin to tell you how incredible it all was. Matt surpassed himself and the kosher food was the best I have ever tasted at any wedding or event. It was beautifully presented and in such generous quantity. All are guests are in total agreement and the feedback has been amazing! Even my son Jamie and his family who had the Hermolis meal were looked after so courteously too. Your staff were all absolutely brilliant!

The advice you gave me in choosing Dana our florist and Stephanie for the crèche was amazing. You really understood what we needed, interpreting fully our taste and needs. The flowers, settings and Chuppah were beyond amazing and the advice for the crèche meant that all the children had the best time as did their parents. All the extras such as the tents, bouncy castle, games etc were all organised on site with such efficiency too. Breakfast the following morning was delicious. Not only for our family and friends but also for Charlotte and Dan's friends who were glamping.

You instilled confidence in us that this was going to be the best wedding ever and indeed it was.

So thank you, thank you Becky. We all had the best time!!!

With our warmest wishes,

Ilana and David

I just wanted to drop you a line to thank the staff at South Farm for making our first visit to South Farm such a pleasant and easy experience.

We work at different venues week-in-week-out, and have done for almost 20 years, and having a helpful and friendly venue really does make all the difference for us and, of course, ultimately, a better time for our mutual client.

From receiving such a quick reply to my email prior to the event, to the helpful assistance for Steve on the day from Andy, your bar manager, plus another younger member of staff, and even the owner of South

Farm (sorry, Steve didn't catch the names of the younger member of staff or the owner), the whole experience has been exceptional.

We really hope we get the opportunity to work at South Farm again in the future, and if there's ever anything we can do for you (from DJs to photo booths to venue dressing), please do not hesitate to ask.

Until the next time!

Hi Sophie and South Farm,

Myself and John would firstly like to thank you and the team at South Farm for being instrumental in the smooth running of the day and providing us with lots of amazing memories.

Please can you pass my thanks to the rest of the team as we have had so many compliments about the whole team including the kitchen on Sunday 3rd July - best quote was "He would give me his third arm if I asked for it" referring to the waiter the next morning at breakfast.

Many thanks to you as well Sophie. I couldn't have done this without your calming presence which is much needed when I am panicking about small little details. I do not believe "no" or "cannot" exists in your dictionary as everything was accommodated and executed efficiently, professionally and adaptable when we overran with picture taking.

As a couple we had a fantastic time and this is with the great help of the lovely venue and everybody at South Farm. Not to say the least the guests were blown away with the grounds, food and efficiency.

We chose two suppliers from your recommended list with no regrets - Julie Cambridge flowers and Gary the DJ who we both thoroughly enjoyed working with. Julie's flowers were spot on considering what little specification I gave her. We are really pleased to have chosen her from your list of recommended supplier as it was so easy from communication to her non-intrusive setting up in the morning. She listened to my requests and created something beyond my expectations.

DJ Gary's set up was definitely value for money and proficient at all times. He was much liked by everyone!

Thank you for having us!

Kind Regards

Jackie and John

We had a truly magical day...everyone loved South Farm and we were just so pleased to be able to get married outside.

In terms of feedback, we really have been so impressed with the professionalism of your staff...very prompt responses to questions and very patient with my (sometimes protracted!) decision making and our last minute changes (e.g. Using the horse barn when previously not). The quality of the food and service was fantastic! All our guests loved the meal. All the staff we dealt with were lovely, from the cleaners/gardeners to event managers and happy to help in any way...a credit to south farm.

Overall I would say that South Farm is a stunning venue with top class food and service and I would definitely recommend it to any couples in the future. I loved visiting it before our big day from the fabulous tasting session to visting with the florist and south farm were always very accommodating.

Thankyou for all your help and well wishes.

Hi Sophie,

We cannot thank you and the team enough for making our day so special - you even arranged for the sun to come out on the day!

Feedback from the guests has been brilliant - they all felt that South Farm was the most beautiful wedding venue they had ever seen, the bedrooms were stunning (including the new B&B) and the food was absolutely spot on. I've seen quite a few instagram photos of the meals on the day!

Your team have been incredibly accommodating of any changes, meal requests and we appreciate your patience with our questions throughout this process. We also really appreciate the list of your

We had the most amazing day of our lives, it was flawless, we didn't worry about a thing and enjoyed every moment!

I want to say a big thank you as follows:

Thank you to you, Alli, Christine and everyone in the office that contributed to make the wedding day perfect with all the planning and support. You guys deserve a gold medal for the amount of effort you put in to ensuring the day ran smoothly!

A big thank you to Becky who was our event manager on the day, OMG, she was fab! The amount of weddings Becky has to manage and yet its like it was the first wedding she has done in terms of her excitement, enthusiasm and lovely comments, you can see she is a pro and all my family and friends loved her, thank you Becky!

Please thank all the staff (waiters/waitresses) that were at the reception and wedding breakfast, they were so professional, polite and on the ball, where do you get all these amazing people from!

Please thank the chefs, the food was outstanding!!!!!! Everyone again commented how amazing it was - A\* rating :)

The venue was beautiful, the rooms were so lovely, the grounds were immaculate so thanks to all the cleaning staff and gardeners, I really don't want to miss anyone out, you can tell I am making up for not having a speech!

Say thanks to the piggies for letting me stroke them, that was a lovely moment!!!

The dance floor brought a bit of magic to the day, so glad you had the extension built!

We are both so happy that we got married at South Farm, it truly is the most beautiful venue, it is the little gem that if you are lucky enough to find, will leave you with the most amazing memories that will last forever, we only wish we could do it all again.

In the end this was the only venue we viewed. One look and we thought, yes this is it. I could just imagine driving up the main drive with fairy lit trees on my wedding day to the main house. The wedding was easy to plan with help at every stage, with advice on little things you may not even think of. The day itself was just magical. Everything was taken care of behind the scenes, even the subtle point in the right direction when walking to the aisle as to which way around the tree! Food was sublime. All our guests commented on how good the food was.

Truly magical, special day. I want to do it all again!

Hi Helen

I just wanted to write to thank you and all the team for all your hard work with our wedding on Friday. We honestly had the most perfect day and can't thank you all enough for all you did. Everything ran perfectly thanks to you and the food was brilliant, everybody commented on how lovely it all was and what a great venue South Farm is - a lot of people said it was the nicest wedding venue they had ever been to (I am sure you hear that a lot!)

I will send over a few pics when we get them back but thank you again for everything in the run up and on the day. I am so pleased we booked South Farm!

Thanks for your email, we had an absolutely fantastic day, everything was perfect. Jane in particular was brilliant - very calm, professional and reassuring, nothing was too much trouble. Please pass on our thanks to her. Lots of our guests said what a stunning venue it was and in particular how much they enjoyed the food.

Our suppliers were a mix of South Farm recommendations (the Little Cake Kitchen, Izzy Wild, Wedding Letter Hire and the Daisy Cutters) and others (Hannah Mia Photography, Bouquets and Butterflies florist) and they were all excellent. The night before the wedding I stayed at the Old Farm Yard B&B in Melbourn which was lovely and I would also highly recommend it as an excellent accommodation option.

Kind regards,

Just briefly though - we can't thank you all enough. I knew we'd found our dream location when we came along to view South Farm back in October last year. The Menu Tasting Event too was off the scale!!! (Upwards I mean!) We've been dying for our friends and family to experience South Farm too, needless to say EVERYONE was SO impressed with the location and grounds, the staff, the food/drink, the accommodation and the relaxed yet efficient way the whole place is run. Your attention to detail was terrific, especially towards my dad who wasn't feeling well on the day. I love the gentle nudges throughout the day that Alli gave us to let us know where/when we needed to be somewhere. Even taking my bouquet out of water in time for my entrance. The tuk tuk was huge fun.

We loved our trip to the Nature Reserve. We were blessed with fantastic weather and May is such a beautiful month too so the gardens and grounds were just wonderful. I love all the various areas both we and our guests could wander into. The Accomodation was brilliant, love the new decor too. Fantastic breakfasts in the morning.

All the staff were friendly and helpful both on the day and during the run up. I can't believe you do 6 weddings a week sometimes ... To us it felt as if we were the only ones and you were just as happy as we were! As I say, the atmosphere you create at South Farm is very unique and special.

I'm desperately thinking of a way we could hire South Farm again! It was a perfect day in every way. We've been together nearly 21 years - and it's been worth the wait!

I'd also like to mention the Florists (Through the Looking Glass), Photographer (Helen Warner) and Hair & Make-up (Denise Lilley). As we were impressed with the whole South Farm ethos we trusted your "Approved" list. Again, all three were fantastic and again added greatly to the build up and enjoyment of the day.

This runs like a speech from the Oscars!!! Hope it doesn't sound too gushing - but really - I can't stress enough how fantastic you've all been! Lovely meeting James Paxman who showed us around and briefly we met his lovely dad too.

Warmest good wishes,  
Alison and Jeremy

Hi Sophie,

We just wanted to send our sincere thanks to yourself and the whole team at South Farm for helping to make our wedding day such a special, unique and memorable day. Beth and I have thoroughly appreciated the help and support you and the team have given to us throughout the whole process, with many 'question' emails that we've sent. Our guests have also commented on the high quality of the food and service from staff, that they received on the wedding day and thoroughly enjoyed the experience being at your venue.

Beth and I also just wanted to high light to you how fantastic it was to have all of the 'small details' thought about by your team, and these certainly made a big difference to our day. Things such as having a high quality bridal suite, dressing gowns and toiletries in the bridal suite, flexibility from staff regarding timings throughout the day and staff being on hand to ask questions throughout the day all made it run so much smoother and helped to make the day as special as it was.

Again, our sincere thanks and appreciation to every single one of your staff. South Farm has definitely become a memorable place in both of our minds as well as our guests.

Yours Sincerely,

Dan and Beth,

I am the father of Matthew whose wedding to Lucie you hosted at South Farm on Sunday. The (very) happy couple are now several thousand miles away and I thought I must write to you before they are able to do so to say thank-you for making Sunday such a wonderful occasion. The venue is impressive; that is clear from just looking at photographs. But on top of that, the management of the event was first class – everything was in place at the right time, seemingly without fuss or panic. The staff were superb – courteous and helpful without being overbearing. The accommodation is lovely, the main barn is delightful, the food was delicious and the weather glorious (so happy am I now as I write this I think you may have even had a part to play in that!).

Regrettably in our family there are no new weddings on the cards, but if there were I have no doubt whatsoever that South Farm would top the list of venue choices.

So, thank-you for being central to one of the greatest days of my life. It was perfect. The feedback from everyone at the event was the same – a wonderful occasion in a wonderful setting.

My husband Rory and I had our wedding reception with you on 11th March and we just wanted to drop you a note to say a massive thank you for helping us have an amazing wedding day! Apologies that it's taken a while for this email - we have just got back from a very nice honeymoon in Thailand so are slowly getting back to everyday married life!

Also, our guests are still talking about how brilliant the food was - especially the warm flowerpot bread! We couldn't have asked for a better venue and better service. Thank you for helping us have a very special and memorable day.

Thanks again and all the best,

Laura

Tom and I just wanted to say a heartfelt thank you for all your hard work and help in making Friday such a wonderful day for us both! We couldn't have asked for a better team to run everything, it all went seamlessly and all of our guests were commenting to us all day about how professional and kind the whole team have been. Helen, you were fantastic! Thank you for everything you did, we really appreciated your help. Andy, thank you so much for helping us with our decorations and everything else we asked you!

Please pass our thanks on to all the staff who helped on our big day. Especially the kitchen staff, our wedding breakfast and evening food was thoroughly enjoyed by all! And for helping repair our slightly damaged cake when it arrived, I will be forever grateful!

Kindest regards and best wishes  
Mr and Mrs Pearson

To all at South Farm,

Although a little late, we felt we had to put pen to paper (or finger to keyboard) to express our thanks for such a wonderful day that you gave Sarah and Mike.

Everyone has commented on what a fantastic time they had and it seemed only right to pass the praise on to South Farm.

It seems wrong to thank any one person more than another as everyone on your team was so helpful, friendly, considerate, polite and professional. Nothing seemed to be too much trouble or a problem for them.

Becky was our event's organiser for the day and she was amazing, she ensured the day went so smoothly anticipating what we needed almost before we realised we needed it ourselves and guided us, what seemed effortlessly, through the day.

Andy was the other member of staff that noticeably helped us out a lot and I think we may have caused him to stay late the night before, thank you Andy.

There is one other member of staff that we would like to say a thank you to...the chef. The food was gorgeous and we really did enjoy it but our extra thank you is for the bit you did "above and beyond" by "knocking up" a little royal icing so as the "bride" managed to stay seated on the wedding cake, thank you. It was the little extra thoughts like that and the care everywhere and from everyone that went to make this day so special. Sarah and Mike both kept saying "I don't want the day to end".

We could not recommend you enough. Thank you everyone at South Farm for a truly memorable day.

Kind regards,

Cheryl and Tony
