

THANK YOU'S FROM WEDDINGS & EVENTS IN 2018

It is always lovely to receive positive feedback – it makes our jobs so very rewarding!

Dear Emily & the South Farm team,

Just a quick email to say THANK YOU so much for all of your help on Saturday. We had the best day ever, even better than either of us could have ever wished for.

The day went past seamlessly and without any issue whatsoever. All of our guests commented about how amazing South Farm was as a venue & also how good the food was - the evening kebabs in particular went down a treat after quite a few beers/wines were consumed!

Also, a huge thank you/shout out to your supplier list. We got DJ Gary, Origins Florist & the amazing Tom Halliday off this. All were fantastic and we can't stop looking through the photos.

I can't thank you guys enough – keep on doing what you all do so well!!

Lots & of love

Katie & Josh

To the entire South Farm team,

Thank you so much for making our wedding the best day of our lives. From the moment we decided to have our wedding at South Farm, we have been nothing but blown away by the level of service and friendliness shown by all members of the team.

The organisation on the lead up to the day was effortless and handled with such professionalism. This made our preparations so much easier and stress free, allowing us to enjoy every minute of it.

The day itself ran like clockwork, we can only put down to the fantastic staff, and in particular, our Event Manager, Summer. She was extremely helpful and managed the whole event without any issue. We really cannot sing all your praises enough.

The venue and business run like a well-oiled machine and we will be recommending you to everyone and anyone we can.

Thanks again,

Lian and Dan x

Hi Alli,

We just wanted to say thank you for everything you did to make our day so special yesterday, we honestly had the best day of our lives. From just making sure I was ok in the morning, telling me where I needed to be throughout the day to seamlessly taking cards out of my hand as I was speaking to guests and putting them away, you were amazing! Honestly can't thank you enough for making the day run so smoothly.

Thank you so much,

Hello South Farm,

Donald and I would like to say a massive thank you for making our wedding day so special.

Helga was wonderful, making sure the day ran smoothly, and keeping so calm!

We had a fair few very small children at our wedding, and anybody in a similar situation, I cannot recommend South Farm enough. There are so many great suggestions on their suppliers' page on how to keep small children occupied and happy, and their food options are stunning. Our young guests had so much fun visiting all the animals, and loved the food.

The whole day was perfect. And South Farm was 100% the right, and best choice, for our wedding!

Felicity and Donald

Russ and I wanted to thank you all so very much for letting us use your perfect venue.

Our day was so lovely – everything we hoped for. You have such attention to detail. All of your staff are excellent.

Thank you Emily for looking after us so well – you made it so easy for us. You were wonderful – professional, but always friendly and kind. Especially when I presented you with 4 very, very last-minute drop outs!!!

With love to you all and Emily,

Sue and Russ xx

Hi South Farm,

We would like to say a huge thank you to everyone at South Farm for making Sarah and Adam's wedding day such an incredible celebration.

Sarah and Adam knew they wanted their wedding to be at your venue on their visit day. However, they decided look at one other venue just in case. Don't know why they did that! Sarah was not interested in the other place at all. Her Dad commented to her as we left the other venue, "South Farm is just you Sarah. It's higgledy piggledy" by which he meant it was quirky! So glad we then went ahead and booked you!

The venue looked stunning so many guests commented on this. The food was exceptional especially the scotch eggs which we hear are now on the menu. It's so important to feed your guests well and you did that for us.

Sarah and Adam and her sibling's favourite moment was visiting the pigs. It made their day especially when the bride got pig poo all over her hand.

Please pass on our sincerest gratitude to all your staff. You have an amazing team! Everyone I have spoken to at South Farm did their best to accommodate our requests and sorted everything calmly, efficiently and swiftly.

I would especially like to say a big thank you to Alli the wedding planner. She made the day absolutely perfect!

If you're thinking of getting married don't look anywhere else just go ahead and book South Farm. Our daughter was married there on Saturday 27 October 2018.

The venue is stunning! All our guests were blown away by how pretty it looked and the fantastic food! The staff were amazing, especially Alli the Event Manager. She looked after us all and went beyond our expectations!

We had the perfect day at the perfect venue. Sarah and Adam's love just shone through. They knew South Farm was their venue the first time they saw it. I didn't want to leave the morning after the wedding just wish I could live there!! 😊

To Becky, Alli, Emily & all of the fabulous people working so hard at South Farm!

Where to begin?! From the very first time we visited South Farm we knew this was the place we needed to get married, not only because of the beautiful estate and immaculate gardens but because of the people... You guys! Over the years we've heard so many glowing reviews about South Farm weddings & I am so happy that we can now add ours to the list! You completely exceeded our expectations from the planning process (Alli, Emily & Becky, you are saints! You put up with sooo many emails, phone calls and nonsensical messages from me!) to the wedding day itself WE HAD THE MOST AMAZING DAY!!!!

We're both quite shy people, so we're thrilled that the amazing venue & high level of service South Farm provides outshone us on the day! We're still hearing so many stories & glowing reviews from our guests!

LITERALLY EVERYTHING WAS AMAZING! You thought of things before we did & then some!

It was everything we wanted, could have wished for & more!

We can't thank you enough for giving us the most amazing wedding day & in turn memories that we will treasure for a very long time.

With love & many thanks,

Xx Annalisa & Matthew xx

13.10.18

Hi Becky!

I hope you are well :)

Now that we are fully back at work & our honeymoon is a distant memory... I just want to say a huge thank you for essentially creating our wedding day!

You ran the day so smoothly & was such a calming presence to have nearby! Thank you so much for sorting of the little things, like getting my Dad his buttonhole!! & I'm sure many other things that I wasn't even aware of!

You were complimented so highly by my friends and family; the resounding comment from the day was how smoothly everything ran, which I know is down to you and your team, so thank you a million times. You've given us the best memory of such a great day.

Thank you so much for being apart & helping make our wedding day so very very very special & something we will never forget.

Lots of love,
Annalisa & Matthew xx

13.10.18

Hi Becky,

I just wanted to say a huge THANK YOU on behalf of my husband (that's weird) and I, and actually from all of our guests too, for the most amazingly perfect day we had on Friday!

All staff at South Farm are excellent! We thoroughly enjoyed our day and our guests were amazed by the venue, food, staff and how well everything was run. It was such a privilege to share with them, something that we have planned for the past (almost) 2 years, with your help. It goes without saying that we wanted to do it all over again when we woke up on Saturday and would not change 1 thing, not even the weather... Even though we'd had our hearts set on getting married outside, I'm so pleased we didn't; when I walked down the aisle I whispered to my Dad 'YES! This is exactly how I pictured it all to look.'

Helen – Thank you so much for being there for us all day, and making sure we had everything we wanted and more :) Your attention to detail, yet relaxed attitude really did make us feel so comfortable and fully let us experience the day, as we knew you had everything under control... Even when we changed a few things on the morning. Thank you for putting up with us, and our guests!

The kitchen staff – I'm so sorry I didn't get names. Thank you for keeping me relaxed before I headed down the aisle, and the lovely 'congratulations' as we walked back through your prep time as husband and wife. I can only imagine how easy it would be to continue working on our amazing meal, it was such a cute touch for you to acknowledge us. All we can say about the food is WOW! The compliments from every single one of our guests have been amazing, please keep doing what you're doing! The food was simply perfect!

The waiting and bar staff – Thank you for your speedy service with smiles, and for putting up with all of our guests. I hope none of them were too annoying, or got too much in your way. This should include the lovely lady who was with us at breakfast, nothing was too much trouble and she seemed genuinely happy for us :)

I know I will have forgotten someone to thank so please just thank everyone involved at South Farm, it truly was the BEST DAY EVER and we will be forever grateful for the work put in to keeping this venue as it is. When we

booked Lee Smith, our magician who I know you all know well, he said to us that he's convinced South Farm is run by magic elves and I have to say, it definitely feels that way!

Everything from the welcome we received on Thursday when arriving for set up, to the efficiency of turning the barn around, to coming back to the Bridal Suite to a bottle of bubbly and a card... There are no words and I don't know how to really show our gratitude, it was everything we imagined it would be and more, from start to finish :)

Thank you, thank you, thank you!

Love from Mr and Mrs Davison x

12.10.18

I would like to say a personal thank you to Summer who did such a great job looking after all of us and making sure we were all where we should be! Which at times I'm sure was difficult. Summer handled everyone with patience, calm and professionalism even when cornered by inebriated bridesmaids!

Thank you again for making Emma and Pete's day one to remember.

Kind regards

Lisa Houghton

Hi Summer,

We had an incredible wedding day, thank you so much to everyone at South Farm for making the day so perfect.

All our guests commented on how lovely South Farm is, and the staff were fantastic both in the lead up and on our wedding day. It really was the perfect venue with the perfect setting for our day, and even the weather co-operated!

Everyone says something will go wrong on the day but we were so lucky nothing did and it's all because of how great the team are. The day ran so smoothly and it was so nice and relaxed, everything we dreamed of, so please pass on our massive thanks to all of the team for everything they did for us!

Thanks you again for providing us with such an amazing wedding day we shall never forget.

Kind regards,

Hi South Farm,

I just wanted to send a massive thank you to everyone at South Farm.

Having chosen South Farm as our venue we had high expectations and you exceeded them in every way.

Emily was absolutely fantastic on the day as was every member of staff, so professional, friendly and helpful.

We were made to feel like it was our home for 24 hours and the day was just perfect (despite the weather!)

Breakfast the next morning was such a lovely way to finish and I was so impressed how hard your team worked not only during the day and evening but after the wedding tidying everything into the horse barn making Sunday morning nice and relaxing and a great way to finish.

So many of our guests commented how fantastic the venue was, like us I am sure everyone who was there will have no hesitation recommending South Farm.

Please share this with Emily and all your team who helped to make Saturday 22nd September the most amazing day we could have wished for!

Once again,

Thank You x

Hi Emily,

We just wanted to send you a quick email before shooting off to Canada to say a massive thank you to you and all the staff at South Farm. We have had so many superb comments from our family and friends about the venue and the service but mostly about you and how you controlled the whole event with such precision. It was really impressive and it was noticed by a lot of people.

We really had the best day - even without the outdoor wedding - we couldn't have hoped for more. You made everything very easy and relaxed for us and we are so grateful.

Cheers,

Chris and Clare xx

I don't know how to sum up our experience of South Farm in such a short post, BUT i'll try... We had the best day EVER, and loved every moment! South Farm runs like clockwork, they have dedicated, fun and friendly staff and nothing is too much trouble! Becky sold the venue to us instantly with her professional, knowledgeable and friendly manner. Emily helped with our planning process and kept things fun whilst sorting the smaller, finer details and Summer was honestly the perfect wedding coordinator! We didn't make it easy for her, we had a LOT going on but she stayed bubbly, and professional throughout and ensured i didn't need to worry! Also Jono who was and probably always is behind the scenes needs a shout out, he helped with a lot of the set up and was funny, helpful and organised! We love you all and can't thank you enough!!!

We celebrated our big day on Monday 6th August 2018. When we first visited South Farm we knew no other venue could compare. We looked at a few but nothing came close. Since the day we booked to the day of the wedding and even after South Farm have been fantastic. The staff have been amazing and at every step of the way they've been informative, easy to deal with just basically perfect. The day went without a hitch and pretty much every guest comment on how lovely South Farm was. It's also worth considering their recommended suppliers as they have such great knowledge of the venue and they definitely helped make the day what it was! A BIG Thank You South Farm for helping us make some amazing memories!

Huge thank you and well done, especially to Summer for being so smiley all day and ensuring everything was coordinated perfectly. (Apologies for bombarding you with questions when we first met). But also thank you to everyone who helped us in the planning stages along the way and everyone behind the scenes who are integral to the efficiency of the place.

Ben and I cannot fault any part of the way South Farm operate. Both of us cannot stop gushing about the brilliance and beauty of the place. Everybody told me what a chilled and relaxed bride I was. MOST of that was down to how wonderful South Farm is. Aside from making some choices, we didn't have to do much! Our day was managed by Emily who was so lovely and kind and everything went smoothly and without a hitch (apart from one minor hiccup which is hilarious with hindsight and fixed the minute I realised what I had done!).

It is a wonderful venue full of natural beauty and ALL the staff seem happy to be there and to help you, even though your big day is just one wedding in a week of weddings.

If I could, I would get married there again!

Hi Summer,

Thank you very much, on behalf of myself and Dave we want to thank Sarah and Becky and the whole team for making our wedding the most wonderful day. All of the planners/information and spreadsheets that were provided really helped us in the build-up and Becky was great at responding quickly to all of my questions and ran the day perfectly. Sarah was lovely and really made us feel at ease and couldn't do enough for us. A few of my friends have actually said it was the best wedding they've ever been too and that is definitely down to the venue and all of your organisational skills and the lovely staff.

Thanks to everyone again!

We were lucky enough to be married at South Farm on the 25th of May 2018.

From our first viewing we knew we were in the right place, the warmth and care we received towards our wedding made us feel like we were the only wedding they had and made us feel incredibly special. Our Event Manager on the day Summer was superb and went above and beyond to ensure the day was perfect, and it was.

All of our guests commented on the amazing venue, incredible food and relaxed atmosphere; and we can't compliment the staff enough. The only downside was how quickly the day went, we wish we could do it all over again, and thanks to South Farm, if we did we wouldn't change a thing.

Thank you!

My husband Philip and I got married on the 14th of May 2018. I cannot recommend South Farm enough! Our day was so relaxed and felt so intimate and special. The staff were absolutely fantastic throughout the planning process and on the day itself. Our Event Manager on the day, Helen, was so helpful and went out of her way to lend a hand wherever needed. Feedback from our guests was that the venue was beautiful and our overnight guests found the accommodation very peaceful and comfortable. The food was amazing! South Farm was the only wedding venue we visited; as soon as we saw it we just knew it was perfect for us. We didn't need to look anywhere else!

Thank you so much to all the staff who helped make our day so perfect! We wish we could do it all over again!

We got married at South Farm on Sunday 13th May. Our day was absolutely perfect. We had both dreamed of an outdoor ceremony and as luck would have it the sun was shining and we got married in the Summer House. The event coordinators were brilliant and couldn't do enough for us. They made sure that our day ran smoothly and we didn't have to worry about a single thing. So we could just relax and enjoy our day. All of our guests commented on how beautiful South Farm was and what a lovely time they had. This venue is amazing, the staff are amazing, the food is incredible and accommodation for the bride, groom and guests is beautiful. We would recommend this venue to anyone looking for their perfect day.

Hi all,

Andrew and I just wanted to express our humongous thanks and appreciation for everything you've done for us, in both the build up to the wedding and also on the day. It was genuinely the best day of our lives and that was thanks to the amazing support, planning and creativity of you and the team.

Emily was just wonderful on the day, smiling non-stop and making us feel so relaxed throughout.

Every one of your staff has been there at the end of the phone for us both, and our guests were blown away by the whole venue and attention to detail.

We are forever grateful and we can't wait to send you some professional photos! Plus come to the next Open day at South farm!

All our love,

Laura and Andrew

Hi Summer

Thank you very much 😊

I thought the wedding was amazing!! The venue is outstanding, I'm so relieved the weather was as good as it was, as it enabled us to get married in the beautiful garden, and for everyone to enjoy the venue to it's fullest. The children (and adults) loved the animals, having the animals onsite really adds to the venues charm and interest.

I'm so grateful to Alli for being a wonderful Event Manager. She could obviously tell how nervous and emotional I was, her kind words and relaxed manner really helped me to calm down (a bit....). I hear she was also amazing helping Rob before the ceremony. Therefore please could you pass on a massive thank you to Allii from the both of us!!!

We don't think South Farm could have done anything to improve the day, it really was wonderful! I just wish we could string the wedding out for more than a day.

Maybe if I'm lucky I'll be invited to someone else's wedding at South Farm 😊

Many thanks to all of the staff who made our day so seamless and unforgettable.

All the best

Jo

This is a fantastic venue, although off the beaten track, set in its own grounds, the effort has been made to blend the new with the Tudor buildings. The barn makes an excellent indoor area. Great friendly staff. Even despite the very warm weather.

Hi all,

Well what can I say - thank you all and all of your team SO much for our incredible day on Sunday.

It honestly was absolutely perfect. We could not have asked for a better day. So many people told us it was the best wedding they'd ever been to and certainly the most amazing venue.

All of your team has been amazing throughout the entire planning process and on the day Helga and everyone were perfect - organising us and keeping the day on track but with a very light touch so it never felt stressful. Please pass on my thanks to Helga for looking after us on the day!

The only thing we are sad about is that we don't get to come to South Farm anymore!

Thank you all again for everything.

Lots of love

My dear Emily, I don't know how to begin thanking you for what you did for us on our wedding day!

You beautiful lady, you were absolutely incredible, just so all-over-everything, so efficient, so lovely, you knew EVERYTHING that was going on, you were just absolutely amazing. You're one of these people that we will probably not meet again (sob) but you played an enormous part on the best day of our lives - we can't thank you enough.

You worked your absolute socks off, were so calm, patient, ruthlessly efficient, respectful, talented, went above and beyond, and just an absolute joy. People are still telling us how amazing you were, you are such a credit to South Farm and I can't imagine you not being a part of the day.

We're still waiting for the official photos (and going to send you a proper thank you card with them on) but I couldn't wait any longer to email you. I would hate for you to think we'd forgotten what you'd done for us, or that we weren't happy.

We will never forget you and what you did for us.

Love Laura and John xxx

We got married at South Farm on 27/04/2018 and it was perfect. The staff were completely faultless in every aspect of the day and during the whole planning process. A big thank you to Summer, our Event Manager on the day, you were amazing! And to Emily C for making the lead up really easy and for answering all my questions so efficiently. The day ran so smoothly, with so many lovely little touches, from someone waiting at every door with an umbrella (it didn't stop raining!) to finding slices of our dessert in our mini fridge in the Bridal Suite after having missed out during dinner. We've had so many comments from guests about the incredible food (including the delicious breakfast!) and the accommodation both at South Farm and Fen Bridge. South Farm is such a special venue, and will always hold such amazing memories for us. Would recommend to anyone. What I wouldn't give to do it all again!

You guys are incredible. We had the BEST day on Friday, even despite the awful weather. We cannot thank you enough for all you did to make our day so special, we could not fault any part of it. The set up was faultless, the food was beautiful and the organisation was so well thought out, you run the whole place like a well-oiled machine!

A special thank you to Emily Chester, for our planning meeting and answering my endless questions in the lead up to the day, you were such a pleasure. And Summer, our amazing event manager on the day, you were everything we could've asked for!

We will never get over our amazing day, South Farm is such an incredible place, it will always mean so much to us.

Thank you for everything,

To Emily and the South Farm team,

We can't begin to thank you enough for giving us the most incredible wedding day! As soon as we drove down the fairy light lit drive we knew that South Farm was the venue for us, you just get that amazing gut feeling when you're there that just couldn't be beaten, and the incredible barns and grounds help as well!

Emily, you were amazing! We can't thank you enough for everything you did for us from answering all our many questions to making sure we were all set with our timings, and making everything run like clockwork on the day! We were so calm and didn't have to worry about a thing and that was all down to you, so thank you so so much! You were so lovely from the start and made us feel completely at ease and we were so happy when it was you running our actual wedding day.

We had the most perfect day! So a MASSIVE thank you to every single person at South Farm who made the day possible and helped it run like clockwork! We couldn't have asked for a more perfect day at such an incredibly beautiful venue!

You really are one of a kind and we can't wait for a day when we can hopefully come back as wedding guests!!

Thank you again!

From setting up the day before to helping guests in their caravans, all of our guests were honestly blown away by the venue's beauty & customer service. The food was outstanding & the overall venue was perfect! We hope to return to another wedding at South Farm soon!

My husband Oscar and I got married on 4th April 2018. Our wedding day was absolutely perfect, and we wish we could relive it over and over again! South Farm and all of their staff made us and our guests feel so welcome, and were nothing short of helpful. Their professionalism guided us through our day smoothly without any hiccups, whilst making our wedding feel intimate, individual and special (especially when a kind member of your staff handed us a drink whilst doing the photos so that we didn't miss out!) We have only received outstanding compliments on the venue itself, but most importantly the food - which was sublime! We cannot thank you enough for our special day, one that we will never forget!

The staff at South Farm are so organised and thorough that we breezed through our wedding day without having to worry about anything – even with some very last minute drop outs! The food was fabulous and it doesn't take much effort to make the rooms look great. As a venue it has everything, I hope that somebody I know gets married here so I can experience it again!

Hello all at South Farm,

We had the most perfect wedding day on Saturday! Everything went exactly as planned and looked amazing!

Here's a list of thank you's-

Carys - we both can't thank you enough for your hard work you did on the day, thank you for running around helping my bridesmaids iron their dresses! You were just great at holding us together, keeping us calm & keeping the day running smoothly!

Becky, Alli & Summer - your correspondence and organisation was a huge help on the run up to the big day & all the little details fell into places perfectly!

The kitchen & bar staff were amazing! All of our guests were made to feel special, no request was too much! After the food tasting event in November Gavin & I couldn't wait to be back & tuck in to the meal! The food was outstanding, our guests all agreed 😊

The lady who served our breakfast on Sunday was wonderful & accommodating (sorry I missed her name)! She had put a lot of effort in to setting the table, it was just lovely! Really finished off our experience perfectly!

All in all I have only excellent things to say about South Farm 😊 thank you all for making our big day so perfect!

Best wishes,

Hannah & Gavin

Evening Summer,

Thank you very much for your email.

Our day was fantastic, we could not have wished for it to have been more perfect – mainly because of the hard work and effort that the South Farm Team put into it for us – especially Helga on the day, we couldn't have done it without her!

All of our guests have commented on how amazing the venue was and how much they enjoyed themselves, the food and the music. We could not have asked any more from South Farm, every element of our day was thought of and planned to perfection. I didn't have any doubts in the smooth running of the day but to actually experience a stress free wedding day because of the hard work put in by the South Farm Team is overwhelming and very much appreciated by myself and Sam. Thanks to you we are able to look back at our special day with nothing but positive memories and happy thoughts.

We shall definitely send over some photos when we receive them from our photographer. We very much look forward to sharing these with you as the beautiful venue made most of the photos as magical as they could be.

Thank you doesn't seem like a big enough word, we are extremely grateful!

To all at South Farm,

I just wanted to say a huge thank you to all at South Farm who made my daughter and Son-in-Law's wedding such a happy, special and truly memorable occasion.

The setting was lovely, the food exceptional and the running of the day, managed for us by Helga, was flawless. All our guests turned up despite the atrocious weather in the evening and everyone remarked what a lovely time they'd had.

The morning breakfast with our family and friends topped off a wonderful and unforgettable occasion.

Many, many thanks to you all on behalf of Amy and Sam and please pass on my heartfelt thanks to Helga and her team.

Kind regards and best wishes,

Kevin Henson (*Father of the Bride*)
