

LUNCH BUFFET MENU

We have put together a range of delicious buffet lunch options to make life easier whilst you are getting ready on the big day. These can either be served in the Bridal Suite or in the Old Dairy for resident guests only.

You are of course welcome to bring your own snacks to eat while you are getting ready if you prefer, but feedback from past couples suggests that ordering lunch from South Farm is a much easier option and takes the hassle out of having to transport food onsite and clear up afterwards!

Please note: whilst we are happy for you to bring your own snacks on site, food ordered in from external caterers/supermarkets is not permitted.

If you would like to order a buffet lunch please note this on your wedding planner document and/or discuss with one of our wedding coordinators at your planning meeting.

There is a minimum order for all buffet lunches of four persons.
